

WAVES

12 April, 1944

Dear Service Club Members:

Received my Easter Package today in good condition and thanks loads.

It really is wonderful of you all to remember us and we certainly do appreciate your thoughtfulness.

It is Cherry Blossom time in Washington, and a wonderful sight it is. We wish each and everyone of you could see them.

Easter Sunday there were people here to see the Cherry Blossoms from miles around.

My Easter was a very pleasant one although I wasn't at home. Maybe next year?

Thank you for my Bryant letter that I received this week too with all the information. I enjoy hearing from you.

Will close now with best wishes to you all.

Sincerely,

Jessie Willman, Jr. <sup>2/1</sup>  
U. S. N. R. (W)
