

10/20/43

Dear Friends;

Your Memorial Day letter finally caught up with me over here in "sunny" Italy. Thanks a lot for the names and addresses, but how about a later list of the boys of '39 and '40. I sure would like to know if some of them are over in this particular part of the world.

Have been writing to Bill Lambert out at Ft. Benj. Harrison and he has said that Dick Havens, '39, is out there with him.

much more than Africa.
I have seen Morocco,
Algeria and Tunisia,
and wouldn't trade the
worst part of the U.S. for
any of it. Italy evidently
was not looted the way
that No. Africa was by
the Germans and it is
the nearest thing to the
U.S. I've seen yet.

Give my regards to Prof. Vinal,
Shors & Sulski and
save a place for me at the
banquet.

yours truly,
Dick Fogwell
