

GREEK LETTER SPECIAL!

- THE - ARCHWAY

VOL. I, No. 4

BRYANT COLLEGE, PROVIDENCE, R. I.

MAY, 1946

NAME BAND SELECTED

**Comes to Bryant
From A Record
Breaking Tour**

Bobby Byrne, direct from a record breaking tour, will appear with his orchestra at the Greek Letter Formal to be held at the Bitmore Hotel on June 14. On his first road trip since being discharged from the Air Corps, Bobby has played to over 150,000 people in little over one month.

Some of his engagements have been The Glen Island Casino, Hotel New Yorker, Hotel Sherman in Chicago, Paramount Theatre in New York and the Met here in Providence.

Before the Bobby Byrne orchestra was formed, he was the featured trombonist with Jimmy Dorsey. While with Dorsey, Byrne was a steady favorite in polls conducted throughout the nation to determine our top musicians.

Since starting his own band, Byrne has mixed the sweet with a bit of swing. Realizing that the public is currently finding most pleasure in dreamy ballads, he has built up a library that contains tunes most popular for the day as well as old standards that never die.

While in the service, he led one of the nation's foremost service orchestras.

Communion Breakfast Held by Newman Club

The Communion Breakfast held by the Newman Club on April 28 proved to be a tremendous success for all members attending and everyone seemed to have an enjoyable morning.

The group attended nine o'clock Mass at St. Raymond's Church and the Breakfast was served at Howard Johnson's at 10:15. Father Harry Kelley of St. Raymond's said Grace and miniature statues of the Infant of Prague were distributed as souvenirs.

After a hearty and delicious breakfast of which everyone ate to capacity, attention was devoted
(Continued on Page 4)

**BOBBY
BYRNE**

**HIS TROMBONE
and HIS ORCHESTRA**

DICK MERRICK AND PEGGY COFFEY TO ACCOMPANY BAND

Dick Merrick, well known singer of popular ballads, will be presented by Bobby Byrne at the coming Greek Letter Formal. Merrick is heard by song lovers both with Byrne and Jerry Wald's orchestra. Peggy Coffey, beautiful songstress, will also be on hand for this gala occasion.

Byrne has long been known as the musical favorite of millions. After two and a half years in the service, Bobby returns to resume a career that brought him to the top of name band rankings in but a few years after leaving Jimmy Dorsey's orchestra.

A native of Columbus, Ohio, Byrne has risen to the heights of popularity in a remarkable ascent with one of America's best known and admired orchestras. Born of talented parents, he has mastered the trombone, harp, cello and flute. His father was a nationally known teacher and symphony conductor.

MASQUERS TO PRESENT PLAY

On June 5, the Masquers, the dramatic club of Bryant, will present their annual three-act play under the direction of Miss Buculo. This year it will be a comedy entitled "Here Comes Charlie," by Jay Tobias. It proves to be a delightful portrayal of life with a surprising climax.

Rehearsals for the play have begun and the various committees have gone into action. The cast consists of the following: Eileen Kingsley as Nora Malone, Thomas Sullivan as Officer Tom McGrill, Dorothy Stewart as Mrs. Fanny Farnham, Ken Borgino as Larry Elliott, Albert Butler as Ted Hartley, Mildred Valenta as Vivian Smythe Kersey, Ernest Ross as Uncle Aleck Twiggs, Jan Stawarky as Mrs. Caroline Smythe Kersey, and Craig Edgar as Mortimer Smythe Kersey.

New Council Formed

The presidents of Bryant's fraternities and sororities met at the request and with the approval of the Student Council created a legislative body known as the Greek Letter Council.

The aim of this new organization is to promote brotherhood amongst the Greek Letter Organizations, and its job is to make decisions on inter-society matters.

Pioneer council members are Mary Rabbot of Sigma Lambda Theta, Felix Amoroso of Phi Kappa Tau, Myles Booth of Tau Epsilon, Jerome Goldberg of Sigma Lambda Phi, Ethel Wexler of Beta Sigma Gamma, Katherine Combs of Kappa Delta Kappa, Claire Messenger of Sigma Iota Chi, Joseph B. Damon of Phi Sigma Nu, Herbert Page of Beta Iota Beta, Eileen Kingsley of Sigma Iota Beta, and Charles Wielgus of Beta Sigma Chi.

In 1935 Byrne joined Jimmy Dorsey with his brother Tommy at The Glen Island Casino in New York. Playing trombone opposite Tommy was quite a task but young Bobby was soon classed with the best. Mind you, at the age of seventeen! When the Dorsey Brothers combination disbanded, Byrne elected to stay with the original band, taken over by Jimmy. He remained with the band till 1939 when public response dictated that he form the band he soon made a nationally recognized musical institution.

Bobby has made his name synonymous with fine dancing and listening pleasure. From the Glen Island Casino they were heard coast-to-coast. Well over a million of his Decca Records have been sold and can be heard wherever music lovers congregate.

For only through kindness and giving
Of service and friendship and cheer,
We learn the pure joy of living
And find true happiness here.

THE RIGHT ATTITUDE

Three stone cutters were busy driving their chisels into a massive block of beautiful Vermont granite. A stranger, who happened to be passing, paused for a moment to watch them work and then asked the first stone cutter what he was doing.

"I'm cutting stone," growled the laborer without a pause in his activities.

When the same question was put to the second workman, he looked up in disgust, then announced gruffly, "Me? I'm working for \$5 a day."

Turning to the last stone cutter, the stranger asked, "and what about you? What are you doing?"

The face of the third workman lit up and he paused a moment in silence, "Why I'm building a cathedral."

You may have heard the story, it's old and time worn. Professor Handy would probably call it "hackneyed," but it's as worthwhile today as it was when first related years ago.

According to the story, the men were stone cutters, but their profession is immaterial. For all practical purposes they may have been students at Bryant.

There they were . . . three individuals all doing the very same thing yet each had a completely different fundamental attitude. One a mere automaton, one an opportunist, and another an idealist.

Which one of those attitudes have you chosen, the one that will determine whether you're to be a mere, mediocre, or master accountant, secretary, teacher or business man.

The attitude you take toward your studies here at Bryant may easily determine the size of the crop you are to reap once you migrate into the business world.

C. J. W.

Find time for a neighborly greeting
And time to delight an old friend;
Remember,—the years are fleeting
And life's latest day will soon end!

Around the Campus Robert Dutton Resigns as Editor

Phi Kappa Tau

Phi Kappa Tau has been very active on the social calendar since we came to you last month in this column. "Bid Week" saw the addition of thirteen new members to the roster of the fraternity. A reception meeting and an Initiation Night were held for the benefit of these new men.

On April 11, a Pledge Banquet was held at Oates' Tavern for the enjoyment of both old and new members. The guest speaker for the occasion was Mr. Dickerman, faculty adviser for Phi Kappa Tau. We would like to take this opportunity to thank him for his efforts in making the banquet a huge success and the evening one that we all shall remember.

Having gained some membership strength now, the fraternity can soon be expected to provide some lively and interesting evenings for the benefit of all in its ranks.

Beta Sigma Chi

Recent elections held by the Beta Sigma Chi Fraternity brought forth the following results:

President, Charles Wielgus; Vice-president, Joseph Sorbo; Secretary, Edward Andrews; Treasurer, Mike Dwyer; and Marshall, Wallace Johnson.

The following were elected to preside as Judges in the Court of Fraternal Justice:

Louis Glaiel, James Dow, George Miller, Martin Brucker and John Sullivan.

Beta Sigma Chi has just completed an active month. The first dinner meeting of the Spring Season was held at the Roman Gardens where plans for the succeeding month were laid.

An active golf team, under the leadership of John Sullivan, has been formed and looks forward to coming competition. Mike Dwyer has organized Beta's softball team and is instrumental in the forming of a talented tennis combine.

The guest speaker of the month was Dean Nelson Galski, Beta's advisor, who presented a very interesting speech on the twenty year history of the fraternity.

Beta and its sister, Sigma Lambda Theta, drew down the curtain for the month with a much enjoyed "Sister and Brother Social." Arrangements were under the direction of John Glaze, assisted by Joe Worth.

Sigma Iota Beta

We started this semester off with a "bang" by welcoming our new pledges at a special meeting held at the Biltmore Hotel on the evening of April 18. Plans for the pledge banquet, which occurs once every semester, were discussed and it was decided that the banquet would be held on May 21, at Oates Tavern. All members, pledges and alumni may attend this social affair.

Our pledges will long remember April 30, May 1 and 2. It was then that the initiation of all pledges of the sororities and frats took place. I'm sure now that Bryant College has set the style in fashions for the coming season after seeing some of the costumes during this initiation period.

Joe Worth to Head Archway

With the June issue, the ARCHWAY will have a new guiding hand. Joe Worth, '48, is to be the new editor, replacing Bob Dutton, who will relinquish the position because of ill health.

Bob has done a great job as editor of the first four issues of the ARCHWAY. It takes courage and stamina to fill the position of editor of a college paper . . . and Bob has "done it at Bryant." His time and effort were given generously and for it to be commended for the wonderful job he has done in starting a paper here at Bryant. A hearty "Thank you," Bob, and good health!

Joe Worth, who has been elected to the position of editor by the Student Council with the approval of the College Administration, is a first semester Business Administration student and a new member of Beta Sigma Chi Fraternity. Joe has been a member of the New London, Conn. and is now living at 78 Charles Field Street. He attended the Choate School in Wallingford, Conn. where he was a member of THE CHOATE NEWS staff for two years.

Everyone who believes Bryant should have its own paper will wish for the best of luck.

Everyone who believes Bryant should have its own paper will wish for the best of luck.

Everyone who believes Bryant should have its own paper will wish for the best of luck.

Everyone who believes Bryant should have its own paper will wish for the best of luck.

HOOP SEASON ENDS

Softball League To Be Formed

Student enthusiasm and rugged competition brought the basketball season to a successful close. Excitement prevailed up to and including the last game which was a pitch battle between Tau Epsilon and The Flying Ladies . . . Result, a tie for first place!

Announcement has just been made by Mr. Dickerman, Director of Athletics, that Lockwood Park is available on Monday and Tuesday afternoons. Groups wishing to play softball are requested to make arrangements with Nick Pintavalli. If enough teams can be formed by fraternities and other groups in the school, a softball league will become a reality at Bryant. It is hoped that as much enthusiasm will be shown as the students created during the basketball season. It's up to you!

THANKS

It is with deep regret that I find it necessary to leave the ARCHWAY. As this is the last issue that I will have the pleasure of editing, I would like to take this opportunity to thank all of the people who have been instrumental in helping me bring to Bryant a student newspaper.

To the Staff of the ARCHWAY, whose cooperation has been appreciated, I want to say that it has been a great pleasure working with all of you and I hope that you will give to the new editor the same cooperation that you gave me.

To Mr. Hayes and Miss Hickey thanks for your constructive criticisms and advice. I also wish to thank the Bryant Faculty and Administrative Staff for their kind assistance.

To the students of Bryant I want to extend my thanks for the way that you have received the ARCHWAY. I hope that you will give the new editor the same backing.

I have appreciated the honor that was given to me last fall when I was chosen as Editor of the ARCHWAY. Since then I have tried to keep the standards of the paper up to all expectations. Now that I am turning the Editorship over to Joe Worth I want to wish him and that ARCHWAY Staff the very best of luck.

Robert Dutton

Beta Iota Beta

The Beta Iota Beta Fraternity announces the election of the following men to the offices of the Fraternity:

President, Herbert Page; Vice-President, Alfred Iwanski; Secretary, Donald D. Jacobs; Treasurer, Francis Sullivan; Sergeant-at-Arms, Everett Dominucci; Business Manager, Michael Bucci; Historian, Robert Smith.

The members of B. I. B. and its Sister-Sorority wish to extend congratulations to the newly elected officers.

After the election, the new President, Herbert Page, proclaimed his desire to crystallize a more closer "Work-Together" relation with the various fraternities and sororities on the campus.

On April 6th, at the Bryant Auditorium, at 8:30 p. m., a novelty dance was held by the Fraternity and its Sister sorority entitled "SADIE HAWKINS RODEO DANCE." The music was furnished by Tommy Masso and his orchestra. Fun and frolic was the prevailing atmosphere which descended upon the large number of members who attended. There was many an exclamation of delight and surprise as prizes were presented to the winners of the various dance contests.

(Continued on page 4)

Odds and Ends

Nick Pintavalli, with all of his talents, should see Mr. Handy about being in the orchestra. I'm sure his musical instrument will serve to enhance the tone of the orchestra. By the way, Nick, what do you call the thing?

It is obvious that we have a lot of strong characters around school. Did you notice that cigars are now being sold in the Cafe? Vinnie Lonardo certainly compensated for all those times he is late by supplying Mr. Richards with cigars.

It is getting to be quite a problem, this Economics. Mr. Vinal is complaining about the economy in answers on our economic test papers.

Hurray for Nancy Sorensen and Lorraine Quagliavardi. They were practically twins so were given a double birthday party at Gregg Hall the day before the Easter vacation.

A surprise took an about-face when Bryant Hall gave a surprise birthday party to Lucille Gotsell on April 1 only to find her birthday is April 20. Rush things over there, don't they?

It's Orchids for Eleanor Jankura on her birthday from that certain special someone Rose Buschynski's fiancée, Charles Warner from New York, spent a wonderful week-end in Providence. Needless to say, Rose was glad to see him.

Mario Lindia had a fright one day in Alumni Hall when a screw fell out of his chair and it slipped to the floor. He said next time he would continue through the floor to the cafe and come up with an ice cream cone.

I guess our dormitory signs are permanently affixed now. Did you notice how high out of reach they are?

Neva Neri managed to take advantage of the Sadie Hawkins day dance. She even bought Al Blanchard a red boutonniere. Our girls Olson and Johnson had an exciting time at that officers dance last month in Quonset. Hubba, hubba!

We are sure to turn out a few major leaguers from those baseball games that took place on the lot next to school almost every day last month. Also, many students are reverting back to childhood. You must have seen them jumping rope.

If you hear strange sounds coming from the back of room 3A, you will know it is just Rickey Reamon tickling poor Tony.

There was an article on the bulletin board for Mr. O'Brien about a famous Boston lawyer bequeathing his fortune to the three women who refused him in marriage because he owed all his happiness in life to them. It must have hit here because Mr. O'Brien, I hear, has put it in his scrap book.

Phyllis Kramer says she is wearing the jeans her brothers wore before her. Little people those Kramers.

NEWS BITS

Riggie Rougier, a graduate of Bryant, is working at Dunn & Brudstreet in Boston. She came back a few weeks ago to visit her alma mater and stayed at Salisbury Hall.

Charlotte Olson had a guest for the week-end of the fifth at Gregg Hall. Her visitor, Rita Stanton, is an old school chum of Charlotte's from New Britain.

Anna Pino, our student from Cuba, spent her Easter vacation with her roommate, Adele Burnham, at Adele's home in Long Beach, New York.

Another of our Cuban students, Nanny Suarez, was a guest of Gloria Rigali, her roommate, for the holiday. Nanny seems to like Hedyote, Mass. very much.

Claire Reins of Newark, N. J., was entertained the week-end of the 26th when she visited Joy Grabfeller of the same city at Gregg Hall.

Priscilla Flood became an aunt last month. Everyone enjoyed the cigars she passed out to celebrate the event. Her niece who was born on April 8 was named Priscilla after her aunt.

Three roommates from Harriet Hall spent an enjoyable Easter vacation in New London at the home of Lorraine Young. The other two girls are Beverly Blue-dorn and Naomi Ezzell.

Another trio that enjoyed a wonderful holiday is, Maxine Yelle, Doris Wagner, and Jean Lavigne. They were guests at Maxine's home in New Hampshire.

Mario Lindia was inducted into the army last month. Room 3a had already seen three of its swell classmates go into the services since September and Mario makes the fourth. We miss them all. Mario is stationed in Alabama.

A very pleasant Easter week was spent by one of our students, Shirley Levine, at Swan Lake, New York.

Millie Gutbrodt, a graduate of Bryant who now works in our office, became engaged to Robert Marshall of Providence. Her fiancée was a Captain in the Marine Corps and is re-enlisting. Have you seen Millie's new diamond?

We will all miss Beth Methot who has just left to work for The Blue Cross here in Providence. Lots of luck to you, Beth, from all of us and this comes especially from the boys at Meeting Street. Check that, Fred!

Our sympathy to George Barlow who has had a lot of sickness in his family of late. We all hope his wife and baby are on the road to recovery.

DANCE STARTS

STUDENT FUND

On the night of April 23rd, in the Bryant Gym, a students' fund got underway. The fund got its start by the proceeds of a Record Dance that turned out to be a surprisingly good time for all who attended.

Our thanks for the work done at this dance should be given to Beta Chi Tau and to the girls who contributed the records; and also to any other person who helped in making this affair a success.

The Student Fund is for the use of anyone at Bryant who from time to time may need a little holdover till their check gets in from the Government or from home. It will be a big help to the Veterans and also to those who find that their allowance check is delayed in the mail for a few days.

Sigma Lambda Pi

Sigma Lambda Pi Fraternity recently held its first meeting since being revived, for the election of officers. The following members were elected to lead the fraternity for the coming term: President, Jerome Goldberg; Vice-President, Foster R. Lowenthal; Secretary, Francis B. Sokoll; Treasurer, Milton Stern.

Until 1943, one of the most active fraternal organizations on the campus, Sigma Lambda Pi, returned to the temporary inactive list due to enlistments into the armed forces. President Jerry Goldberg, the only past member thus far to return and assume his studies at Bryant, was mainly responsible for its reorganization.

All members of Sigma have shown enthusiastic support and complete confidence in their newly elected officers. With this continued spirit, Sigma Lambda Pi promises to be in the spotlight again, as a Greek Letter clan leader.

Tau Epsilon Plans for Spring

The Tau Epsilon Social Committee, which is busily engaged in the preparations of the fraternity initiation, offered its plans to the members for approval. The group also submitted its tentative program for coming social activities with much emphasis placed on the Greek Letter Societies formal. This event, the biggest and most outstanding of the college year, is sponsored by the various Greek Letter organizations on the campus. The fraternity voted with complete unanimity to back the affair socially as well as financially. The Social Committee is composed of James Moynihan, chairman; Alfred Duhaime, "Red" Brisson, Craig Edgar, and John Longworth.

The subject of athletics was the final issue of discussion. "Nick" Pintavalle stressed his anxiousness to get the athletes whipped into shape for the warm climate sports. It was decided, however, to lay the subject on the table until the next meeting. By that time the Pledges will have become full pledge active members and their voices in athletics will be welcomed.

Sigma Lambda Theta

On April 24 intercampus relationships were strengthened when members of Sigma Lambda Theta and Beta Sigma Chi, the sorority's newly adopted brother frat, became acquainted with each other at an informal party in the gym. Dancing and a barber-shop sing made the gathering a lively one. Mary Rabbott and Chic Wielgus, the presidents of the two organizations, were in charge of arrangements.

During rush week early last month, Sigma Lambda greeted their prospective sisters by entertaining them at a bowling party at the R. I. Rec Center. A dinner followed at Howard Johnson's. A prize for the high scorer among the "rushed" went to Gloria Rigali of Gregg Hall who tallied a score of 101.

Have You Met?

Charleen Hellums

Although Charleen, who will be nineteen in October, was born in Missouri, she now claims the Panama Canal Zone as her home.

Miss Hellums, with her parents and sister, moved to the Zone in 1940. Upon graduation from Cristobal High School, Charleen was immediately engaged as secretary for the United States government in the

Canal Zone. A yearn for advanced education has brought her to Bryant. Soon after graduation, Miss Hellums hopes to become a private secretary in Colombia, South America.

Our little friend reports that the climate in Central America is ideal; a temperature average of about 78 makes it possible to wear light clothing throughout the year. Panama has two seasons, the rainy and the dry. According to Charleen, the sun shines and the rain falls at just the right times.

To prevent annoyance by insect pests, houses in the Zone are built on cement posts about eight feet above the ground. All homes have at least one servant; a lady would never think of being without someone to assist her.

Charleen likes Bryant although she left an area which boasts of almost twenty men to one girl.

May your stay at Bryant be an enjoyable and profitable one.

Prominent Professor To Speak at Assembly

On May 17, the students of Bryant College will have the pleasure of hearing Professor J. Jensen, Professor of Geography at Rhode Island College of Education, lecture on "The Geography of Japan."

Because of his vast knowledge of the geographical world, Professor Jensen is known throughout the country. A number of articles which he has written have appeared in the Providence Journal as well as in national magazines.

His home is in Seattle, Washington, and it is in this state that he attended Washington College of Education, the University of Washington and Clark University from which he will receive his Doctor's degree in August.

Professor Jensen has taught students geography from grade school through college. He has been very fortunate in securing his services as an Economic Geography instructor. In addition to his teaching profession he has spent a number of years in the retailing business in the West.
