Providence, R. I.

My dear Friends.

Received your very interesting letter. After reading it, I let a few of the Boys read it, they also said what a very interesting letter it was.

Sorry to hear you did not receive my letter thanking you for cigarettes, which you sent to me May 28, 1943.

I know this is the wish of all Bryant men in the Service, the end of this War and to attend the Bryant Alumni Re-Union.

Yours Truly  
Cpl Leon P. Bora
