Mr John Benza:

Dear Sir:

Please extend my sincere thanks to the Bryant service club for their kindness in sending some gift to my son.

I can assure you he will be most grateful as will all the other boys in service.

You are doing a wonderful work and should be congratulated. It is acts like this that make army and navy life a lot easier for the boys.

May God bless you and help you in your work.

Sincerely,

Mrs Margaret Prochford.
