Profile Of A President

By Mary L. Kilpeck

Fred M. Lowry, President of the Student Senate, was born in Jacksonville, Texas. He attended Shortridge High School in Indianapolis, Indiana, and graduated in June of 1960. Fred is married and has a 2 1/2 year old son. When he attended high school, Fred was a member of the orchestra, radio club, student newspaper; was annual agent, CAP cadet commander; member of the current events club, drama club, Junior vaudeville, ROTC drill team, senior play, and various class committees, etc.

The Senate keeps Fred on the move, but he still finds time to participate in other important activities. He is a member of Delta Omega, Board of Directors; Bryant Young Republican Club; American Marketing Association; International Club; Dean's List all semesters; Key Society; and the winner of the John Logan Allen Award for 1966-1967.

Fred intends to go to graduate school upon his graduation in 1967. He will hold a B.S. and a B.A. in marketing. At present he is Captain of the Civil Air Patrol, and he is a graduate of the Air Force Squadron Officers School. Fred formerly attended Butler University where he was a member of Kappa Sigma Fraternity.

As President of the Student Senate, Fred is a representative of the entire student body. He works with other student leaders, the Administration, and the Faculty to provide answers to student body problems and to win administration approval for student proposals.

Fred Lowry has done a fine job here at Bryant, and he has filled his position very capably.

Poorly Attended

The Election Rally

By Paul Pietras

The election rally for the prospective candidates of the senior, junior and sophomore classes was held on Thursday night, September 29 in the Bryant gym. The objective of the rally was to allow the candidates to present their platforms and make themselves known to the student body. Unlike in previous years there was no freshman class present at the rally. The administration thought it would be wise to hold the freshman class elections at a later date to allow these underclassmen to become more accustomed to the environment of college life and thus be sure of being able to handle the responsibilities of running for office. Due to the

Bryant Gets New Dining Service

By Rick Hurst

(Below is the result of an interview with Mr. R. B. Rowe, Dining Service Manager, by a member of the Archway staff.)

The "Big Question" asked of returning Bryant students these past few weeks was, "Hey, did ya' hear about the dining service?" Not many students believed that a change had been made in the administration and policies of the dining hall, but it didn't take long before they were convinced.

During the summer, negotiations were concluded and a contract entered into between the college and the ARA Slater School and College Service for the operation of the dining service in its entirety. ARA Slater is one of five divisions of Automatic Retailers of America, a worldwide food organization based in Philadelphia.

ARA is the largest food-oriented business in the world, currently having some 750 outlets. Along with the ARA Slater School and College operation, there is ARA Business & Industry, which is set up in industrial plants; ARA Hospital Food Management, which has Pawtucket Memorial Hospital as a client; ARA Service, operating in stadiums and ballparks; and ARA Facilities Planning, the engineering and architectural division which plans utilization of equipment and building areas.

The main interest of ARA Slater is to try to satisfy all the varied appetites of the student body, which is a rather tremendous and difficult undertaking.

Masquers Plan Ambitious Program

By Kenneth Culp

Mr. John LaFontaine has become faculty adviser for the Masquers, the Bryant College dramatics club, replacing Professor David Brooks who has left the faculty.

Graduating from Boston University Magna Cum Laude and Phi Beta Kappa with an A.B. in European Literature, Mr. LaFontaine received his M.A. degree at the same university. He was also a Graduate Assistant and an August Howe Buck Scholar.

His first four years of teaching were in the Boston area. At

The Draft And The College Student

By Jeffrey D. Levien and Charles H. Falk

Every American male has an obligation to his country. Within five days of reaching his eighteenth birthday he must register with the draft board and receive his selective service number. He may register and have his physical with any local board and they will forward the information to "his" local (hometown) board. If deferment is requested, a standard form, "Student Under Selective Service Card," must be filled out promptly and returned to Dean Smith. This form does not guarantee deferment; all it does is notify the board that the individual is attending college. The college is obligated to notify the board of the student's standings in his class, and whether or not the student leaves. The local board uses this information to decide who shall be deferred. Periodic examinations are given by the Selective Service System. Results are used as additional information to determine deferments. The other factors that enter into consideration are the fact that one is in college and has a satisfactory standing in his class. The Selective Service System realizes that some students cannot take tests, and therefore it cannot possibly

Masquers Achieve Record Membership

By Howard Duckworth

The Masquers of Bryant College, the college dramatics club, have already surpassed all previous membership lists. More than one hundred students indicated an interest in the dramatic arts in indicating their desire to work in some form of drama on their Student Activities questionnaires. Fifty people were in attendance at the annual Masquers sign-up meeting. At this meeting 48 people joined the group after the functions and activities of the club were explained by Howard Duckworth, president of the group, and by Mr. John LaFontaine, advisor and director of the group. Punch and cookies were served and tentative plans for a theatre trip to New York were also discussed.

The officers for the present school year are as follows: President: Howard Duckworth; Vice President: Eileen Maher; Secretary: Joan Melino; Treasurer: Walter Katkevitch. Bruce S.

harm anyone to take this examination.

The basic philosophy of deferment is that any student that can obtain a degree four years after his high school graduation should have military service deferred until finishing college. He will then receive a "2-S" classification. If a student should receive notice for induction while he has a "2-S" classification, he may appeal to his local board. If he doesn't appeal, he may, by Statutory Law, be placed in a "1-S" classification which will defer him until the end of his current college year. He will then be re-classified "1-A" and placed in the service.

Bryant has made available the following programs:

- Army R.O.T.C.
- Navy R.O.T.C.
- Airforce R.O.T.C.
- Naval Reserve Officer Candidate Program
- Marine Platoon Leader Course
- Marine and Navy Air Cadet Program
- National Guard Officer Candidate Program
- Army, Navy, Air Force, Marine, and Coast Guard Officer Candidate School

Students are advised to consult Dean Smith about these programs as soon as possible.

Read the Archway for further information concerning the draft.

Dean John McCabe Addresses Purchasing Agents Association

On Monday evening, September 26, Dean John McCabe was the guest speaker at the opening meeting of the Rhode Island Purchasing Agents Association. He addressed an audience of about one hundred members and friends of the association. This meeting was held at the Alpine Country Club in Cranston.

The topic of Dean McCabe's speech was "Labor and Management Relations." His speech opened with an explanation of the current status of labor and management affairs. A critique on management approaches to labor relations and union approaches to labor relations highlighted the topic. In closing, Dean McCabe expressed his thoughts of the future of labor and management affairs.

Out of the Barn

Activities Building Nears Completion; Dedication In Sight

By Hank N. Grenon

The quarter-million dollar Bryant College Activities Center will be completed and dedicated within the next two weeks, according to Robert W. Hathaway, Jr., director of activities and athletics.

"Construction on the two-story brick building on the corner of Hope and Power Streets," said Mr. Hathaway, "began October, 1965." The Center is presently in its final stage of construction, which includes painting, electrical work, and landscaping.

"This is the first time Bryant has had a real Activities Center, providing space which we never had before for student activities," said Mr. Hathaway. The Center houses a recreation room and television lounge on the lower floor. The recreation room includes three ping-pong tables and two pool tables.

The Masquers and Glee Club will conduct their dramatic and musical activities in the first floor lecture hall, which has a stage and dressing rooms and a seating capacity of approximately 200.

The top floor provides offices for Mr. Hathaway, Miss Carol LaVella, and Director of Intramural Sports, Wallace Camper. The chaplain's office and the Interfaith room is also on the second floor, along with the office of the Archway and the Ledger office. The assembly room in which the Student Senate and Greek Letter Council meet is located on the top floor.

A barn was used as the headquarters for activities prior to 1958, recalls Mr. Hathaway. This structure was razed to make room for Gardner Hall at 6 Young Orchard Avenue.

Following the barn, the activities center moved once again before its final and present relocation. The activities rooms were above the bookstore. The former offices have been renovated and air conditioned for student use as a lounge and study hall.

The new Activities Center will be open from 10 a.m. to 10 p.m. after its dedication.

ALUMNI NEWS

By Jane Gershtkoff

Mr. Konstantine Dicomitis who is with the Advertising Department of Hassenfeld Brothers in Pawtucket, Rhode Island, was the first guest lecturer at a management seminar held for seniors on September 19. Mr. Dicomitis spoke about a recent marketing survey made in connection with the G. I. Joe doll, which is manufactured by his company. The results of this survey will be used to determine the introduction of new G. I. Joe accessories and the media to be used in future advertising.

He was introduced by Professor George A. Richards. The classes of Professor Richards and Professor J. Paul McKillop were combined for this presentation.

These seminars are held in an effort to bring men and women who are specially trained in professional fields before our senior B. A. students. At various times during the year, Bryant College alumni are invited to speak at these seminars.

Frederick J. Gaucher, Assistant Professor of Accounting, has become a certified public accountant in this state. Mr. Gaucher is a resident of Woonsocket, R. I.

Philip H. Hayden and Edmund Viela, both graduates of the class of '59, have also been recently certified. Mr. Hayden, who resides in Cranston, R. I., was certified in this state; and Mr. Viela, who resides in Rochester, New York, will be practicing in the District of Columbia.

Two Bryant graduates have attained positions of interest to the student body. A. Edward Azevedo '48 has been appointed assistant administrator of Our Lady of Fatima Hospital in North Providence. Mr. Azevedo is a resident of Esmond, Rhode Island.

The second position will be of special interest to the girls at Bryant College. Miss Patricia Copeland '64, has been awarded the silver wings of a stewardess from the American Airlines Stewardess College in Fort Worth, Texas. Miss Copeland of Mineola, New York, will be flying out of Chicago.

New Study Hall Located in Old Activities Center

By Barry Kohler

The old Activities Center, which was located over the bookstore, has been transformed into a study hall. Although the facility may be used by all Bryant students, it is meant for commuters. The reason is obvious, for the commuters need a place to go where they can relax and study between classes.

The new study hall is divided into two sections. The first section is the area where the ping-pong tables used to be. In their places are ten tables with a total seating capacity for fifty people. In this same area are four vending machines which contain cigarettes, coffee, cold drinks, and candy. There is also a bubbler and a phone booth. Finally, it has been entirely repainted and new light fixtures added.

The second section is made up of the old Archway office and Mr. Hathaway's old office. This area has been completely wood paneled and contains new furniture. Among the items of furniture are two sofas and a number of padded armchairs. There are also coffee tables and lamps for comfortable reading. The administration has also installed a television for the more ambitious students.

Smoking is permitted, and the hall is available for group meetings after regular hours. The regular hours are from 8:00 to 4:30 on weekdays. For any further information regarding the use of the hall see Mr. Hathaway.

Saturday and Sunday Brunch to Go into Effect

Brunch will be served during the weekend. According to Dean Smith, the Dorm Council conducted a poll to determine a meal schedule for the weekends. Suggestions were made to discontinue breakfast and lunch and to have a brunch instead. From a poll, the council found that seventy-five percent of the Dorm Students were in favor of the Brunch. It is scheduled to become effective this month.

Attention - Incoming Freshmen

Delta Omega invites you to attend its first meeting on October 10, 1966. It is hoped that conscientious business students will take advantage of the program for the evening. Any interested freshman may then make application after completing one semester at the College. At the time of application for new freshmen, preference is given to underclassmen over seniors who have not previously belonged to the society. WELCOME

DINING SERVICE

(Continued from Page 1)

Dorm students will note that this will be at least partially accomplished by offering alternate meals whenever less popular meals are offered. Also being planned are dinners with steak, lamb chops, and lobster. Eventual plans call for installation of milk machines with four varieties of milk available—regular, skim, coffee, and chocolate. Several soft drink machines will also be put in where students will have their choice of some ten different kinds including Coke, Sprite, Tab, Orange, Fresca, and Root Beer.

Commuters are also in for a treat. Slater would like to turn the snack bar into a delicatessen type affair, offering some 15-20 sandwiches as well as a large variety of other foods. This program is already underway. The snack bar will be open all day Saturdays and Sundays, opening at 9:00 in the morning.

In addition to these improvements, Slater wants to know more about the students on campus and their likes and dislikes concerning food. Therefore sometime in October, the Food Preference Survey will be distributed to all dorm students. This will enable the dining service to prepare food more nearly suited to the tastes of the students. All ARA Slater food is prepared according to specifications which have been worked out at the cost of some \$200,000 by the Food Standards Department. These menus are constantly upgraded and revised, with new entries being added.

Slater is presently engaged in a study of the efficiency of the serving line and ways to eliminate the long lines of students at lunch and dinner. Generally speaking, thirteen people per minute come through the line. This is considered a rather high number, and is due to several plans which have been executed, including the rearrangement of milk machines to avoid crowding, removal of salads to a separate table, and the increase in personnel behind the counter.

Although the posting of menus can and will probably come about, at least on a day's notice, Slater has two reasons for not revealing what will be served. Number one is that lack of a menu makes it easier for the service to buy what it needs in quantity at low cost, due to changing market conditions. The second is that Slater likes to surprise its students. And there are many students who would like to see it remain that way.

One question that comes up often is that of how the dining service is able to supply three meals a day and all the seconds, thirds, and fourths one wants for more or less the same amount of money spent in the past for just two meals a day. The answer, according to Mr. Rowe, is two words—Big Business. Mass buying and efficient cost control techniques enable this seemingly impossible feat to occur. In purchasing products, 90% of the necessary provisions are bought in the Providence area.

A new open-door policy has been instituted by the dining

service management. If you don't like something or you have a suggestion you would like to make, you are invited to discuss it with either Mr. Rowe in his office, Mark Whitehead in the dorm dining room, or Frank Catrone in the snack bar.

Twenty-five per cent of the stock of ARA is owned by investment institutions, the highest percentage of any company. Another business fact is that every Friday night, the books are closed and a complete set of working papers is drawn up. This enables the company to pinpoint its costs, and to take necessary management action to reduce them.

Since it began serving fraternity houses at the University of Pennsylvania back in 1926, ARA Slater has come a long way. Now its appearance on the Bryant campus is looked upon as a giant step forward by the college in its long-range program of upgrading the school and the campus.

MASQUERS PROGRAM

(Continued from Page 1)

Boston University, Dean Junior College, and Cambridge Academy he taught English, French, literature, and drama including choral and musical variety show productions. For several years, Mr. LaFontaine has been a professional freelance writer engaged in advertising and publicity. Occasionally he is a guest book critic for The Boston Globe and other papers, and a lecturer.

As the faculty advisor of the sixty member organization, he will be working closely with the officers who are

Howard Duckworth, President; Eileen Maher, Vice President; Joan Melino, Secretary and Walter Katkevich, Treasurer. Brian Alkon has been appointed the first Historian for the club.

The Masquers have selected "Malcolm" for its first production of the season. The play is the newest one by Albee, who also wrote "Who's Afraid of Virginia Woolf."

The club has planned some unique activities. Workshops concerning acting, directing, drama interpretation, production, and make-up will be held at regular Tuesday sessions. The members will be able to gain experience and specialized knowledge in these fields. One must be a club member to attend, and every member will have a chance to participate.

Plans in the making include theatre parties and coffee hours. For the theatre parties, plans are to attend productions in Boston, Providence, New York, and Stratford. The coffee hours will enable the audiences to discuss the play with the cast and themselves.

The new home of the Masquers in the Activities Building is a much needed asset. It fills a great need and also shows that the college administration has an interest in the student outside the classroom as well as while he is in it.

Tryout dates for the parts in "Malcolm" are currently posted on all bulletin boards.

inclement weather and small attendance the rally itself didn't get started until about eight. About 150 students were on hand to hear the candidates speak. The speeches were rather brief but to the point, enabling the students to get a fair picture of each of the parties running for office. The slates and candidates present for the rally were as follows: Senior Class—Tony DeQuattro, President; Lenny Nicolosi, Vice-President and Kathy Schwarz, Secretary. The opposing slate was Robert Blake, Vice-President and David Caldwell, Treasurer. Junior Class—Phillip Botana, President; Dennis Bishop, Vice-President; Julie Lambert, Treasurer and Peggy Vida, Secretary running as an unopposed slate. Sophomore Class — William Arndt, President; Bob Goudreau, Vice-President; Joe Goddard, Treasurer and Joanne Nielsen, Secretary. Unable to attend was Kenny Bedard, Treasurer, running as an independent for the sophomore class. The highlight of the evening was the dance with music provided by the "Noblemen."

Good Outlook For Varsity Tennis

By Dick Carlson, Captain
The Bryant Tennis Team showed a superior 8 and 4 record last year, defeating such fine schools as Nichols, New Haven, Nasson, St. Francis and Barrington. This year looks like the most promising season in the history of Bryant tennis.

The first five players from last year are returning. These players are Andy Sunberg, Dave Hanson, Jay Deely, Dick Carlson, and Mickey Bixler. Coach Fred Gaucher is hopeful that there will be some additions to the team; so if you are interested in playing, contact the coach.

This year's Ladder Tournament began Monday, October 3rd, on the Bryant tennis courts. If you are not too busy and enjoy watching tennis, you are more than welcome. The tournament began at 3:30 P.M. The tennis team is hopeful to

Bryant Harriers Beat Barrington

By John J. Malsano
Bryant College's cross-country team opened its 1966 season with a 26-29 victory over in-state rival Barrington College. However Bentley College won the triangular meet between the three teams.

Bentley's Bob Wilkins was the individual winner. He covered the 5.3-mile course in record time of 29:59 minutes. Close on his heels came Barrington's Ernie Campbell, who was followed by three other Bentley harriers. Bryant's Ken Knight and Bill Stanton finished eighth and ninth respectively.

Other Bryant runners are Robert St. Pierre, 15; Gary Underwood, 17; Manual Coloura, 19; Robert Coleman, 22; John Desautell, 24; and Robert Stutz, 28.

Masquers Membership

(Continued from Page 1)

Broadbent, our immediate past president, was appointed as consultant to the group.

The major production of Masquers for this semester will be a play entitled Malcolm, by Albee. Tryouts will be announced soon and all students interested in trying out should watch for posters announcing the dates set for them. The play books will be on reserve in the library and can be read there so that prospective participants may become familiar with the play before trying out. The play will be presented sometime before Christmas vacation. The official date of production will be announced in the very near future.

Our first play will be dedicated to Mr. David M. Brooks, Jr., the advisor to Masquers for the past few years and a member of the Bryant faculty for over ten years. Mr. Brooks to whom Masquers voted an Honorary Life Membership, moved to Connecticut this summer to accept a teaching post there. We are all sorry to lose him as his dedication to Masquers and to dramatics inspired all of those who had the pleasure of working with him.

We are, however, proud to announce that Mr. John LaFontaine, an English instructor here at Bryant, has taken over Mr. Brooks' duties. We are all pleased and indeed honored to have a man of Mr. LaFontaine's caliber as our new director. His sensitivity to drama and the arts and his understanding of the college student make him a more than fitting replacement for Mr. Brooks.

To those freshmen whom we have not had the pleasure of meeting, and to all new transfer students, and to anyone interested in dramatics, please feel

welcome at any of our meetings, which are held weekly on Tuesdays at 3:00 in the auditorium of the new Student Activities Building. In addition, to those of you not interested in actually helping in production, please support us by joining the audience. A good audience helps us and we can promise you that you will enjoy watching our performances as much as we enjoy performing them. And, oh, do we enjoy performing! For a little fun in your life, try acting! These students already have decided to: Claire Arel, Margaret Birrell, Kenny Cohen, Marc Bleecher, Bob Calderwood, Paula Charlonne, Doug Fisher, Bob Haigh, Stephen Hamill, John Hanhauser, Susan Heineemann, Chuck Kleiner, Stanley Krinsky, Lynn Krause, Laurie Levine, Paulette Lussier, Sandra Miller, Patricia McQuillan, Dean Markham, Herman Reynolds, David Sigel, Patricia Searle, John Talcott, George Vacca, Bette Lou Whitmore, Everett Zorra, Brian Alkon, Joan Luszcz, James Greer, Andrea Dienes, Arthur Kamin, Howard Kalnitsky, Alan Fellner, Billy Levine, Jack Gular, Fernando Figirieredo, Donna Marcinek, Ralph Menke, Perry Grow, Jon Hecht, Martha Dugas, Marvin Lax, Linda Porcaro, James Cohen, Danny Koojoilian, Dave Lindquist, David Pinta, Jim Greer, Lou Kalman, and Charlotte Rivard.

By Laurie Mand

We were glad to see such a good turnout at the mixer last Sunday night. We also hope to have some better events planned in the near future, such as an outing at Lincoln Woods on October 16, with Brown and Pembroke.

This coming Sunday, October 9, the first Hillel Brunch of the year will be held. It will begin at 11:00 a.m. There will be plenty of LOX and BAGEL along with pastry and beverages. Everyone is welcome to attend the brunch in Gardner Hall. We hope to see all of you there. Those wishing to become members of Hillel can do so at this time.

For those wishing to attend Friday evening services, there will be rides in front of the Union at 7:15 p.m. We are pleased to say that the turnout at last Friday night's services was very good.

Again a reminder for those interested in Israeli dancing; it will be held each Thursday evening.

Don't forget the BRUNCH THIS SUNDAY AT GARDNER HALL!!!!

Placement Orientation Conferences

Student-senior conferences for the 1967 graduates in the School of Business Administration will be held on Monday, October 10, and Monday, October 17, at 9:00 A.M., in the Auditorium.

It is imperative that all B. A. seniors attend these two conferences in order that they may be fully aware of the services which are offered by the Placement Office and also to familiarize themselves with job-hunting skills and the opportunities available in business and industry.

This assembly will also set the pace for the large On-Campus Recruitment program which starts in February and will end in April 1967.

Well, the girls of Beta are hard at work planning and practicing for another athletic season. This year there will be one important difference, though. You won't have to turn the score sheet upside down to see us come out on top!

Good luck to Mary Kilpeck and Joe Vendatelli! We couldn't have picked a better couple to win the dance contest for us.

Attention all you people with dirty cars! Our Car Wash may have been rained out on Saturday, but we're ready to try again. Just to make sure you don't get lost on the way down, it's Colletta's Garage on the corner of Angell and Thayer Streets. Contact any sister of BSG to find out the new date.

Glad to see so many of you freshmen and independents turn out for the Open House; and to all you girls who showed such an interest in Beta Sigma Gamma, we just want to say that we feel lucky to have so many friends.

Eileen and Maida, I've never seen you two turn so many shades of purple; but before you finish work on plans to rob some bank, let's wait and see if someone's rich uncle dies, OK.

Phi Sig's championship bowling team is back on the alleys once again. This year's team consists of three of last year's veterans. These veterans are Ken Crystal, George Goodman, and Bob DeCesaris. The two players that were lost through graduation are ace Bob MacDonald and Dick Smith. The fourth and new member of the starting team is Brian Kent.

Although the team won the first place trophy in both the fraternity and independent leagues last year, each individual player has some additional awards or accomplishments to his name. First, each member of the team was a member of the Bryant College team that participated in the New England College Bowling Tournament last spring. Also, Ken Crystal was the New England All Events Champion in this tournament. George Goodman was the co-winner in the Doubles Event with alumni Bob MacDonald, and Bob DeCesaris narrowly missed a trophy in a similar event. The averages for last year's season for each individual player were Ken Crystal with a first place average of 182, George Goodman, 172, and Bob DeCesaris, 166. With most of the team returning and the addition of Brian Kent to the starting roster, the outlook for the coming season should be a very optimistic one. Best of Luck!!!!

Phi Sig would like to extend their thanks to all the freshmen and independents for coming to the G.L.C. Open House last Monday. Your attendance was appreciated.

Last weekend was a good one for the K.T. brothers and their dates. Friday night an apartment party was held at a brother's place, which turned out to be a great time for those who attended. Saturday night was a follow-up of Friday night but at a different apartment.

The brothers of K.T. want to remind the freshmen to keep their eyes open for the posting of the dates for the fraternity smokers. The smokers will begin very shortly, and this year K.T. has the second smoker. Hope to see a lot of interested independents there.

Congratulations must go out to K.T. brothers George Lusher, Richard Stoleoff, and Barry Schwartz in their recent marriages. All the brothers of K.T. want to wish them and their wives the best of luck in the future.

The K.T. brothers also want to thank all the students for their fine support in the K.T. raffle held last week. The winners were first Kathy Dore; second, Mary Carey; third, Jimmy's Pizza.

K.T. has its first football game Tuesday, October 4, against S.L.P. With the fine quarterbacking of Dave Greenblatt and the linemen services of Mike Raysor, Eric Marquart, Tim Moore, Kevin Donovan, Rudy Nicoletti and Jack Minnehan, the K.T. coach, is looking forward to a very successful season.

The girls in gold are back on campus! All the sisters wish to express a hearty "Hello" to all the Freshmen and new students with a sincere hope that they are finding themselves at home at Bryant.

Of those who are taking that big step are Judy La Proua and

What The Greeks Are Doing

Jim Aubin married September 18, and Janice Cain and Bruce Cranshaw married September 12. We all wish them luck and happiness. Sincere congratulations are also extended to Karen De Rose and Arlene Simon on their recent planning.

Volleyball season is approaching with the sisters in hopes of capturing another first place in sorority intramurals.

We were all glad to see that ZELDA POO and THE FIVE DRIPS was a smashing success. Good luck at the dance tonight; we're all behind you. Also good luck to Chris B. and Witch, I'm sure you'll both put on a fine show in the dance contest Saturday night. All the sisters of THETA want to wish AOX and DEX success with their weekend.

Just a little note with a lot of meaning to congratulate Denise Rapp on her recent engagement.

Well, sports are coming up and our volleyball team is ready to go! Also, bowling is coming up and the girls say there are lots of strikes and spares coming up. Well, girls we're behind you all the way.

At this time we'd like to thank Judi Kowalski for doing such a fine job on the GLC Open House poster. It was really fantastic. We were glad to see such a fine turnout at the open house and hope to see a lot of you girls at our upcoming smoker. We would like to get to know you and have you get to know us.

Phi U and Chi Gam held a party Saturday night for George Kane, a brother who is leaving for the service. The brothers presented George with a plaque, and we all wish him the very best of luck and success in the future.

Plans are under way for our Smoker, which will be held October 25. The sisters met at Eileen Cioe's house last Sunday and began working on our favors for the Smokers. I'd like to thank Eileen for allowing us to use her home and many thanks to her mother for the delicious food she made us.

Fran Yurman and Ken Silvia will represent us in the dance competition Saturday night at Campus Follies. Good luck to Fran and Ken. We know you'll do a good job!

We'd all like to wish DEX and AOX the very best of luck for a successful weekend.

Congratulations to the brothers who defeated Beta last week. Good game, guys!

With another week in the past and Campus Follies nearing, the brothers are working hard under the direction of Jim Zorbo for another winning performance. The GLC open house held last Monday, gave prospective pledges a fine opportunity to examine various fraternities and sororities and converse with their members. We would like to extend our gratitude to all those who were present and interested in BIB. The tension of school work was somewhat relieved last Friday night when BIB held one of its real fine parties strictly limited to the brothers and their dates. If my memory serves me correctly everyone had a head Saturday morning. Well, it happened last Thursday afternoon when BIB took the field and put down the boisterous boys of AOX. In a game marred by constant precipitation, BIB definitely outplayed the "X's" and won the game on first downs. With the quarterbacking of Dick Durant and fine defensive plays of "Buzz" Conaty and "Little Mickey" Kistiner, BIB looks like a strong contender for the title this year. This year's team is under the guidance of Steve Genlen and Steve Bermen. The brothers are very pleased to announce the return to school of brother Charley Bradley, and also the return of "Bone's" car by the Boston Police. It seems as though "Lank" and "Cuda" just can't get together on the beat, and co-ordinated "Yo" is having trouble with those dance steps. The brothers would also like to extend their thanks to all those who supported Phil Botana and Bill Arndt in the recent elections. By the way, who wound up Shapiro last Friday night?

Dominguez are our contestants for the "Roundup" Dance on Saturday night.

Thanks go to Al Goldberg and Ron Morneau for their time and help in directing the Sisters and the Brothers in our act "Little Abner" which we put on at the Campus Follies Show.

The Brothers wish good luck to AOX on their weekend.

Tau Ep's Bowling Team started the year off with a victory over Cume's Gang by winning two out of three games and total pins. Although the Brothers' scores were lower than average, they are confident of future success.

Tau Epsilon is having their first "Open Party" in the near future. Plans are being made at the present time for a hall and band. Freshmen and Transfer Students, be looking for notices on the party.

The brothers wish to extend a hearty welcome to the freshman class. The first football practice of last year's champions, AOX, was held Sunday. We anticipate a repeat of last year's success on the gridiron. The team is being spear-headed by Manny Alvarez.

Preparations are under way for the big event of the year, Campus Follies. Campus Follies will be held October 6 and 7.

It finally happened! Paul, the Surfer, persuaded a young girl to take his pin. AOX is obtaining a supply of lemons for Pat to use on Friday nights. Pat, how are the doblers holding out? Word has it that W.E.B. is up to his old ways again.

Good luck, brothers, in your studies for the year.

The sisters of Alpha Phi Kappa extend a belated hello to all freshmen and wish them a successful career at Bryant College.

Congratulations to brothen Dick Stoleoff, Barry Schwartz and George Lasher on their recent marriages.

ATK is back in full swing as volleyball practice begins very soon. Good luck to "Sully" and her team.

We hope everyone who attended the GLC open house had an enjoyable time meeting the sisters and brothers. A cordial invitation goes out to all fresh and independents to learn more about our organization at the Smoker. The date is October 27, Thursday night. See you there!

Hi, everyone!

The sisters of KDK welcome all the freshmen and also the returning students to Bryant's campus. We would like to say that we sincerely hope that everyone of you has a profitable year, not only in your studies but also in your extracurricular activities.

Plans are being made for our annual smoker and tea.

We have been working with our brothers, Tau Epsilon, on a skit for Campus Follies. We hope to see everyone there. Butch Charpentier and Lisa
