The Bryant Service Club

Gentlemen,

This is to acknowledge the receipt of your Easter box of candies which I have found to be very enjoyable.

I know the Club is sending many packages outside the continental limits of the United States but I want you to know that none of the boys or girls appreciate your packages or letters any more than I do. Please keep up the wonderful work that you have all been doing since this war began because I know from my own feelings the boys overseas must get a tremendous kick out of hearing from the college.

With all best wishes to the Club,

the faculty and the student body of Bryant  
I am

Gratefully yours

Frank Garrison (34)
