

U. S. ARMY AIR FORCES

August 26, 1944

Dear friends,

May I thank you for the gifts which I have so generously received from you since I donned the olive drab?

I'd like to add my few words of gratitude to the many you must daily receive from the various scattered alumni of Bryant College.

These past few months since leaving Tomah, Wisconsin, I've been bathing in the Florida sun at both Ft Meyers and Venice Army Air Fields working on the flight line as radio mechanic and as CNS mechanic. From there I've come here to start a six week course in electronics; from there I know not what lies in store.

Thanks again and good luck to you all.

Sincerely yours,  
Roger B. Laioni
