# BRYANT COLLEGE ALUMNI QUARTERLY

## Late News

► DEAN MERCIER is the father of a 6 lb. 10 oz. baby boy, as of October 5th. A request for cigars and the name of the new son and heir both met with a dignified silence.

► CHI GAMMA IOTA, the former Ex-Service Men's club, opened the college social season with a bang-up affair. They rang up an attendance of 574 with their "Continental Cafe" dance. Bob Belanger, President, sparked the affair.

► TAU EPSILON not to be outdone totted up a total of 500 dancers the following Saturday night. They celebrated the beginning of the football season by calling their event, "The Kickoff." Goal posts and pennants added color to the dance.

► Believe it or not PROFESSOR VINAL has invested in a new hat! It is not known whether the ancient and honorable number he's been wearing for the past umpty years collapsed and gave way like the "one hoss shay" or whether Friend Wife finally won her point.

► PROFESSOR HANDY is busy hunting new talent for his musical clubs. Last year the Glee Clubs and Orchestra gave concerts on the campus, over the radio stations, and at the Naval Reserve Ball. They're still talking about the "Headliners Variety Show" these groups put on last Spring.

## ► From The Mailbag

DEAR BILL

► Believe me it's good to have gotten started on our Mohawk Valley Alumni Group. You asked for some criticism on the *Bryant Alumni Bulletin* . . . well, here goes! In the first place, I have felt many times that there is too much use of superlatives . . . I think it makes for better reading to underplay a subject.

Let's have more facts . . . less polish under such trite headings as "Stork Stories", "Cupid's Capers", etc.

I think unusual achievements warrant special attention. And let's have more of what's going on at the College today!

Bryant has such an active student body that their activities should be kept known. I know I should like to know how Sigma Lambda Theta is making out these days.

This has been hastily written, and if I've seemed rash, I love Bryant and its ways even so!

*Sincerely,*

ROSEMARIE BUDKA '47

► Sequel to Bryant Romance, (above) Mr. and Mrs. Curt Helbig (she is the former RUTH KARSTENS '47) met at Bryant, married and went on to a joint business venture, the first jewelry store to be opened in Mt. Prospect, Arlington Heights, Illinois.

► When you're in the vicinity of Cumberland, don't be surprised if you see PROFESSOR HENRY LEE astride his "iron horse" plowing the fields. After a lifetime as a city dweller, he's gone native with a newly bought farmstead.

► MRS. BERNICE HUGHES (the former BERNICE CONNELL '46) would like to hear from Bryant alumni living in and around her new home in Miami, Florida. Her address, 555 N. W. 26th Street. Bernice's husband is with Pan-American Airways.

## HOW DO YOU LIKE OUR NEW DRESS?

We've rechristened ourselves as your QUARTERLY and now we're sitting and waiting for the brickbats or bouquets! Please write and tell us how you like us . . . especially criticisms and suggestions. Or write about anything that concerns you as an alumnus of Bryant!

► "THE MASQUERS" are planning an ambitious schedule for their dramatic program. Four one-act plays and four three-act plays for the campus and a series of radio dramas for Providence stations. Miss Mary T. Carmody, graduate of the American Academy of Dramatic Art in New York City, has been appointed their new coach. Miss Carmody has directed the "Black Friars College Guild" and the St. Paul Players of Edgewood.

## ►► Peak Enrollment Marks Eighty-Seventh Year

750 new students entered Bryant this year, which brings the student body to a total of nearly 2300. This is the first year that the college functions under its newly formed charter as a non-profit institution.

The selection of courses shows a distinct emphasis on Business Administration, due perhaps to the newly added classes in merchandising and salesmanship.

### ► Four New Faculty Appointments

GEORGE R. BEECH, a native of Lynn, Mass., received his Bachelor's and Master's Degrees from New York University. He has also done special work at the University of Maryland. He was associated with the J. C. Penney Company and an accounting firm in New York. He joins Bryant after a three-year stay as Assistant Professor in Advanced Accounting at William and Mary College, Williamsburg, Virginia. Mr. Beech served for four years with the rank of Major in World War II.

ANDREW C. HANCOCK has been appointed to the school of Business Administration. A graduate of Georgetown University, he has studied at the Law School of this institution and has had many years of experience as an accountant and auditor.

MILDRED E. TAFT is the new Professor of Accounting and Mathematics in the School of Secretarial Science. A graduate of the College of Business Administration of Boston University, Miss Taft also received her Master's Degree in Education from the same school. After pursuing special work in the Gregg College of Chicago and at The University of California, she taught for eight years at the Colby Junior College and for two years at Katharine Gibbs in Chicago and Boston. Miss Taft is the author of a new textbook on, "Office Procedure", published by Mac-Graw-Hill.

ROBERT A. MEEK will teach Business Administration Typewriting in the School of Secretarial Science. Mr. Meek is a graduate of New York State College for Teachers, Albany, New York. He also earned his Master's degree at the same institution. An ex-serviceman, he served for four years in World War II.

### ► Foreign Students

From far and near they come to Bryant. The current enrollment includes students from Hawaii, China, Greece, Bermuda, Honduras and one "Eyjolfur Sigurjonsson" from Iceland.

### ► Freshman Activities Resumed

A freshman class gathers in front of Memorial Hall for Vigilantes' roll call. Freshmen not answering roll call or wearing beanies were given demerits.

For the first time since 1938, Freshman activities were resumed on campus. On Monday, September the 12th, the first day classes began, Freshmen walked about the campus with their head gear and buttons passing the watchful eye of the upperclassmen. Members of the Vigilante Committee, wearing orange arm bands, gave punishment to Freshmen, who violated the rules of conduct.

At "The Liberation Day Dance" on October 8, freshmen discarded beanie and button in a ceremonious ritual . . . yes, on bended knee! The dance abounded in school spirit. The Freshman class attended en masse at the special invitation of the Student Senate.

# SPORTS IN VIEW .... AND REVIEW

## ►► Emphasis Placed On Intra-Mural Program

The over-all planning at Bryant is now being designed to include a greater number of students in the athletic program. Consequently more emphasis is placed on intramural sports than on varsity. It is felt that the physical well-being of the student and the development of his sense of fair play will contribute to his success in the business world.

### ► Varsity Track

The Bryant Indians have completed but one year of Varsity track, however, the success of this first year was so encouraging that this sport has become established as varsity on the campus. In competition, this team took third place ahead of Boston University. The results of the 1949 outdoor season are below, however these totals do not indicate a true picture of the tremendous spirit and push of the team.

### ► Varsity Basketball

The possession of the Southern New England Coastal Conference trophy speaks for the success of the Orange and Black 1948-49 basketball season. Read below for news of how the trophy found its way to Bryant.

# NEWS from ALUMNI CLUBS

## ►► Home-Coming Day To Be Held In The Spring

► In the February issue of the *Alumni Bulletin*, alumni were asked to express their opinions as to the time most advisable for Homecoming Day. Trying to poll the opinions of several thousands of widely scattered alumni appeared to be a gigantic job. So with apologies to your right to vote, the College with the encouragement of many alumni has changed the date from November to May of next year. The probable date will be May 13, 1950.

November weather is somewhat harsh. And, like some bears, many alumni are settling down to hibernate for the winter making it difficult to get them any farther than the corner grocery store. It is felt that the merry month of May will make a trip to Providence more inviting for a Homecoming Weekend.

### ► MOHAWK VALLEY

September the 14th marked the organizational meeting for the Mohawk Alumni. Miss Rosemarie Budka '47, acted as temporary Chairman until the election of officers had been completed. The Chair was then turned over to President-elect, Marilyn LaFrance '46. Other officers elected were Rosemarie Budka '47, Vice-President; Elda Shumacher '46, Recording Secretary; James E. McDonald '49, Corresponding Secretary and John J. McKenna '49, Treasurer.

This meeting, which was held in Schenectady, New York, was attended by Mr. Walter Currie, College Counselor, and Mr. William E. Connor, Alumni Secretary. It was a spirited get-together and plans were formed for a general meeting of all alumni within a radius of fifty miles of Schenectady to be held November 5th. If you live in this area and do not receive any notice of this meeting, contact James E. McDonald, 1760 Becker Street, Schenectady, New York.

### ► CONNECTICUT VALLEY

The Connecticut Alumni Association of Bryant College held their meeting in West Hartford, Connecticut, Saturday, October 1st. Thirty-five members of the Association and their guests were in attendance.

It was voted to hold the first meeting in January of 1950 in Hartford, Connecticut. The officers of this group are looking forward to an increased membership.

Kenneth Buongiorno '47, was appointed Chairman of the Membership Committee to be composed of the following representatives in the cities as indicated:

James Moynihan '47, Springfield; Phyliss Long '39, Meriden; Emile Riendeau '48, Bristol; Lucille Gotsell '46, Thomaston; Frank Goodwin '42, Torrington; Thomas Doyle '48, Worcester; Andrew Torrence '49, Manchester; Myrtiss Clapp '48, Hartford; Norman Rogers '49, New Hartford and Winsted; Madeline Gnazzo '45, Plainfield; Audrey Jean Pollard '48, Berlin and New Britain; Frank Addario '47, Philadelphia; Francis Devine '48, Thomasville; George Barlow '48, Norwich; Joseph Riella '48, New London; Edward Quinn '48, New Haven; Connie Lecznar '47, Holyoke; Alice Baldwin '45, Hartford; Rose MacDonald '47, Hartford; Russell Potteren '49, Manchester.

Madeline Nazio was appointed editor of a periodical news letter to be published by the Association. Interested alumni, who have not been contacted for membership in the Connecticut Valley Alumni Association of Bryant College should write to the Corresponding Secretary, James Moynihan, 56 East Alvord Street, Springfield, Massachusetts.

### ► NEW CPA FOR CONNECTICUT

Herman R. Rosen '41, passed the CPA examinations in May of this year.

Mr. Rosen was an AF student and President of Sigma Lambda Pi Fraternity and the Key Society. His home is in Winsor, Connecticut. After he was graduated from Bryant, he served with the Military Intelligence Service as Finance Officer overseas.
