

What The Freshmen Have To Say

By Mary L. Kilpeck
and
Diane I. Verdolotti
Question asked six Bryant College Freshmen. "So far, how do you like Bryant?"

Joe Esposito
Transfer Student (Bentley College)
Providence, R. I.
Management

"It's great! The students are friendly. The campus affords more facilities, more opportunities to meet people than did Bentley College. There are more school functions. Most of the instructions are very good, but a few courses seem inadequate. The girls are cute, but I have not met them, as yet."

Elaine Reppucci
Commuter Cranston, R. I.
Executive Secretary

"I'm very pleased with Bryant College. I enjoy the courses and think the teachers are great. I'm interested in a sorority and would like to join the Masquer's to work on scenery. I like the upperclassmen, especially the boys! I think the campus, as a whole, is very nice."

John La Rocca
Commuter Cranston, R. I.
Accounting Major

"Even though I am not a dorm student, I feel that there is plenty of opportunity for a commuter as well. There are many activities and clubs to join, and I am interested in a fraternity. I am happy with all my classes. The food here is good, and the only thing I can really complain about is the parking situation. It's really bad!"

Viny Dorso
Dormitory Student
100 Charles Field
Prospect, Connecticut
Management

"So far, I'm very happy about my coming to Bryant. The college has an excellent management course. I'm interested in a fraternity, and I think the dorm is beautiful. I'd like to say, also, that I like my "big brother" Barry, and think the food at Bryant is pretty good. I think the girls are sharp and just wish there were more of them!"

Tom Duffy
Dormitory Student
100 Charles Field
Aspen Park, New Jersey
Management

"Hope the dorm is finished soon, and I hope they put hot water in the showers before winter. I like the upperclass girls, and I think there should be more sport activities. I'd like to pledge a fraternity, I guess I can say that I'm pleased with Bryant."

Marlene Cook
Commuter Coventry, R. I.
Teacher Ed.

"Where in the world do you park around here? Other than the parking situation, I am very happy here at Bryant."

Ten New Teachers On Staff

By John Winters

Freshmen were not the only new arrivals on campus this September. The college also welcomed no fewer than ten new instructors to the faculty.

James Roy Estey, who has taught at Bryant part time in past years, has taken a full time position in the history department. Mr. Estey, a resident of Providence, received his B.A. degree at Cornell and has just recently been awarded his Masters at Brown.

Richard J. Fontaine, a member of the National Association of Accountants adds a new C.P.A. to the faculty. Mr. Fontaine presently resides in West Warwick and is a graduate of the University of Rhode Island.

Fredrick W. Reinhardt, a Registered Professional Engineer in the state of Rhode Island, has joined the Math department. Mr. Reinhardt received his B.S. at the University of Rhode Island, his M.A. at Wesleyan University and finally went on to take a Master of Science degree in Civil Engineering at Purdue. Before coming to Bryant Mr. Reinhardt was employed as an engineer by the cities of Hartford, Conn., and East Providence, Rhode Island, respectively.

The newest member of the English department Mr. Burton L. Fischman is a resident of Providence. Mr. Fischman comes to us with a B.S. from Curry College and an M.A. from Seton Hall University.

Hoving M. Robinson a member of the New England Association of Chemical Technicians will teach science. Before coming to Bryant Mr. Robinson was employed by the Sun Chemical Corporation and spent five years as a Biologist with the Astro Pharmaceutical Corporation. A member of the Phi Chi Medical Fraternity, Mr. Robinson obtained his A.B. degree from St. Anselm's and his M.S. from Fordam University.

Miss Ruth Tripp, faculty associate in music, is well known in this area for music criticisms and coverage of local concerts. Miss Tripp is a graduate of the New England Conservatory.

Mrs. Elaine O. Chaika who will be teaching English to students majoring in Education, graduated from Rhode Island College Cum Laude and took her Masters at Brown University. She is a member of Kappa Delta Phi Educational Honorary Society.

Welcome to Delta Omega

By Sid Tinson

Delta Omega Professional Society, organized for the purpose of conducting and promoting the study of business, is beginning another college year of dinner-speaker meetings. The society's officers and board of directors extends their welcome to all Bryant College Business Administration and Teacher Training students enrolled at Bryant for one semester to make application. A maximum enrollment of 135 members is D. O's aim. Delta Omega currently is the second largest student organization on the Bryant campus. The dinner-speaker meetings, five each college year, are held at the Admiral Inn, Cumberland, Rhode Island. Three choices of meals are offered for each dinner meeting. Admiral Inn opens up all its facilities to Delta Omega members for the Monday evening affairs.

The governing body of Delta Omega consists of a Board of Directors, elected each year from and by the general membership and six officers, elected each year from the Board of Directors. The group feels privileged to have Dr. E. Gardner Jacobs, President of the College, as one of its four advisers. Dr. Jacobs has a sincere interest in Delta Omega and takes an active part in its activities.

For its first meeting of this year, Delta Omega is pleased to have Mr. Louis Pieri, owner of the Rhode Island Auditorium and the Rhode Island Reds of the American Hockey League. Mr. Pieri is a former owner of the World Champion Boston Celtics of the National Basketball Association. Speakers for the four other meetings will be announced before each scheduled meeting.

The Bryant College Cheerleaders

By Kathy Schwarz

B-E-A-T, BEAT ———! Does that sound familiar to you? It should, for it's one of the favorite war cries of the Bryant College Cheerleaders cheering the Indians on to what promises to be another victorious basketball season. While basketball co-captains Ted Alsop and Tony DeQuattro with their squad have been perfecting their foul shots, newly elected Cheerleading captain Ray-Ann Bersenni, has been doing some work with her team of enthusiastic cheerleaders.

Ever thought about how much practice and effort (Nerve, too!) goes into one little cheer? If one were to add up the hours, the time would be amazing. Practice starts in early October when the newly selected cheerleaders start to learn the Indian cheers with the senior members of the team and continues into the wee months of February and March. All the cheerleaders feel the school spirit resulting from the fast moving basketball games and hopefully the cheers are worth every ounce of effort that is put into practice.

What about your school spirit? Could it use a little boost? Then why not attend the forthcoming basketball games and give your school the support it needs—remember, the basketball team and the cheerleading squad are part of YOUR SCHOOL!

See you at the basketball games!

Bill Doherty Receives Black Belt

By Tom Brassil

Bill Doherty received his first degree black belt in the Martial Art of Karate during his summer vacation. The black belt is the highest color ranked belt given in the Martial Arts. Many years of study are represented by this achievement and the Attaining of this degree is held in high esteem throughout the Martial Arts World. This honor was conferred on Bill on July 23, and his rank is registered in the U. S. by the United States Karate Association and in Japan by the Hakkō Ryu Martial Arts Federation. He is the protege of the famous Karate-Ka John E. Saviano, master instructor of the Warren Karate Dojo under whom Bill studied, trained, and received his degree. Mr. Saviano is considered a legend of his own time for his feats of strength.

At the Warren Karate Dojo, Bill is an assistant instructor. On Monday nights in Pawtucket Bill holds classes for men and women at a branch school of the Warren Karate Dojo and on weekends private instructions in Karate, Jui Jitsu, and self defense are given at his home.

Bill served on active duty in the United States Marine Corps from 1960 to 1963. He was in the fleet Marine Force, an instructor at the NCO Leadership School, and a guard at the Naval War College in Newport.

Bill is in the junior class at Bryant College and is enrolled in the Business Administration program. He is a member of the Bryant chapter of the American Marketing Association, and he is also a brother and the pledge-master of Alpha Omicron Fraternity.

VIEWING THE ELECTIONS

By Barbara Rohloff

This year our class elections are taking on a whole new perspective. As every Bryant student has probably noticed, upperclass election plans began the first day of classes. The freshmen elections begin to develop on Monday.

The reason for this change in procedure is easily explainable. In the past, class officers were always elected in October. This time is definitely too late to adequately enable a president to plan things for his class.

The early elections for upperclassmen this year constitute part of a turnover. Class elections for upperclassmen will again take place this spring. In this way class officers will be able to begin their plans during the summer. Come fall, the only elections will be for the Freshmen Class. Thus, all elections except one will take place from now on in the spring to facilitate matters for those concerned.

On Tuesday all campaigning began for the candidates. Part of this campaigning consisted of an election rally. The rally began with SHORT speeches last night by the presidential candidates for their states and by independent candidates. The Noblemen, a local Combo, provided the music for dancing; and refreshments were available.

Of course, the most important part of the campaigning will commence with the actual casting of votes. On Tuesday, October 4, voting will begin at 8:30 a.m. and will terminate at 4:00 p.m. The later time is for the purpose of student teachers, who may return to campus to cast their votes. Voting will take place inside the college gym.

Votes will be counted at 4:00 p.m. immediately following the closing of the polls. Counting will take place in the Student Government Room, and one representative from each campaign committee (not the candidate) may be present at the counting. However, the representative may not UNDER AND CIRCUMSTANCES leave the room once the counting has begun.

And so, Fellow Students, it is up to all of us to support our candidates for class offices. When October 4 arrives, VOTE. If you want the best, support the best.

IS YOUTH GUIDANCE FOR YOU?

By James Zorbo

The interest in Bryant College's Youth Guidance Program has far surpassed the expectations of its organizers in its two years of existence. This statement speaks highly of the type of student found at Bryant College for without the interest and devotion of our members a club like ours cannot survive.

The membership of our club expanded four times its original size its second year. We started with 17 members and we now have approximately 70 people who in some fashion or another assist the club in achieving its goals.

In this Youth Guidance Program we work with the children from the Central Falls area in an attempt to show them that there is more in the world than what they see around them. We tour many places of interest, we play many games, we conduct several different contests, we see many interesting movies, and we talk about any problems that these children may have.

We sponsored a piano recital last year that drew over 250 students, teachers, staff members, and music lovers who thrilled to David Crohan's performance. Another such concert is already in the making for this year. We sponsored a "Tag Day" that saw our organization collect quarters from the classrooms and other buildings around campus in what proved to be a successful drive raising over \$330.

If you think that you would like to join the Youth Guidance Program, just let me know and an interview can be arranged. If you are interested, then we are interested in you.

Girls' Volleyball League Forming

By Janice Ventura

A volleyball league is now being formed for independent and Freshman girls. The teams will comprise commuter students as well as dormitory students who will compete against each other and sorority teams. The games will begin in October and will be held in the Bryant College gym. Dormitory and sorority teams have already been formed, but an independent and Freshman commuter team (or teams) has not.

All commuter girls interested in forming a volleyball team should contact Joane Waz, President of Dyer Hall no later than Monday, October 3.

Organize your own team (consisting of 10-20 girls) or sign up individually; but take some initiative in helping us establish a girls' sports program at Bryant.

President: Dave Siegel

By Laurie Mand

The members of Hillel would like to welcome all the freshmen and transfer students. The Hillel House is always open and Hillel members will always be welcome. There will be a Brunch held at Gardner Hall on Sunday, October 9 at 11:15 a.m. Membership tickets will be sold at this time. The guest speaker will be Dean Smith. A more recent event will be held on Sunday, October 2. A mixer will be held in school dress, at the Hillel House. The Mods Limited will play and refreshments will be served.

In the future we are planning a trip to Touro Synagogue in Newport, which is the oldest synagogue in North America—started in 1600's.

Also, for all interested there will be Israeli Dancing at the Hillel House—every Thursday evening.

ATTENTION FRESHMEN AND TRANSFER STUDENTS—

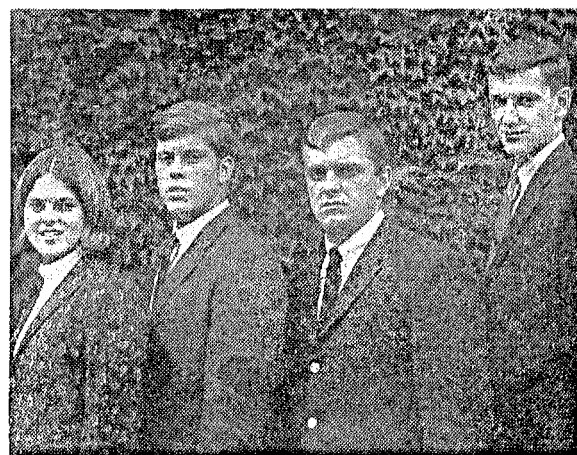

If you did NOT fill out a News Bureau card on the day you registered at Bryant, will you please come to the Bryant College News Bureau, 2nd Floor of the Administration Building, as soon as possible.

It is important that we have a News Bureau card for every student in school.

Thank you so much for your cooperation.

Attention, Freshmen

By Jim O'Connell for Paul Delude

The time is fast approaching when you will choose your own leaders and take your place as an integral working part of Bryant society. Your class elections should not be taken lightly especially as freshmen when you depend so heavily on your officers to organize and move your class forward.

We would like to make you aware not only of your responsibility to elect your officers, but also of your responsibility to run for election if you feel you have the necessary ability.

The election is in a few short weeks. In this time freshmen should consider themselves as possible candidates or surely as probable voters in Bryant's largest and most promising class.

Statement of Platform: We—Tony DeQuattro, President; Leonard Nicolosi, Vice President; and Kathy Schwarz, Secretary—will try to the best of our abilities to solve many of the problems around Bryant College.

We will not pledge or promise anything as many of the candidates in the past have done; but with the cooperation of the Administration, we will try to alleviate the poignant parking problem in the College proximity. Suggestions will be made to improve senior privileges, such as later dormitory curfews for women students.

These are but a few of the problems that are confronting your future class officers. If you care about having people who are concerned about the few privileges that seniors now have, we will do our best to provide a better future for senior class members.

We must find a way to communicate with the student body to keep them well informed as to what we are doing. We must get their help and gain momentum if we are to end our college career with any success. We would like to pursue what Brian Oshrin started last year: namely senior privileges and individual pledges over an extended period of time to the alumni, rather than a class gift.

 As class officers we will strive to make continued advancements in class unity, spirit and financial strength. Our objectives will be centered around ideas of our class. We want them to be ready for their Senior year and graduation.

Most of the members of this slate helped in the organization and presentation of the Welcome Freshman dance last February which was the most financially successful activity held by any class at Bryant in a number of years. Planning in such a program as this proves the loyalty and desire to serve the members of our slate of officers for the Class of 1968.

The brothers of SLP would like to welcome all new freshmen and wish them the best of luck in the new school year.

Plans are almost complete for this year's edition of Sno' Queen Ball, which will be held December 9 at the Sheraton-Biltmore. It looks like Sno' Queen will again be one of the finest social attractions on campus.

The SLP Giants are looking forward to a fine football season under the direction of coach Marc Petruzzi. Players to watch include Guillotine Galso, Limbo Lechance, and Animal Paskow.

The brothers would like to welcome "old brother" Ron Reuter back to campus. Ron, stay a little longer this time, OK?

SLP held several parties last week and a good time was had by all. The brothers would like to thank non-frater Ed Bolger for his "tolerance" last weekend.

The brothers would like to congratulate Dave Gold and Marsha Sherman on their recent engagement, Hank Hoening and Lisa Horne on their pinning, Pete Rollins on the return of his car, and all those who made last Sunday possible.

As BIB bounces back for another year, the brothers are ready to get right back to the books, (second semester maybe). Seven brothers have been lost due to graduation, and we are happy to hear that none of them are in Viet Nam as of yet. It looks like quite a year, at least socially. With nine luxurious apartments housing the afternoon teas, it just might be adequate. On the sports scene, BIB's fielding another talented team with help from the previous pledge class. We all hope that Mike (Gogolak) Shapiro's "golden toe" is healthy. At this time, BIB's working on another winning performance in the Campus Follies. We're all behind Bill Arndt and his slate for sophomore class officers. Also your vote for Phil Botana and his slate of junior class officers would be appreciated. On the lighter side, we'd like to thank Franny Engert for keeping up BIB's academic standards by netting a 3.94 last semester; for Fred O'Connor's taming of the notorious Hell's Angels at his place; and to our new brother Joe Zorbo, and to the marriage of Mike Thoma that gave him that 40" waste. Jim "OC" Rider's enjoying his new part time jobs at Gus' and Haven Brothers; also if anyone's seen a 1958 Pontiac Chieftain in A-1 condition, our president, "BONES", would like it back. In conclusion, best of luck to Lank and Dick Wadsworth as pledgemaster and assistant, respectively.

Due to the contortionistic abilities of Mike Paliano, Phi Sig has started the new year on the right track by winning the first place trophy for the limbo contest at the Hawaiian Luau last week. Two trophies were awarded, one for Mike's personal use and one for Phi Sigma Nu. Congratulations, Mike!!!

On the sports scene, the Phi Sig football team is shaping up rapidly under the direction and determination of Ivan Purdy, Athletic Director. The starting team as of this date is Joe Nidyzn, Dom Proto, Brian Kent, Mike Benjamin, John May, and Bob Goudreau on the line; Ivan Purdy and Rick Imondi as ends; and Dave Benevides and Bill Degan on the backfield. Although the team as a whole is a fairly light one, its speed will more than compensate.

Because the 1966-67 officers were announced late last April at the Pledge Formal, they were never listed in the Phi Sig article. They are as follows: Pres., Dave Benevides; V. Pres., Bob DeCesaris; Sec., Ken Crystal; Treas., Ray Babji; Pledgemaster, Joe Nidyzn; Assistant Sec., Bob Goudreau; Assistant Treas., Gene Systma; Grand Councilman, Marty Connelly; Sergeant-at-Arms, Brian Kent; Athletic Director, Ivan Purdy; Alumni Directors, Jim McNamara, George Raggerio; Chaplain, Dave Rome; and Social Director, Mike Paliano.

Last but not least, Jim McNamara is now in the final stages of finishing his pledge paddle for Big Brother, Ken Crystal. Congratulations, Jim.

Let it not be said that BSG didn't start the year off on the right foot. Our first meeting lasted so long that we got enough business done to last us for the next month. Keep up the enthusiasm, girls!

With Campus Follies just around the corner, the sisters of Beta and the brothers of SLP are hard at work masterminding a skit. Let's come up with a winner, kids!

Congratulations to brother Bruce LaChance for coming in second in Phi U's Limbo Contest. Keep practicing, Bruce, and by next year you'll be ready to take over first place.

Bacardi, don't let that dangle on your sorority pin give you too much sense of power, or you could have some of us in the poor house by next week.

Under the direction of our Pledge Mistress, Eileen Maher, and her pledge committee, Barb Fiore, Dolores Rosa, Jan DeCarlo, and Fran Yurman, the sisters are busily preparing for their Smoker which is coming up shortly.

One question—F. Y. and D. M.—don't you know how to put flashbulbs in?

The sisters of Phi U opened the new year with a busy schedule.

The sisters are busy working on projects for the coming year.

We'd like to welcome Eileen Cioe back and hope she is feeling better. We are glad to see you again Eileen. Many thanks to Arty Page for the use of his home last Sunday. Our 1st "Lawn Party" turned out to be quite a success. P.T.—next time you paint rooms I think you should wear blinders.

Many events are being planned by the sisters and the brothers to make this first semester for the freshmen an exciting one. Numerous parties are planned so we can get acquainted with the freshmen.

Congratulations go out to the Brothers of the class of 1966 who are John Adams, Nick Betlow, Bob Bottai, Brian Drought, Rick John, Frank Poholek, Bill Scott, Steve Thurrott, and Lyle Wendell. Also congratulations to the seven Brothers who made the Dean's List last semester.

On the sports scene we are shaping up our football team for a good season. Tau Ep's Bowling team is composed of Jack Fagan, Doug Wilkinson, Jerry Wigler, and Mark De Bisschop.

Congratulations to Brother Mike Cannata on his recent marriage in August.

Academic goals at Bryant College.

We would like to welcome back all the brothers and hope that they are prepared for the numerous events and activities that have been planned for a fun-filled year.

Some of the events planned are Monte Carlo Weekend, the Personality Contest, and Open House for Freshmen interested in joining a fraternity.

The brothers of A.O. would like to congratulate Bill Doherty for receiving his Black Belt in Karate during the summer vacation. Since Bill is the Sergeant-at-Arms, it would be wise if all the brothers paid their dues and kept quiet during the Frat meetings.

On behalf of the Sisters of SLT, I'd like to welcome all the Freshmen and of course the Transfers. We wish you all lots of luck! To our upperclassmen—I'm glad to see that so many of you made it back.

Congratulations are in order now. To Linda Klien, we wish our best on her engagement; and to Mary Harding, we hope married life agrees with you.

Also, congratulations to Phi U and Chi Gam for putting on a fine weekend at Bryant.

Glad to see: That everyone had a great time at the sisters' Cape Cod weekend; Ruth Ann in short hair; Ray Ann back in the swing of things; Fran with Richie; So many of our past sisters coming back to take a peek at what SLT is up to; and, last but not least, Our Brothers!!!! ("HI").

Hey, Kipp!!! Bump your head much lately????? What time did you say? 1:00 a.m.—OH—OK.

The brothers of K.T. want to welcome the new freshman and transfer students to Bryant and wish them a successful year. The brothers also welcome back the upper classman and also wish them another successful year at Bryant.

K.T. held its first meeting last Thursday and by the looks of things there is a lot for the new and old students at Bryant to look forward to this semester. Parties are being planned along with the 20th annual Turkey Trot coming up in November.

The brothers of K.T. held their first reunion party last Friday night which turned out to be a great time for all those attending. Every K.T. brother returning to Bryant this year was there which made the reunion a great success.
