Bryant Service Club,

Thanks for the letter of  
6 mas announcements. It  
arrived rather round about.

For the information of my  
friends at Bryant I am a  
1st Lt. in the Engineers. I  
would like to hear more from  
the Class of '36. They don't seem  
to be making headlines. Maybe  
it is because they're all married  
(except me).

I always do enjoy reading  
the alumni Bulletin and look  
forward to receiving it this year  
even if I am overseas. In fact  
we enjoy news from home more  
now.

From your letter you must  
have sent a Christmas package  
to me at my Camp Claiborne

address. Your thoughts are certainly appreciated but it hasn't arrived yet.

If George Richards, my friend, is still there, give him my regards and tell him that the fishing should be good up in Vermont this spring because I hear the farmers have all gone to the Connecticut valley to work in war plants. Ha!

Thanks again for your thoughtful letters and keep up the good spirit until we get back which I hope will be soon.

All the best,  
Tom Moran  
Class of '36

P.S. You might be interested to know that I met my brother "Ken", Class of '38, in London two weeks ago this

morning at 5 A.M. Hadn't  
seen him in 1½ yrs. He  
is also a 1st Lt. and is  
stationed in N. Ireland. He  
has a son born 25 Feb and  
"Ken" is one proud "old man".  
What a small world. I spent  
a couple of days with him.
