BIRTHDAY NUMBER

OCTOBER, 1937

HAPPY BIRTHDAY, PRESIDENT JACOBS

The entire student body, the Faculty, and the Administrative Staff unite in wishing you a Happy Birthday and many, many more years of health, happiness, and prosperity.

May some of the countless kindnesses you are extending to all of us every day, every hour, come back to you twofold, and may each of your coming Birthdays bring a bigger and better Bryant, reflecting your courage, your undaunted spirit, your clear vision, your superb

integrity of mind and character.

It is YOUR Birthday, but we who have such a President, such a Friend, are the ones who should be congratulated. We who have the privilege of knowing you, who have the advantage of your kindly counsel, will carry through life the rich, warm glow of your dynamic personality and fine, strong friendship.

Again, a very Happy Birthday --and many, many more of them.

LORD MARLEY'S LECTURE

The lecture by The Right Honorable Lord Marley, D.S.C., J.P., D.L., a Deputy Speaker of the House of Lords of England, promises to have a capacity-testing audience. Lord Marley's lecture, "The Danger of War," is one of especial interest at this time, and there are few men so admirably qualified to speak upon the subject. A distinguished statesman, a brilliant speaker, a man of charm and virility, Lord Marley is worth hearing.

The lecture is free to the student body and their parents and friends. Representatives of the Rhode Island Peace Society, the League of Women Voters, the Business and Professional Women's Club, the British Empire Club, the Quota Club, Girl Scout Leaders, Boy Scout Leaders, and other prominent educational groups will be present.

MISS FRYER COMING

Miss Fryer, Personnel Director of the Rhode Island Hospital Trust Company, will address the members of the Secretarial Division on Friday, October 29th, at 1.55, in Stratton Auditorium.

Miss Fryer is one of the most brilliant business women of Providence, and will have some interesting and constructive suggestions for Bryant students.

ALMOST HALF OF THE CLASS OF 1937 NOW EMPLOYED

Less than two months after graduating, 118 members of the 241 in the Class of 1937 are employed in responsible business positions, through contacts made by the Bryant Placement Bureau.

NEWS OF THE SORORITIES AND FRATERNITIES

The past week was a busy one for the Fraternities and Sororities. Rush Week brought many parties and committee members brought into play every guile and blandishment they could summon to attract new members. Beta Sigma Chi even issued its own little News Sheet, a well written, newsy little sheet which was in great demand by Bryant students.

There is no question but what membership in a Fraternity or Sorority, with the pleasant friendships which it brings--life-lasting friendships often -- is one of the really valuable and pleasant features of college life.

Beta Sigma Chi announces a Harvest Dance to be held in Stratton Auditorium, Friday evening, November 5th, from 8 to 12. Refreshments will be served. Tickets may be secured from Chairman, Ernest Johnson or any other member of Beta Sigma Chi.

* * *

Phi Sigma Nu and Tau Epsilon held very successful Smokers last week. If the good time everyone had is a sample of the affairs given by these Fraternities, its members can anticipate some very pleasant times this year.

Robert Barrett, Captain of Bryant's Basketball team, has been installed as President of Beta Sigma Chi. Ernest Johnson is Vice President; Alexander McPhillips is Treasurer; and Thomas Murray is Secretary.

AUTHORITY ON VOICE TECHNIQUE COMING

Miss Elizabeth Ryan, well-known American Telephone and Telegraph Company Executive, will address the Bryant student body at Assembly, October 22nd.

"The devil hath not in his
whole arrow's choice
An arrow for the heart like
a sweet voice."

To the business woman, a clear and pleasing voice is an invaluable asset, and no big organization has been more successful in developing pleasant voices among its employees than the Telephone Company. Miss Ryan has helped thousands of young men and women to cultivate an agreeable, musical voice, and some of her very valuable advice will be shared with us at the next Assembly.

CUTS ALLOWED

Students are permitted five cuts a semester in every subject. For each cut over this number, a five per cent deduction is made on the daily average of the subject in which the excess cuts are made.

All students having cuts should report to Mrs. Stickney, Director of the Secretarial Department, or Mr. Barber, Director of the Business Administration Department.
