Dear Boy Scout Service Club

I received your letter of Nov 7
about a week ago and with a very approximate bearing
about so many of my old classmates. We
don't try to spread out over my profile every
bit it never occurred to me that I would be
sitting in a temporary residence in England
anything is really much. The same day after
I was in the same location I
would almost believe that I'm taking permanent
residence, the rate has been going. They keep me
busy at the office and I find myself of some interest
ing. So far our surroundings have been quite good
and I'm hoping that this will not last for a long time
kind of correspondence, but it is our link with
home and that is priceless to all of us.

The 9th is going on a special job to Berlin and
we all hope that Johnny will soon capitulate but
let's not let anyone else the fattest out on the
home front until she does.

I am at present listening to a broadcast
of one of Jack Benny's shows. I think these
radio programs hold a great deal for keeping
our minds busy.

Just send and wishing you all a Merry Christmas
and a happy New Year!

Love,
Frank
