Bryant Service Club,

Thanks for sending the addresses of my Bryant Classmates and also for the letter, which I found very interesting. You are doing a splendid job and I know the fellows in the service appreciate hearing from you as I do. We are all anxious to learn where our old friends are and what they are doing and your letters keep us posted in this respect.

Please give my regards to Mr. Ripley and Mr. Gardner Jacobs as well as the rest of the Faculty. If ever I am fortunate enough to get to Providence I will certainly enjoy stopping and talking with you all.

I have had a change of Station since last writing you and am therefore enclosing my new address.

Thank you, again for writing and I hope we will hear from you soon,

Sincerely,

Don Walker
