Dear Jeanne

I meant to tell  
you in my last  
card that I found  
my fountain pen  
so I'll send yours  
back as soon as  
I get a hold of some  
paper.

I've been here a  
week now & I haven't  
had one letter on  
the ball!

It's really kept  
hopping. They try to  
teach ya in 3 hrs what  
it would normally  
take you 3 yrs. But  
I love it.
