## COVER

The cover photo of the 1970-71 Bryant Basketball Guide is a full scale artist's concept of the new Bryant College campus in Smithfield, R. I. The historic move to the Smithfield campus will take Bryant just twelve miles away from its present campus site in Providence, where the College has been located since its conception in 1863.

The new campus, slated for completion in the fall of 1971, occupies 220 acres of land in one of the most scenic areas of Rhode Island. The highlight of the new campus for the Indians basketball team will be the new Physical Education Facility. The new home of the Indians will house a 2,700 seat gymnasium in addition to spacious locker rooms, exercise rooms and athletic offices.

The new campus also will include dormitory facilities for over 1,000 students, a library with a 100,000 volume capacity, a student activities center with an indoor swimming pool, dining facilities and special student activity rooms.

# TOM FOLLIARD

Head Basketball Coach  
and  
Athletic Director

Tom is beginning his third season at the helm of the Indians. The former Providence College standout came to Bryant in 1967 as an assistant to head coach Tom Duffy. In 1968 he succeeded Duffy as head coach and also was named Bryant's first full-time athletic director.

Tom, a native of Washington, D. C., was a defensive standout on P.C.'s 1961 N.I.T. champions. After graduating from Providence College he played two years of military ball and in 1964 was named the Most Valuable Player in the military district of Washington.

In his first year as head coach he directed the Indians to an impressive 21-5 record. Under Tom's leadership the hallmark of the Indians became defense. He did an excellent job implementing the defensive techniques learned from his former P.C. coach Joe Mullaney as the Indians limited the opposition to 68 points per game in their first season under Tom's direction.

Last season Tom continued his winning ways. He led the Indians to a Co-championship in the Naismith Conference and berth in the regional N.A.I.A. tournament.

This year Tom is faced with a rebuilding situation. But a fine crop of players from last year's freshman team should provide the nucleus from which to rebuild this year's squad.

The highlight of the season for Tom probably will come in mid-January when he leads his Indians into his old hometown of Washington, D. C. The Indians are slated for a three game southern tour highlighted by a game with Catholic University in the nation's capital on January 19.

## **Bill Stein**

### **Freshman Coach**

Bill is another product of the Providence College basketball program. A 1964 graduate of P.C., he was a member of the Friars' 1963 N.I.T. champions and the 1964 N.C.A.A. regional playoff team.

Bill came to Bryant in 1968 after a highly successful high school coaching career in Connecticut. For two years after his graduation from P.C. he was varsity hoop coach at La Sallette Seminary in Cheshire. He then moved to Eli Whitney High in Hamden, where he guided his team to a berth in the Connecticut Interscholastic Tournament.

In addition to his duties as freshman basketball coach, Bill also serves as assistant athletic director and varsity baseball coach.

## **Jerry Morgan**

### **Trainer**

One of the most integral members of any team is its trainer. In Jerry Morgan, the Indians have found one of the best in New England. Jerry was a former star football and basketball player at Iowa State before coming to Rhode Island. He came to Rhode Island as a member of the Providence Steam Rollers professional football team and since has become a well-known figure in Rhode Island sports circles. In addition to his duties as the Indians' trainer, Jerry is a full-time faculty member, head football and head basketball coach at Providence's Hope High School.

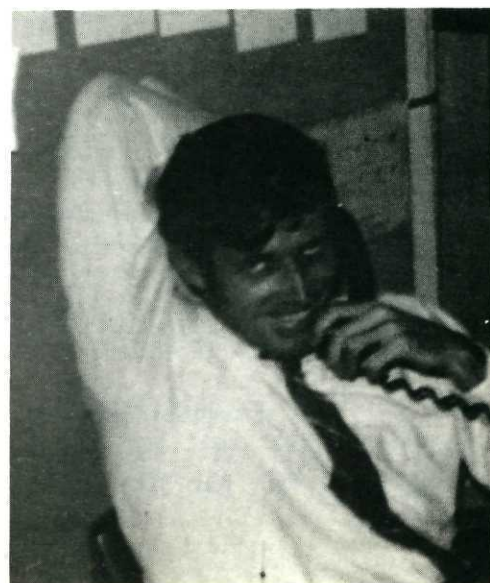

## **John Gillooly**

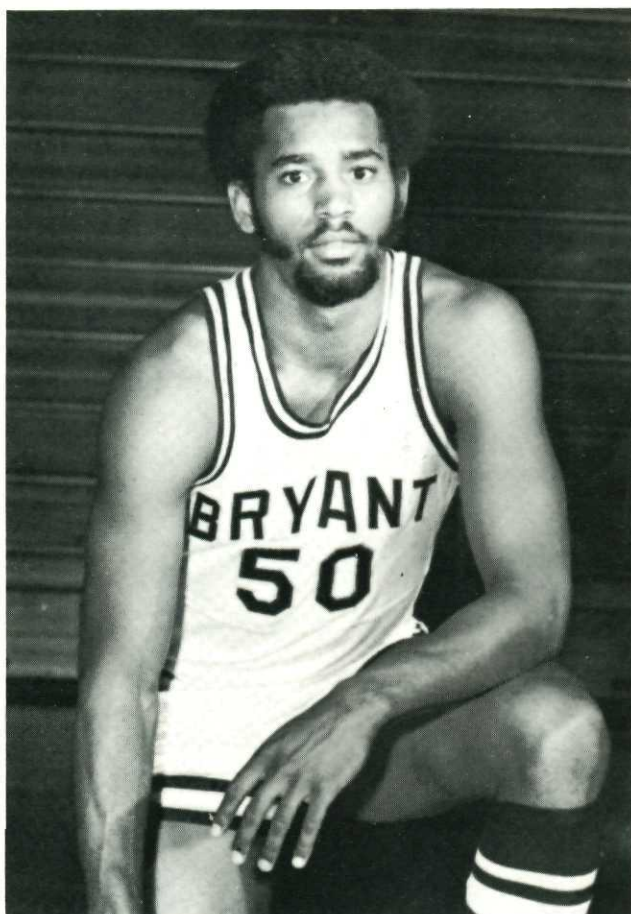

### **Sports Information Director**

John came to Bryant last year to help Tom Foliard promote the Indians' athletic program. A former hockey player John has developed a keen interest in basketball since he began his association with the Indians.

In addition to his duties as Sports Information Director, John also serves as the Indians' varsity tennis coach.

## Jim Gary

Captain

Class ..... Senior  
 Position ..... Forward  
 Height ..... 6'1"  
 Weight ..... 205  
 Hometown ..... New Haven, Conn.

Jimmy is expected to be the mainstay of the Bryant offense this season. The senior forward from New Haven, Conn. only saw limited action last season after transferring from Johnson & Wales Junior College. But the 6'1" sharpshooter flashed signs of brilliance during his nine game tenure last season. He averaged 18 points a game in addition to pulling down 11 rebounds. His ability to play any position on the court makes him an indispensable part of the Indians attack.

## Bruce Stewart

Class ..... Sophomore  
 Position ..... Forward  
 Height ..... 6'3"  
 Weight ..... 190  
 Hometown ..... Washington, D. C.

Bruce was the top player on last year's freshman squad. The 6'3" forward came to Bryant from Mackin High in Washington, D.C. Last year he led the freshmen in every department, including scoring and rebounding. He averaged 24 points and 11.5 rebounds in 21 games for the Indians frosh last season. Coach Tom Folliard expects a great future for Bruce as he embarks on his varsity career this season.

## Tom Burns

Class ..... Junior  
 Position ..... Guard  
 Height ..... 6'3"  
 Weight ..... 195  
 Hometown ..... Washington, D. C.

Tom was the third man in the Bryant backcourt through most of last season. The 6'3" junior from Washington became an integral part of the Bryant attack during the second half of the season when the Indians lost the services of several starters. He averaged over 10 points per game during the second half of the season as the Indians drove to a N.A.I.A. regional playoff berth. This season Tom is expected to help fill the vacancy in the Indians' backcourt created by the loss of last year's co-captains Don Gray and George Peckham.

## John Westman

Class ..... Junior  
 Position ..... Center  
 Height ..... 6'5"  
 Weight ..... 190  
 Hometown ..... Jamestown, N. Y.

An ankle injury limited John's playing time last season. The 6'5" junior started the first seven games at center for the Indians before he was sidelined with the injury. He returned late in the season to help the Indians in their drive to the post-season N.A.I.A. tournament. He is an exceptionally strong defensive player and should see a lot of action for the Indians this season.

## BRYANT INDIANS

## Bob Passano

Class ..... Junior  
 Position ..... Forward  
 Height ..... 6'3"  
 Weight ..... 190  
 Hometown ..... Cumberland, R. I.

Bob was the all important sixth man for the Indians last season. His ability to fill in at any position made him a vital part of the Indians' attack. The 6'3" junior from Cumberland, R. I. saw action in 20 of the Indians' 26 games and maintained a respectable 5.8 scoring average. His aggressive style of play makes him a welcome asset under the boards and he should see plenty of action up front for the Indians this season.

### Statistics

Class ..... Junior  
 Position ..... Guard  
 Height ..... 6'5"  
 Weight ..... 205  
 Hometown ..... Woonsocket, R. I.

Tom is another junior who gained valuable experience in his first varsity year last season. A fine shooter, he was the leading scorer on the freshman team two years ago. He has good size and should be a valuable asset to the Indians this season.

 Hometown ..... West Warwick, R. I.

Sonnie is the big man on the Indians' squad this season. The 6'7" senior from West Warwick, R. I. only saw limited action last season after transferring from Roger Williams Junior College. However in the seven games he played he demonstrated the ability to control the action around the boards. Coach Tom Folliard is looking to Sonnie to help solve a size problem which plagued the Indians through most of last year.

### **Statistics**

## **Ray Depelteau**

Class ..... Sophomore  
 Position ..... Forward  
 Height ..... 6'4"  
 Weight ..... 175  
 Hometown ..... Holyoke, Mass.

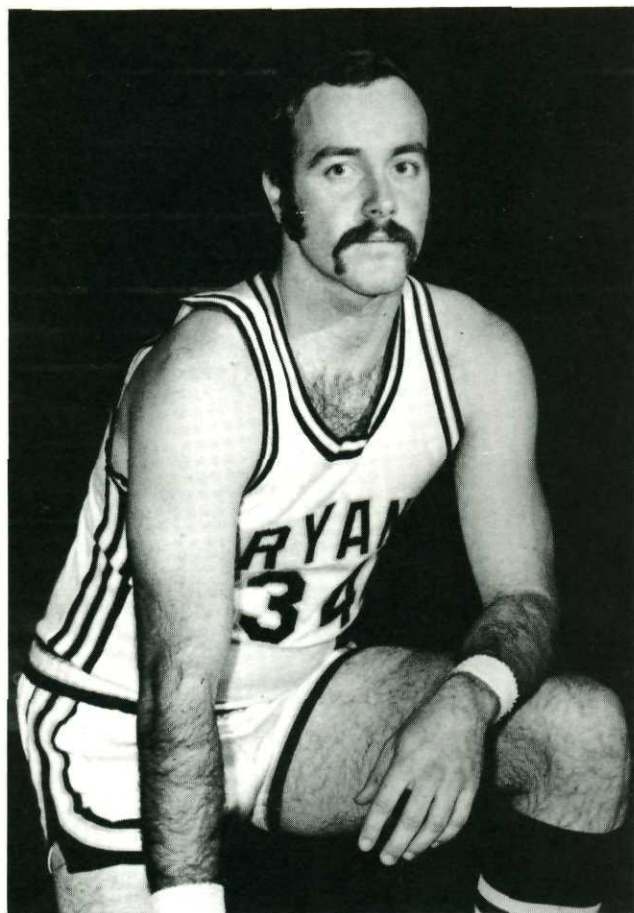

Ray joins the Indians varsity with impressive freshman credentials. The 6'4" forward was the number two scorer and number three rebounder on last year's freshman team. But scoring and rebounding are only part of Ray's talents. One of his greatest assets is his defensive ability. He led the frosh in steals last season and should be a welcome addition to the Indians' defensive alignment this season.

Class ..... Sophomore  
 Position ..... Center  
 Height ..... 6'5"  
 Weight ..... 170  
 Hometown ..... Great Neck, N. Y.

Richard is another big man up from last year's freshman team who should give the Indians needed help under the boards this season. The 6'5" center from Great Neck, Long Island averaged close to 11 rebounds per game for the Indians frosh last season. He also was the number three scorer on the freshman team with a 12.1 average.
