It certainly is quite charming  
to receive gifts from the generosity and  
good-fellowship of students that  
I've never seen and it is with deep  
appreciation and gratitude that  
I acknowledge the receipt of your  
most welcome gift.

As you probably recognize I am  
now a 2nd Lt. and have traveled quite  
extensively in the past few months with  
different organizations. In fact I  
have been in about 18 states and at  
least 12 or 13 different posts.

It surprises me to think of the  
long way your gift had to come - but  
nevertheless it finally reached me -  
even out in the woods on maneuvers -  
which makes the thoughtfulness on  
your part doubly surprising.

There isn't much I can say except  
to thank you as a group & as fellow  
students and to ask you to keep up  
your good work on the home front -  
we'll take care of the field.

Sincerely,

R. E. Bigler
