Dear Bryant Service Club:

I have just received your most welcome letter-bulletin and I wish to say that it is as wonderful a missive as I could hope to receive.

I had heard that my classmate, Ben Suda, was missing ~~so~~ in action. Imagine my joy to read that he not only had been found, but that he was back in this country and had visited Bryant.

Words fail me to describe the ~~the~~ ~~the~~ I derive from reading of our different students returning for a visit; of Mrs. Costas blessed event; of Mr. Naylor's

eventful step. In my opinion that  
pretty "school-marm" in Woonsocket  
sure got herself a prize package.

I'm sorry to hear that Scott  
House no longer houses boys. I  
spent an extremely enjoyable  
semester there back in '39-'40.  
I believe a few members of the  
faculty still remember that group  
of fellows & their merry pranks.

I've done a bit of traveling  
since my last correspondence,  
which was from Atlantic City,  
N.J. Since then I have been  
to Greensboro, N.C., Scott Field, Ill.  
and now Travis Field, Madison,  
Wis. I am preparing to enter  
Radio Mechanic School & have  
hopes of going into the field of  
Radar.

at this time I have not  
received your Christmas package  
but I shall certainly inform  
you when I do.

Sincerely yours.
