

U. S. ARMY AIR FORCES

December 6, 1943

Dear Friends:

I received your very nice Christmas gift of two Camel "Heat Fifty's". I know I shall enjoy them as I have, others, in the past. Thanks a million.

It is awfully nice of you folks at home, remembering our boys, who are unable to be home for Christmas, and don't think it is'n't appreciated.

Thanks again. Hope to see you all by next Christmas

Sincerely  
George J. Ross
