Dear Miss Blaney,

Just a line to say hello, this,  
and to say thanks thru you to the  
Bryant Service Club for that box  
of sweets.

I've just recently arrived at this  
camp via Greensboro, N. C., and Sioux  
Falls, S. D.; this is a school for radio  
mechanics of the Army Air Force.

It was pleasant to be again  
remembered and I should like to  
extend my appreciation.

Sincerely

Roger Gaioni
