Bryant Service Club
Providence, R.I.

Dear members,

Hello there. I received your Christmas package and letter and was happy to have heard from you.

I am lucky to be back in the States this year for Christmas and only wish that it were possible for all the boys to be home.

All the Bryant graduates I know are happy to hear from your organization. Keep writing to the boys overseas as a letter, card, newspaper, etc., is all that a fellow over there has to look forward to. A boy over there is happy if he knows that the folks at home have taken a few minutes to drop him a line. He knows that he is not forgotten.

Keep up the good work your organization
is doing. Merry Christmas and Happy New
Year to you all,

Sincerely,

Richard E. Cardozo
