

Water is fine at
JACKSONVILLE BEACH, FLA.

JULY 13TH

DEAR MISS BLANEY,

AS I WRITE THIS SHORT NOTE
I AM SWEATING BULLETS FOR IT IS
SO HOT DOWN HERE THAT THE THERMO-
METERS HAVE GONE ON STRIKE.

I AM TO BE STATIONED HERE FOR
FOUR MOS. WE WILL STUDY CODE AND
TYPING PLUS SIGNALLING AND MANY
ALLIED SUBJECTS.

FRANK MCCOY OF FALL RIVER
IS HERE ALSO; HE STARTED BRYANT
AT THE SAME TIME AS I. HOWEVER

HIS FIRST CHOICE WAS THE ARMY
AIR CORPS BUT HE SOON CHANGED
TO THIS BRANCH AS HIS FATHER IS
A COMMANDER. HAVING GRADUATED FROM
THE ACADEMY AND FRANK IS GOING TO
ATTEMPT TO FOLLOW IN HIS FOOT STEPS.

I RECEIVED MY COPY OF THE
BRYANT ALUMNAE AND ENJOYED EVERY
LINE ESPECIALLY THOSE WHERE A FEW
OF MY FRIENDS WERE MENTIONED VERY
HONORABLY.

THE USO IS VERY ACTIVE HERE
HAVING FIVE OR SO DIFFERENT PLACES
WHERE A SERVICE MAN MAY SPEND HIS
LEISURE.

SO THAT YOU MAY KEEP YOUR
RECORDS STRAIGHT HERE IS MY NEW
HOME: EDWARD. J. HEALEY A.S
