The Bryant Service Club:

Many thanks for your letter of March 29. The Easter package no doubt will reach me eventually from Iceland.

Please forgive my delay in notifying you of my change of address, as I was in the Naval Hospital at Bethesda, Md, and am now back in a duty status (cured, I hope) at:

MINECRAFT Shakedown Group,
Naval Frontier Base,
Little Creek, VIRGINIA.

Again many thanks for your nice letters, & I'll write more when my hand, back & head injuries bother me less severely.

Sincerely,
Langells
