Tuesday

My Darling,

Well, another day has gone by - I didn't mail the letter that I wrote you last night so I'll mail it with this. Anyway, today I got three dresses - 2 for me and 1 for mother. One is red with white print. The other is a black and white western print top with a black crepe skirt. Hope you like them but it's too late now. It's mail rest it print up Darling, only nineteen more.
dear Sally, and we'll be married.

It's snowing madly at present. It's snowing madly and it's snowing madly at night. It's snowing madly at night.

What a night! Just as the weather gets nice and the snow is melting, you can walk all night. Then it snows again. What a life.

I'll sure be glad to get down south. But then I'll probably wish it were cold again.

Gee, honey, I don't know very long. It seems years but when you think it's less than three.
weeks, it doesn't seem so long.

This week will go pretty fast for me because I'm not working and have something planned for every minute. Bobbie leaves for Texas today after tomorrow. Tomorrow I'm going to see them and Mom. They're bringing Ricky to Mrs. Risari's house to stay until Bobbie gets home from Texas. Then Mom & Bobbie and their two friends are coming over to see my things. They're going up to their house, I guess.

It's too bad that Bobbie has to go.
my wedding dress but it

isn't finished being fitted yet. She
wants us to send them out
picture right away. I sure
don't hope they come out well.

You take such a marvelous
picture and I always take a

Golly, honey, you've sure been...
doing a lot of flying. Havent you?
I hope you're not too tried when we get down there. When are you going to start instruments?
I wish that they'd get that case with darling. I think that you'd have
that off your mind.
How come they have changed
your address? Are you in a different
salon or what?
I didn't know they let you
fly two cross countries at once. How many hours have you had flying-

When do you find out what you'll

What is the deciding factor?

No, honey I didn't see flung

Victory. It wasn't playing. It was

"Thirty Seconds Over Tokyo" and
we didn't get to see it. "Winged Victory" is coming this weekend and we'll probably see it Friday night. 

It's really a shame that Mma can't even see a chance to look as beautiful as she is. I'm sure they'd only keep her and her cage off well, she's had pretty good parts so far. I'd love to see "Prairie Speaking" when it comes. It's such a relief to know that I don't have to work in that place anymore.olly, it really was getting me down.
Yeah, I think all men are baldies! Yes, women act their ages too. And it's true. How well, you haven't met the right people yet. What am I saying?

Well, you may be glad that I've gained some weight, but I'm fluish...

What spots could I have been sick from? It was the wrong ones that I gained it in! I feel much better! I'm not feeling so bad. Since I've had my tonsils out. I'm not working anymore...
my mind will be more at ease too.

Well, Honey woody has complete

faith in Steve. She hasn't heard

from him in two weeks now.

He sure is handling her a fine-

I just hope he means it - woody

really would feel awful if she

thought he didn't mean it.

How much I love you but I'm
going to spend the rest of

It won't be long now,
i'm only a little bit younger.

Surely till we're together again.

Oh, I think it would be

She's not in any condition to

Woodie is going to New York. I wish I could come, but I have to get to work. Bob Hope will be on TV at about 8. I'll try to call you before I get home. I hope I can write you soon.

When this is over, I hope to see you. I love you so. It will be so nice to see you again.

Long until we're together. I'll love you and think of you.

Always,

Dottie
