Sundae day

Someday dear,

You said that you wanted me to write more often well I'll try to anyway right now I'm off to a good start it's just about quarter after one am you left about a half hour ago how was that don't ask me what took me so long Dick Francis makes.

The parade we took today should be back by this evening maybe I've got them all ready to mail and can't I only don't forget to mail them.

Golly I'm so sleepy it's pitiful this wait be a very long letter because I have to leave soon for Woody's Room.

That should be great I'll probably sit and yawn in people's faces all afternoon I'm sure they'll enjoy that lot.

Every weekend seems to go so fast now golly the week seems to have gotten a couple of extra days thrown in somewhere just to make it longer I sure hope this week goes faster than next week did
Do you have much trouble reading my letters? I just glanced back at what I wrote and know anyone can ever read it is beyond me. Maybe it's because I'm so tired that I scribble. Anyway that's a pretty good excuse.

Did Tom, that's his name isn't it, have a nice fine Saturday night? They were lucky to catch us when we were going into the Rodeo. I had forgotten all about the Long-Jump.

It's too bad that you were disappointed in the Rodeo. I liked it a lot. It was so different from anything I had ever seen before. Those poor little calves. I felt so sorry for them when they missed their racks practically broken in half. The way they dug the spurs into the horses made me sick. How can people be so brutal to poor animals?

No wonder they bolt.

This Saturday I'll go riding, I think. That should really be good. If I get sore it will be tough if we go to that broadcast. We'd have
to go some place where there was standing
room only. Did you get tickets? Do you
know what we both forgot to do? Call
the Island—see if it's still open. If it
is from now on your name will be mud.

Oh, the battle of the bootblacks is over.
He just said something about the king
Frankie, sings something or other (new
song). Maybe he was talking about some-
thing else but that's the station. (The
song was "I Could Make You Care"). Does
Charleston have two or's? It looks peculiar.

Hope that you don't have to fly
next Saturday. It doesn't take very long
for you to get home does it—st. here's
the Pape score—Frank Sinatra—3,440,672 +
Bing 3,400,416 or something like that. He
said it so fast I never could write
numbers. (Claude Thornhill is playing "whale
or "whale"")

How did you do in that instru-
ment check? I hope it was real easy.
you passed easily. When is your
40 hour check? I hope that isn't on a
Monday too.
well, hon, it's fine for me to go over to see Woody. This is a sneaky letter but all my letters are crazy. Please write soon & I'll answer all your letters & write as often as you do. OK?

Lots of love.
