Dear Bryant Service Club:

Many thanks for the cigarettes which you sent me for Christmas. They followed me thru the last four different places I have been and arrived today in very good condition.

I was very kind of you all to think of me and I certainly do appreciate it a great deal.

I expect to leave Omaha the end of this month to go to a new post and will let you know my new address next month.

Thanks again for your nice gift.

Sincerely
Charles H. Tompkins
