Embrace – Boston Common

We will stop at the Boston Common – America's oldest park to visit the Embrace memorial [MASS Design Group].

Soleil Restaurant in Nubian Square, Roxbury

Visit with Cheryl Straughter, Chef-Owner of Soleil.

Key takeaway: African American urban neighborhood investment bypass led to support for public bank initiative in Massachusetts (only one in USA is The Bank of North Dakota)

CORE Investments with alumnus David Pogorelc, Founder-Owner, Art Campbell, Architect

Key takeaway: Neighborhoods require a sense of community with parks, grocery stores, and spaces for children. Factoring in both low-income and middle-class housing is part and parcel of a community. Listening to what the existing neighbors need becomes part of the developer's plan.
