Dear Friends,

Please excuse me for not acknowledging and thanking you for the Easter package sooner. The reason was that I was expecting a change of address and thought I'd wait. As it was I've had not one, but two.

The day after I arrived here at Shelby I met Joe Morrison (Class of 43) in the PX. He told me of another Bryant Alum who was here at Shelby. I cannot remember who it was right now.

Not much else to say except to thank you again for the package and

letter and to hope to see
you all very soon.
