ARMY AIR FORCES

Spence Army Air Field  
Moultrie, Georgia

January 28, 1945

Dear Friend at Bryant

I received your box of candy just before Christmas but in as much as I was located at another air base at the time I did not answer. Thank you very much for remembering me.

With some inducement on my part the Army has made me Transportation Officer. My duties include the supervision of all rail, truck and bus movements off the post, both for freight and passengers. If any of you could come down and visit me I will give you a ride in my locomotive.

Thank you again. The best of luck with your activities.

Yours  
Wray Hammond  
Professor
