August 27 1942

Dear Service Club

It's been some time now since I've left the United States. I wonder where some of my former comrades are and will I ever meet any of you? I would appreciate receiving the address also, if it's possible. At the very least, writing me for so my regards concerning, General Log and General Lane. Both are now in the hands of the United States General Business, understand, it is the Navy and Army well. How's the facility coming along? No letter come and naturally coming sooner.

Behind my former want to thank you about for the few letters you've already sent me. There isn't much in the way of information here & I miss letters as much from the US. Highly Appreciated. We're coming along ok. We're stationed in ...

Well, hope August is coming along and that you have to say. Machinery, what I think say it I can't remember. I'm saying it to say well, anyway, it's 1942 and want to wish you all good luck and continued health.

As Ever
