Dear Sir:

I have been endeavoring to contact you in order to thank for the last package of cigarettes I received and to give you my address. However it has been impossible until the present time due to the fact that I have been moving about the country frequently. At my present station, Columbia, I expect to stay for at least another month and will get in touch with you when and if there is a change.

Do you know that as far as I have been able to determine Bryant is the only college that is doing anything in a material sort of way for its alumni. None of the other collegemen in

IDLE GOSSIP SINKS SHIPS

my outfit have heard of such
an organization in their
respective colleges.

I would like to keep on
receiving the Bryant paper par-
ticularly if you are devoting
some space to the men in the
service.

Thank you again for the
cigarettes

yours truly,

Richard E. Fogwell
