Dear Miss Blaney,

Thank you very much for
your prompt reply to my
request for an official transcript.

I'd like to present to you
the addresses of few Bryant boys
that graduated with me and who
are now in the armed forces.

Pvt. Lawrence A. Italiano
41st T. S. S. Berks ⁷⁶⁴~~778~~

Lawry Field # 2
Denver Colorado

Cpl. Micheal Mathews, Jr.
Co. L. U. S. A. F. S. - NCOSec
Wake Forest, N. Carolina

(over please)

Roland Blanchette Av. Cad. U.S. U.S.M.R.
202 Stacy Hall
U.S. Navy Preflight School
Chapel Hill, N.C.

George Bunnell is also in the navy. I have not his latest address.

Larry Stahans has sent ^{me} two letters. In each letter he mentioned the Service Club. He said he hadn't heard anything from them. He said, "After all, it's a pretty tough job to keep in touch with so many soldiers as there are today."

I sent him a letter assuring him that he had not been overlooked, and promised that I would turn ⁱⁿ his new

address to the Bryant Service Club. I have now done so.

Miss Blaney, I am now working on a plan to make a "dime" collection from Evening School students. It may take time, because it's a lot slower movement for extra-curricular activities in Evening School.

Thank you again.

Sincerely yours,
Leonard

P.S. I met Bob Marshall's father at Nicholson File Co. He told me that he thought that the Bryant Service Club was a grand organization and deserved many, many thanks.
