UNITED STATES NAVY

Dear Bryant:

Just a short note of acknowledgement and thanks for the cigarettes received recently. My only excuse for not having expressed my thanks before is that I just haven't had time.

At present I am doing some instruction work at the Fighter Pilot Squadron in Pensacola. They call us the A.C.A. - Americans Criled in Alabama, the only consolation being that we are flying - and a great deal too.

Shortly I expect to be out in the fleet with some of my classmates & now heroes, namely Al Stanwood & Ben Seuda. They're really doing a grand job!!!

So, until next time I'll shoot off for a while. Many thanks again.

Sincerely yours,

Ken Wheeler
