

\$5. Enclosure

Bristol, R. I.
July 11th 1944

Gentlemen:

I wish to thank you again for kindness to my son, Staff Sgt. Bertram F. Bullock, Jr. It is indeed a very fine thing you are doing in remembering the graduates of your College who are in the Armed Forces of our country.

I am enclosing a little donation for the very excellent service you are rendering the boys.

Bertram is now on the West Coast; his headquarters are at Municipal Airport, 321st Wing

Sacramento, 17, California. His work takes him up and down the coast.

Thank again for your kindness to my son.
Sincerely yours
Mrs. B. F. Bullock.
