Dear Boy Scout Service Club

I received your letter of Nov 7  
about a week ago and with a little apprehension, bearing  
in mind the many of my old classmates who  
I had to spread out before my eyes, I was  
at it, and I was glad to see that I would be  
getting a new address, residence in England  
anything is really much the same, but after  
reading it, in the same location, I  
would almost believe that I'm taking permanent  
residence, the rate has been going. They keep me  
busy at the office and I find it of some interest  
ing. So far our surroundings have been quite good  
and I'm hoping that this will not last for a long  
time of correspondence, but it is our link with  
home and that is priceless to all of us.

The 9th is going on a special job to Berlin and  
we all hope that Johnny will soon capitulate but  
it is not let up on either the front or the  
home front until she does.

I am at present listening to a broadcast  
of one of Jack Benny's shows. I think these  
radio programs hold a great deal for keeping  
our hearts light.

Just send and wishing you all a Merry Christmas  
and a happy New Year!

Love,  
Frank
