Bryant Service Club
Bryant College
Providence, Rhode Island

Gentlemen:

Here's expressing complete thanks for your generous gift of cigarettes which I received from you today. It is very nice to know that we, the Bryant Alumni, have not been forgotten by our Alma Mater - and I want you to know that I am grateful.

Here's to the complete success and longevity of the "Bryant Service Club" - and may you be able to contact all Bryant Alumni in the Service - as you did me. I know they will all appreciate your thoughts of them.

Yours for Victory
Pfc Raymond E. Marshall '40.

P.S. Is it possible to obtain copies of the latest "Alumni Bulletin"?
