FINE LECTURE SCHEDULE ARRANGED FOR MARCH

An unusually good schedule of Wednesday afternoon lectures has been arranged for the remainder of this month. The lectures are as follows:

- March 18 - "Youth as seen from the Dean's Office", by Professor Otis E. Randall of Brown University.
- March 25 - "Employee's Entrance", by Professor Deane W. Malott of Harvard University.
- March 27 - Professor William G. Hoffman of Boston University.
- March 27 - Assembly Speaker, Mr. Howard J. Wischaupt of Cleveland, Ohio. "The Human Side of Business."

This brings to the students at BRYANT a fine group of professors, representing some of the foremost colleges in the country.

Their talks contribute a great deal to the value of the courses at BRYANT, and every possible effort should be made to attend.

On Wednesday afternoon, March 4, Professor J. Anton deHaas of Harvard University gave an interesting lecture, entitled "The Present Economic Situation."

POLITENESS — NEATNESS

During the past few weeks we have had emphasized to us the importance of "Politeness" and "Neatness." Already a marked improvement may be noticed, to the credit of the student body's attentiveness and willingness to accept sound advice.

We add our endorsement to this "Campaign for neater and more gentlemanly students."

After all, what we are in this world is what other people think we are. The impression we create results in others cataloging us in their minds, and it will help us all, especially in business, if we can help boost their opinions of us by improving our appearance and polishing our manners.

FACE THE SUN

Don't hunt after trouble
But look for success;
You'll find what you look for;
Don't look for distress.

If you see but your shadow
Remember, I pray
That the sun is still shining
But you're in the way.

Don't grumble, don't bluster,
Don't dream, and don't shirk,
Don't think of your worries,
But think of your work.

The worries will vanish,
The work will be done;
No man faces his shadow
Who faces the sun.

FRATERNITY-SORORITY RUSHING (Cont.)

Fortunate indeed is the young man or young woman chosen from the entering Freshman class to become a member of these secret societies. It means the forming of friendships that will endure through life.

Following the Rushing Period will come Pledge Week, during which time bids will be issued and pledges accepted. Then comes the period when the halls and campus resound with the pranks and problems presented the initiates.

HEALTH

Nor love nor honor, wealth nor power,
Can give the heart a cheerful hour.

When health is lost, be timely wise;
With health all taste of pleasure lies.
