Dear Sir:-

Our son, Richard C. Wabath
wished us to drop you a line to
let you know his new address, since
he has left the country, for your
service club at the College. He asked
me if I had heard from you of late
as to his whereabouts and has so
enjoyed has been very grateful for
the cigarettes and etc you have so
kindly sent him while in service. So
in case you would like his new address
I would like to give it to you. I am
sure he will be glad to hear from
Bryant at any time, and speaks so
many times in his letters of Bryant.
God bless all the sons who are in
service now, and may we have an

early Victory, so they can soon come
back to their loved ones.

Thanking you for your kindness
Mr and Mrs Caleb B. Walrath
