I was very happy, to be remembered by your very timely gift (1 lb of tobacco). It makes one proud to have been associated with a college which not only remembers its former students but also its former faculty members. I do not know of any other college which is doing as much for its servicemen as you are doing. Keep up the good work, for the sake of the Bryant boys who are fighting this war, all over the world, some may never come back but they will always remember what you have done for them. With best wishes for a continuation of your good work

Your friend
