Dear Bryant Service Club Members,

This is to acknowledge receipt of your swell package of Camel cigarettes.

Many thanks to you all for your remembrance and I'm sure that it will be never forgotten.

I also want to say that I think of Bryant often and speak about the wonderful spirit it is carrying toward the war effort. It is thoughts like these that give us strenght to carry on until victory is ours.

Keep up the grand work!

Sincerely,
S/Sgt. Louis Bastone
