Dear Friends,

I thank you for the tobacco
and the letter.

Glad to get some news about
former classmates even though it
may not be good news. Buss
Frechette was a good friend of
mine.

Heard from Henry Kovacs #1
recently. He is stationed in
England.

My address has changed since
I last wrote. I now live in
202 Streeter Hall instead of 103
Mass. Hall.

Sincerely,

Garud L. Dubanel
