My Darling,

This will have to be very short
honey, I eat dinner in 25
minutes.

Gosh another week gone by
the time is really going fast,
on it has this week because
I've been so busy.

~~last~~ night The night before
last (Wednesday) I flew two
night xcountries. They were
very easy. Easier than day-
time I think. There's a
system of lights and
beacons all over the country
that you can use for
check points, and because
there's nothing else visible

they're all you can see for
miles and you know just
where you are all the time.

Your wedding dress sounds
swell honey, I know I'll like
it, gosh look who'll be in it!

I fly again tonight to
finish my last two x-counters
one high altitude, about 29000,
so that's why I'm flying
tonight.

We don't get any open
post this weekend, we've
flying all day tomorrow and
Sunday so I won't be
able to get the wings until
next weekend.

I don't know when the
anniversary dance is. Friday
I hope. I think I'll be able
to get Charlotte a date

II
but most of the fellows are
having their girls come down.
But I think I can get
somebody for her. I'll let
you know as soon as I
find out when it will be honey.

Honey you looked so
different in those pictures you
sent me. I like your hair
much better the way it
was when I was at Stewart.
You looked alot like Paulette
Goddard then, I think. Please
don't forget to send me
those pictures we took in
front of Felix's especially
the ones of you honey.

That Flight officer exam
determines by 15% of your
final rating whether you are
going to be a flight officer

or not. a high mark helps
you ~~do~~ make 2nd Lt. a
low mark Flight officer.

But that isn't the deciding
factor, it only counts 15%.

Did you like "Winged Victory?"
You saw it Monday didn't
you?

I saw "Roughly Speaking"
the other night, and I think
Mona is in it, too. She
plays the part of some kid,
she looks about 14. I think it
was her, it sounded and looked
alot like her, but they sure
give her childish parts.

I'm glad you've only got
a few more days at that
grind home. It must really
be rough, well you'll know
better the next time, if there
is a next time

III
So you think all men are babies, huh? Well I suppose you think women act their age. Frankly I haven't seen one yet!

I'm glad you've gained some weight honey, you could have used a little, in spots, when I was home Christmas. Getting those tonsils out was just what you needed, they must have been poisoning your whole system. How do you feel, though darling? Besides tired, do you feel any better since you had the out?

I wonder what Steve's got cooked up. I'll try to find out when I see him again. I'm afraid he's giving that girl a line. I know damn well she doesn't

mean a thing to him. But
I can't blame him, I've done
the same thing myself. But
how things have changed,
must be love.

Well durling only five
more minutes.

How could I tell you
how much I love you in
five minutes, or five years.
I can't even begin to tell you
how much I miss you and
think about you.

Honey, I love you with all
my heart, and think of you
all the time I'm awake, and
dream of you every night.

I love you durling.

As ever
