

Dear Maugie —

Just a note to put
in to Gracie's.

Have enjoyed your
letters very much and hope
your three weeks down there
won't be all bad. The struggle
for the tubes and pieces used
to get me too.

We missed you at
the party last night - which
was fun and worth while
but a lot of work. We started
at 2:30 and being up the
dish clothes at 11:30. I was
among the cooks, and did
up the french fries.

We'll be seeing
you soon. Take care of yourself
at those fish ponds and things.

Love

Anna
