Dear Club Members,

Thank you very much for your thoughtful gift; you can  
can rest assured that I appreciate it wholeheartedly and  
from the bottom of my heart too.

As one of the founders of the Service Club, I predicted  
the success of its good deeds which many service men are ben-  
efiting throughout the land. While I was attending the Institu-  
tion, the Club was progressing rapidly and was under competent  
management.

In closing, may I express my gratitude for the gift once  
more, and may the Bryant Service Club keep up its good work.

Respectfully,
