PLACEMENT BUREAU REPORT SHOWS INCREASE IN CALLS OVER 1935

The report from the Placement Department this month shows that the calls up to April 25, numbered 62, as compared to 40 for the entire month of April in 1935.

This increase is due to many causes, one being the better business conditions, and another the efficient work being done by Mr. Ripley, Director of Placements.

Great men train themselves to see, seize, hold and master Opportunity.

ALMA MATER

1.
Hail to thee, our Alma Mater,
Loudly we will sing thy praise,
Proud to wave thy noble standard
Till the end of our days.

2.
Sons of Bryant marching forward,
Down life's lanes to victory,
Proud of their Alma Mater,
Ever loyal to its name.

3.
Now our college days are over,
On our future hopes we dwell,
Thankful for your kindly counsel,
Alma Mater, fare thee well.

Refrain
Sons of Bryant marching forward,
Down life's lanes to victory
Proud of their Alma Mater,
Ever loyal to its name.

"ALMA MATER" WRITTEN BY FRANK AND PATRICK FALLON

Frank Fallon, Class of '36, and his brother Patrick, Class of '34, have written the music and words for the ALMA MATER song printed above.

The song has been written to music with a true sentimental tune and proved popular when played at a rehearsal of the Concert Orchestra.

Mimeograph copies have been printed, and the song will be tried out at an assembly in the near future.

FIRE DRILL TO BE HELD

One of these fine mornings the first fire drill to be conducted in the new buildings will be held.

Warning of fire will be given by a continuous ringing of the regular period bell in a succession of short rings.

Students, in responding to the alarm, are asked to abide by the procedure of passing arranged, so as not to interfere with the orderly passing from the buildings.

PLACEMENT DIRECTOR TO SPEAK AT ASSEMBLY FRIDAY

A real treat is in store for the student body at Friday morning's Assembly this week when Mr. Harold D. Ripley, Placement Director at BRYANT, will give a short talk on "THE ALL IMPORTANT QUESTION."

Mr. Ripley is well fitted to talk on the subject of Employment and Employers for he has been in constant contact with the business men of Providence and vicinity for the past seventeen years as well as having been in direct correspondence with some of the largest firms throughout the country.

His message to the student body will be one well worth hearing and one that should open the eyes of many who hope to go out into the business world upon completion of their courses.

TAU EPSILON PLEDGEEES KIDNAP FRATERNITY PRESIDENT

An amazing incident happened during the hazing of the Tau Epsilon Fraternity pledgees when the plodgees lured the President of the Fraternity into a car and on the pretense of taking him home, took him for a real ride into the country for thirty miles and then asked him to step out of the car.

Needless to say the culprits were caught and punished, and the mileage walked by the President was small compared to the penalty inflicted on the rebellious pledgees.

FRATERNITIES AND SORORITIES JOIN IN EFFORT TO MAKE BRYANT GIRL TERCENTENARY QUEEN.

All of the Fraternities, Sororities, Clubs and Classes have joined together in a combined effort to help Miss Dorothy Parker, BRYANT'S selection for the Tercentenary Queen, win the award. With cooperation and hard work the student body will surely give a good account of themselves in this contest. We are all for Miss Parker and sincerely wish her success.

OPPORTUNITY SPEAKS

"Master of human destinies am I!
Fame, love, and fortune on my footstep wait.
Cities and fields I walk; I penetrate
Deserts and seas remote, and passing by
Hovel and mart and palace, soon or late
I knock unbidden once at every gate!
If sleeping, wake; if feasting, rise before
I turn away."
