

Sept. 12, 1943

Dear Bryant friends:

After many months here I am again with a little news about a few of our Bryant servicemen. Since I've been on the move most of the time during the past 4 months I've lost contact with many of our boys, but seem to run into a few of them in my travels.

Pfc Eric S. Forrest who was president of Phi Sigma Nu 1939-40 is located at Det. 92 at J. M. C. Boat (Aon.), 12 Atlantic Ave., Bar Harbor, Me. Eric has been in the Army about 8 months, has been stationed at Atlantic City, N.J., and Baton Rouge, La. before going to Maine. Recently his engagement to Cyphemia MacMillan

of Knollwood Avenue, Cranston,  
was announced. I understand  
the will be married Wednesday,  
Sept. 15th. Eile is a Boat Clerk.

Wt. Sgt. Albert F. Wilcox, '40  
is still on the same old job as  
Chief Payroll Clerk at the hospital  
at Paterson Field.

Theron ("Ted") Johnson, '39 is  
a lieutenant in the 9th regiment  
here at Camp Lee. Pvt. Leonard  
Upham, '40 or '41, is now finishing  
basic and technical training after  
a few months service in C. F.,  
6th Q MTR, Camp Lee. He is married  
and has one child. He spent 2 years  
as a civilian worker in Newfoundland.  
Cpl. "Marty" Brennan, '41, is a  
clerk in the Personnel Office, 6th  
Q MTR, also at Camp Lee.

Since my commissioning last  
May 14th I've been at schools at  
Ft. Benning, Ga., Chicago, Ill., and  
several Camp Lee schools. I am just  
starting a one month course in  
preactivation training prior to activating  
a unit in Illinois and taking them  
over the pond.

Yours Truly,  
Paul B. Plunk
