From the Desk of the President . . .

Dear Class of 1965:

Since you first came as freshmen you have carved out a unique niche for yourselves in our College history. Bryant is old and it is steeped in tradition. But you, the Class of 1965, have given it a new look.

First—you have completed a curriculum that is far broader than the students who have preceded you. Half of your studies were in the field of liberal arts and general education. This should make you feel well equipped to tackle the complexities of our modern world. None of you should ever become “one-dimensional” business men, content to live within the narrow limitations of your offices. You have acquired more, much more, than the skills and talents of a specialized business education.

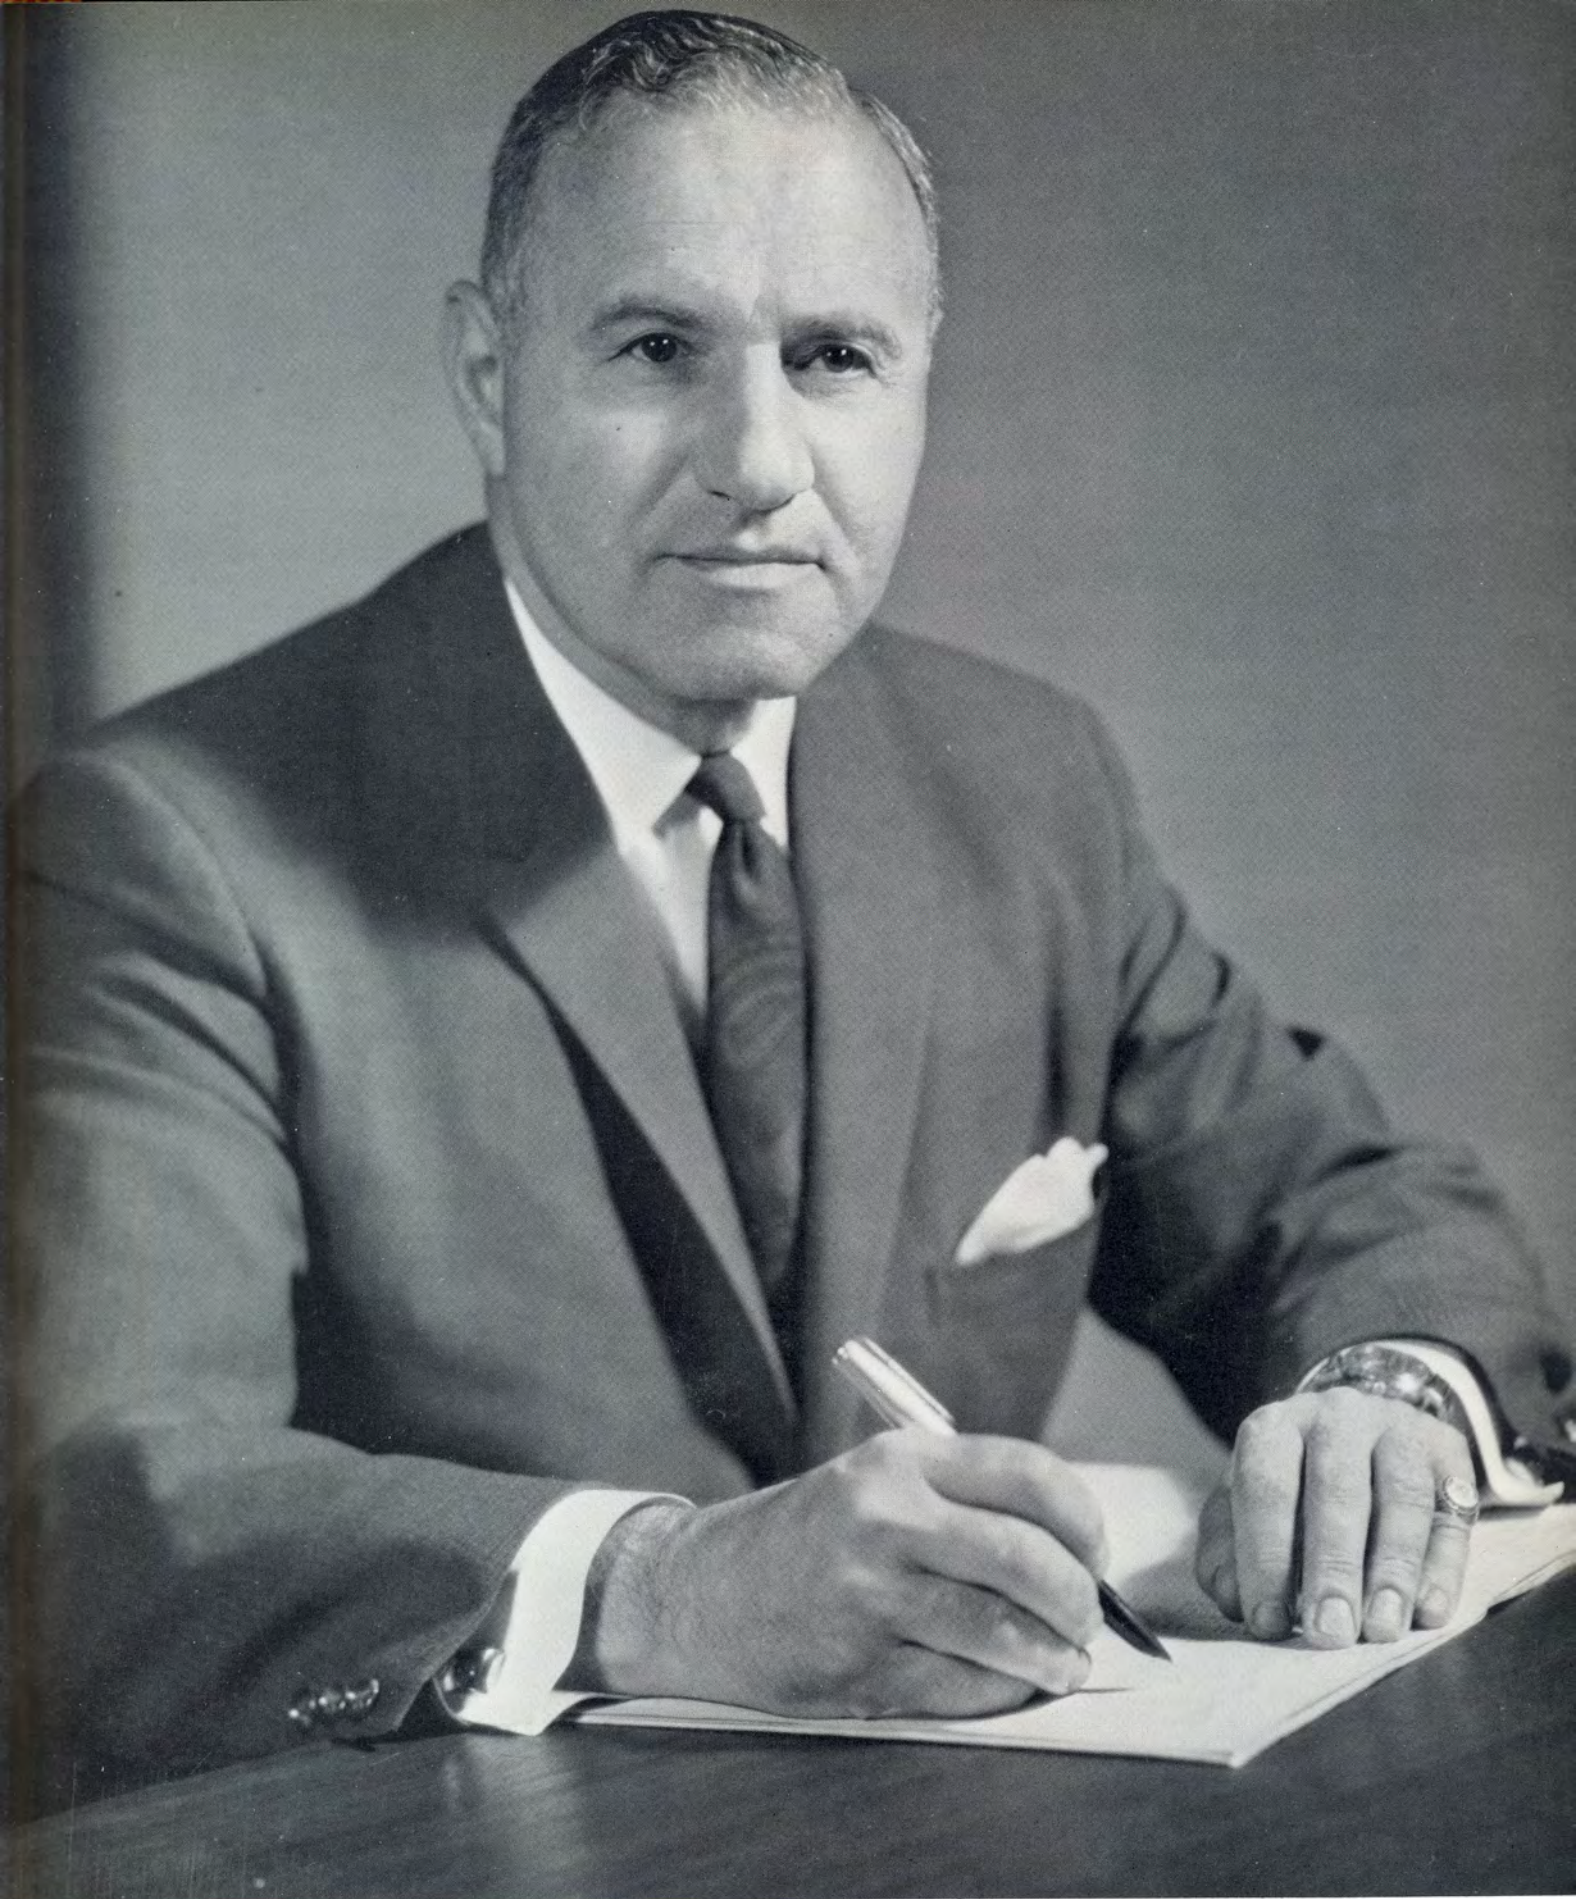

Secondly—you have demonstrated a maturity and a social responsibility beyond your years. The services you have rendered our local welfare organizations speak well for your future as American citizens. By these activities and contributions to our community, you have linked learning with citizenship.

May you continue in these paths of growth and development never forgetting the truth of the words by the distinguished American jurist, philosopher and poet, Oliver Wendell Holmes, who said in 1884, “As life is action and passion, it is required of a man that he should share the passion and action of his time, at the peril of being judged not to have lived.”

As you graduate and become cherished members of the Bryant Alumni Family, remember to come home to visit. I look forward to welcoming you often.

Sincerely,

A handwritten signature in cursive script, reading "E. Gardner Jacobs". The signature is written in dark ink and is positioned below the typed name "E. Gardner Jacobs".

Dr. E. Gardner Jacobs

Dr. Sol Lebovitz

The Student Senate serves as the student governing body on the Bryant campus. The membership is composed of the presidents of each of the non-fraternal organizations including the four class presidents. The officers of the Senate are elected annually from the student body at large. The Senate acts as the official representative of the student body by presenting all justified requests, opinions, complaints, or grievances to the Administration, along with any other matters which directly or indirectly concern the general welfare of the student body. The Student Senate is also concerned with promoting friendly relations with the general public through the development of a better public understanding of Bryant College and an appreciation of student problems.

Timothy Hunter *Secretary*
William Thomas *Treasurer*

FIRST ROW: Tim Hunter, William Thomas, Michael Jasper, Arnie Alkes, Alan Hass. SECOND ROW: Norman Silberman, Jeffrey Proctor, Robert Setterlund, Mike McNamera, Andreq Tieman. THIRD ROW: Hank Hoenig, Clovis Potter, James Mogan, Richard Snyder, David Rome.

Circle K Club, the school service organization, has completed its third successful year on the Bryant campus. The club, while dedicated to service, has also provided educational lectures and activities for the students and members.

Litter baskets were sold on campus to raise funds for the Kennedy Memorial Library and the club. A stamp machine was added to one of the girls' dorms to supply the club with funds.

In October the club sponsored a demonstration and lecture by the Providence Police Department on their Canine Corps. In November, Raymond Pettine, the Rhode Island District Attorney, spoke on the subject of tax evasion.

The second annual bridge tournament was held during the winter and trophies were awarded to the winners.

Current Events Club

OFFICERS

Dennis Swartz *President*
Robert Smith *Vice President*
Steven Kelly *Treasurer*
John McAuliffe *Secretary*

FIRST ROW: John McAuliffe, Advisor Dr. Lebovitz, Dennis Swartz, Robert Smith, Stephen Kelly. SECOND ROW: Emery Trowbridge, David Lasher, Eileen Ayotte, Warren Corin, Robert Calef. THIRD ROW: John Warzocha, Robert Setterlund, Norman Hansen, Mike McNamara, John Kelly.

The Current Events Club was established on the campus in 1963 for the purpose of fostering interest in current affairs on local, national and world levels. During the club's existence, it has had exclusive interviews with such leading dignitaries as the Governor of Rhode Island, and international news broadcaster, and a member of the Atomic Energy Commission.

Panel Discussions are the club's primary means of exchanging views and opinions among its members. This year, these panel discussions have ranged from the Vietnam crisis to the Pawtucket teachers' strike.

Since the club membership consists of students from all parts of the country, there is a wide diversification of beliefs and issues.

Alpha Pi Investments Club

OFFICERS

Lawrence Frazer *President*
Bernard Carmell *Vice President*
Alan Goldfine *Secretary*
Steven Swartz *Treasurer*

ROW ONE: Alan Goldfine, Lawrence Frazer, Advisor Prof. Manion, Bernard Carmell, Steven Schwartz. ROW TWO: Charles Cyr, Irwin Kurnitsky, Chester Janik, Terry Bishop, Paul Ceresa. ROW THREE: Jack Ray, Vim Rabb, James Gill, Alan Wiener, Augustine Nunes.

Alpha Pi, the newest member in the student senate, was founded in the fall semester of 1963. Alpha Pi, better known as the Investments Club, is the first organization on campus to function in the dealing of stocks and bonds.

The purpose of the Investments Club is to help the college individual to gain and possess the invaluable knowledge of securities, which are of a speculative nature.

The organization, through the work of its committees, does research on new corporations coming on the market, and makes seminar trips to stock brokerage firms that included Francis DuPont; and Paine Webber, Jackson, and Curtis.

Led under the fine guidance of our advisor, Professor Manion, Alpha Pi has invested in companies that include Alside Corporation, B.V.D. Gillette Company, and Hess Oil.

In the future, Alpha Pi has plans to visit the stock exchanges on Wall Street.

Delta Omega is one of Bryant's oldest organizations.

For years, Delta Omega has hosted leaders in both government and business at its dinner meetings. The speakers discuss various experiences and hints in business which they believe will help the students in their business pursuits.

During the past year, Delta Omega hosted a variety of speakers ranging from prominent politicians to astute educators. At the second dinner meeting, Mr. C. Van Allan Clark, Jr. spoke to the Society on education and its value relative to the business world today. Mr. Clark is not only a successful businessman but he also is an educator in his own right, having served as Dean of the Business Department at Massachusetts Institute of Technology for several years. Governor John H. Chafee was the speaker at the fifth dinner-meeting. Senator Pell also addressed the group.

In conclusion, it can be said that the academic year will long be remembered as one of Delta Omega's most successful years.

The American Marketing Association has long identified itself accurately and concisely as an "Association for the Advancement of Science in Marketing." Webster defines science as "a branch of study concerned with the observation and classification of facts, and especially with the establishment of general laws, chiefly by induction and hypothesis" and again, as "accumulated knowledge systematized and formulated with reference to the discovery of general truths." This is, indeed, what is meant by science when we say the American Marketing Association is dedicated to the advancement of science in marketing.

Since the American Marketing Association seeks to advance the science of marketing, we include among our members those concerned with marketing science and who contribute to its evolution. Indeed, it is a major task of the Association to describe the nature of professionalism in marketing and to help to provide the continuing education of those professionally engaged in marketing. The Association provides the machinery for Conferences, Seminars, Publications, Special Projects and Chapter Activities. These activities are greatly enriched, broadened, deepened by participation of large numbers of thoughtful individuals. The very numbers permit organization into units small enough to serve special interests of all members by broad industry category and functional activity.

Theta Tau organization was founded in 1935 by a group of teacher-education students to provide educational, as well as, social activities for students enrolled in the teacher-education program at Bryant College.

Among its activities this year, Theta Tau has sponsored a raffle and Christmas party for the benefit of the children of the Ladd School, as well as, dinner-speaker meetings at which educational and professional people spoke of the problems that would be of interest to future teachers. Members of Theta Tau were also selected to represent Bryant at the Eastern States Conference in New York this year.

At its final banquet each year the newly elected officers are installed and an award is presented to the outstanding senior member who has done most for the organization.

We are pleased to have Professor Ferguson as our faculty advisor who has been a great help to Theta Tau's 1964-1965 officers.

The purpose of the Bryant Christian Association is to bring together all Protestant students for the enrichment of their understanding of their tradition.

Our religious activities consisted of church visitations to six denominations of the Protestant faith so that we could learn the small differences within the Protestant traditions and create within ourselves a better understanding of the Protestant religion as a whole. In addition to sharing the responsibilities of the freshman orientation dance in the fall and the Brotherhood Week discussion group in February with the other organizations of the Interfaith Council, we held a retreat, at which time we sought the true meanings of the Protestant religion.

Our community activities consisted of a South Providence Work Project in which we painted and wallpapered several houses for people who could not do it themselves, and a Fox Point Recreation Project at the Fox Point Elementary School.

Our social activities consisted of two bowling parties, a hayride, a dance open to all students, and an ice skating party.

The Bryant College Counselorship of the B'nai Brith Hillel Foundation was established in order to provide Jewish students with opportunities and facilities (Hillel House) for deepening their great heritage and to help them discover the relevance of that knowledge to everyday living.

What has Hillel done this year to foster the ethical, cultural, and religious values inherent in Judaism? The "What-Where-When" signs have been tangible evidence that study groups, Hebrew-speaking classes, brunches with stimulating speakers, a hayride, and mixers have kept our large membership happy, busy, and well-informed.

ROW THREE: Olga Lagana, Joyce Sobieski, Kathryn Smith, Mary Ellen Purvis, Hazel Kirkpatrick, Paula Bacganski, Carol Krajewski.

The Newman Club has attempted this year to deepen the spiritual, and enrich the temporal lives of its members; to fulfill a balanced program of religious, intellectual, and social activities on the Bryant College Campus.

During Freshman orientation, the Newman Club invites all Catholics to attend its open house party. During the year, frequent speaker meetings were scheduled, two refreshers were held at our Lady of Peace Retreat House during Lent, and the members attended daily mass at St. Joseph's Church.

Last year the Newman Club sponsored a Clothing Drive for the Missionaries in South America. Brotherhood 1965 was held in the Bryant Auditorium in February sponsored by the Interfaith Council. The Rev. Edward H. Flanney, Editor of the *Providence Visitor*, and Ben Shapiro, Massachusetts Commissioner Against Discrimination debated on the qualities of Brotherhood.

The Newman Club ended its activities with a banquet in May.

The *Archway* is the official Bryant College newspaper. It is issued semi-monthly, and edited and managed by members of the student body. The paper contains notices of campus events, interesting news items, editorials and expressions of student opinions.

The *Archway* serves a major co-ordinating function on campus. It co-ordinates the activities of all organizations on campus by providing an expedient means of communication to the student body. The *Archway* also coordinates administrative policies at the college by communicating them to all factions concerned.

The *Archway* provides interested students with an opportunity to assume positions of responsibility on campus that they would not otherwise be able to encounter in ordinary campus life.

The objective of the *Archway* is to present news as its reporters see it. The *Archway* assumes an unbiased position and never acts to the detriment of any faction on campus.

Bryant Choralaires

OFFICERS

Kenneth Levine *President*
Laurence Levine *Vice President*
Marcia Fiske *Secretary*

The Glee Club was organized and directed in 1943 by Professor Ralph S. Handy and was composed mostly of secretarial students. The group was split in 1946 to form both a men's and a girl's glee club, but was again combined in 1951. In 1952, the Glee Club recorded Bryant's Alma Mater, which was used on Bryant's radio program, "Bryant's View."

Mrs. Appleby took over the direction of the group in 1954 and put on outstanding performances by using costumes, dancing and singing. Showtime, U.S.A. was put on in 1957 and was a memorable show for all.

Professor Handy took over the Glee Club once again in 1959. Mr. Alberg, who became the director in 1960, has been assisted by Professor Handy.

In 1963, the Glee Club was renamed the Bryant Choralaires by a freshman—Barbara Rohloff. The Choralaires give two concerts a year, Christmas and spring; sing at the main post office at Christmas time; and at the Senior Mother-and Daughter Tea in May.

THE MASQUERS

Advisor, Prof. Brooks, Jr., Ellen Bain, Donna Strunk, Geraldine Fox, Bill Chamberlain. ROW TWO: Jerry Wigler, Howard Paskow, Warren Corin, Bruce Broadbent.

Masquers, the dramatic society at Bryant College, stages two productions varying in content from dramas to comedy farces.

Masquers strive to give its members an enjoyable outlet for expression while developing many traits which will be of immeasurable value in later life. Electronics, carpentry, makeup and even upholstery are a few of the areas in which a member gains valuable practical experience. The actor develops poise; learns proper articulation; improves the capacity of his memory; and learns to feel at ease when addressing any audience.

The material rewards of Masquers includes an annual theatre sponsored by the group and pins, trophies, or certificates given to members for tenure of active membership or one of many superlative qualities.

The Bryant College Orchestra has been the leading musical organization on campus since the early days of the college. The Orchestra is a non-profit organization supported by the college. Among its functions on campus, the orchestra supports other organizations, including the Glee Club and "The Masquers." The Orchestra also plays off campus for charitable organizations.

The student membership is composed of musicians who are competitively chosen for a position in the Orchestra, and they are directed by Professor Ralph Handy. These musicians have become a well-balanced musical organization. Our music library ranges in selections from old time favorites to today's modern Jazz.

As President of the Freshman Class and speaking on behalf of my fellow class officers and the Freshman Class, I would like to say that this year has been a most prosperous year. Our Class has had four class meetings with a fairly large turnout at all of them. Students of the Freshman Class have shown an interest by bringing their ideas to meetings and expressing their views. Through class meetings, Freshmen were able to meet other Freshmen and make friends with fellow students interested in the same things. The Freshman Class sponsored a dance in May which was a complete success.

Class of 1967

Vice President Anthony DeQuattro
Secretary Marlene Gorab
Treasurer Michael Raysor

The Class of 1967 has had at their class meetings this past year interesting speakers such as Dr. Jacobs who spoke on the past, present, and future of Bryant College. He explained the future expansion plans of the College. The Sophomore Class also helped to support the 1965 Winter Weekend sponsored by the Student Senate and Greek Letter Council. Members of the Class of 1967 also volunteered to participate in the Bryant College Youth Guidance Program which was organized by the Executive Board of the Student Senate. All in all, the Class of 1967 enjoyed a prosperous and united year.

Class of 1966

The Junior Class of 1966 began its year with the most spirited and enthusiastic campaigning yet. Four slates of candidates participated in the elections. The "election spirit" was carried over to other class functions; thus, the class meetings were both well attended and interesting with various school administrative officers speaking at each session. Dr. E. Gardner Jacobs initiated the series with a talk on the "Dynamics of Bryant College" followed by a question period by class members. At the next meeting Mr. Stanley Schuman, Placement Director, spoke on the "Services and Assistance Provided by the Placement Office." Next to appear was Mr. Kenneth Cedegran, Director of Alumni Affairs, who explained the "Emerging Role of the Alumni at Bryant College." As of now the class officers and social committee are assembling preparations for a "Junior Class Day Outing" which will be the conclusion of a successful "junior year."

Here it is graduation time again at Bryant College. Bryant has produced another top-notch class; however, this class is just a bit more special. Its graduates are the people who started out four years ago when Bryant first became a four-year college. Its graduates are the first to graduate from Bryant College since it has become a fully accredited institution. Its graduates are composed secretarial, teacher-education, and business administration students. Moreover, this graduating class is made up of leaders who are eager to work in their specific field. As freshmen, four years ago, they assembled from many states and foreign countries; scared—but hopeful, new—but willing to work at the job of learning. Dr. Sol Lebovitz, Senior Class Advisor and to whom this book is dedicated, was instrumental in procuring the most interesting speaker of the year, Mr. Lin from Malasia. The Senior Class—1965 has worked hard at the job of learning and making friends. November, 1964 saw the first Senior Class Raffle; April 1965 saw the first Senior Class Ad-Book; and May saw the first Senior Class Outing. All of this, with a goal in mind, leaves Bryant College a memento of our stay.

This academic year completes the 27th year the Greek Letter Council of Bryant College has been in existence. The Greek Letter Council is a governing body of the nine fraternities and nine sororities on the Bryant campus. Twenty-seven years ago there were just a few fraternities on the campus. The members of the various organizations saw a need for rules to be set up as a guideline for all organizations. Rather than have outside forces set up and enforce these rules, they decided that a supreme organization made up of the presidents of all fraternities should be set up to carry these duties out. The Greek Letter Council was born. The Council is the liaison between the Bryant Administration and its fraternal organizations. Realizing the need for better public relations, the Council set up an annual community project. Beginning with a trial run last year, the Council members journeyed to the Nathaneal Greene Homestead in Warwick, Rhode Island, to help clean up this state shrine. It was decided to make this an annual project. Over the years the Council has proved to be a leading and worthwhile organization. As the years pass by, fraternity and sorority members cannot help but feel proud that they are a small part of this grand organization.

Zeta Sigma Omicron

Zeta Sigma Omicron was founded late in 1957 by ten girls upon the request of Alpha Omicron Fraternity. In June of 1958, Zeta was accepted by the brothers of Alpha Omicron as their sister sorority, and in September of 1958, Zeta was officially recognized by the Greek Letter Council

The colors of Zeta Sig are purple and white. The official flower is the baby orchid. Activities, in the past, have included community work, intramural sports, and of course the usual dances and parties.

This year we have worked together with our brother fraternity in helping to produce Monte Carlo Nite.

We have participated in Mr. Bryant, Miss Bryant, May Queen, Campus Follies, and Mr. and Miss Personality Contests. Our goal is to promote activities that will reflect credit, merit, and honor on Zeta Sigma Omicron and Bryant College.

No candidate for sisterhood shall ever be barred for reasons of race, color, or creed. Candidates are chosen for high standards of honesty, morality, sincerity, integrity, individuality, and loyalty.

Alpha Omicron

Alpha Omicron was founded in 1957 by a group of Bryant students in Stockwell House. It is the smallest fraternity on the Bryant College Campus. The brothers devote as much time as possible to the goals of brotherhood and charity.

Alpha Omicron is proud of its past record and is successfully attempting, through hard work on the part of all brothers, to add to this record in each year of its existence. New and old brothers accept this philosophy and continue it with words and deeds.

This year Alpha Omicron is losing six brothers through graduation—Bruce Smith, Ronald Robalewski, Ronald Parnigoni, Paul Driben, John Stashefski, and John Lemme—all of whom have given to A. O. all the help they possibly could in making it the fraternity it is today. These six men have proven that a fraternity is made by what one puts into it; not what one gets out of it.

Delta Sigma Chi

Delta Sigma Chi was formed in 1954. It, like many other sororities, was organized to promote social and charitable aims. Delta Sigma Chi has achieved this in the most profitable degree. Our charitable work is done at the Mount Pleasant Orphanage, the R. I. Hospital and many other local places of this type.

In a college the size of Bryant, it is sometimes difficult to get acquainted with a large number of fellow students. Delta Sigma Chi gives young girls the opportunity to meet so many long-lasting friends.

The symbols of Delta Sigma Chi are the shield, representing dignity; the out-stretched hand, signifying sociability; and the lily, indicating chastity.

We are proud to have Mrs. Elaine Zayat as our advisor. Elaine is a past president and wonderful asset to Delta Sigma Chi. Her counseling and assistance are invaluable to our sorority. Meetings are held twice monthly. Very often informal meetings are held in the homes of the sisters, thus giving a friendly atmosphere to the meetings. Delta's athletic program is expanding. Basketball, volleyball, and softball keep the girls on the go.

Delta Sigma Chi is a growing sorority. Its aims are quality among their girls as well as quantity. In the next few years to come, Delta Sigma Chi will be one of the largest sororities on the campus of Bryant College.

Alpha Theta Chi

"The fraternity's main purpose and objective is that of inspiring the leadership and fair play that prepares future graduates of Bryant College to become helpful useful citizens by molding and encouraging their ideas and beliefs."

Alpha Theta Chi fraternity holds its motto sacred and strives in all its actions to accomplish the high standards set by such a pledge. ΑΘΧ gives the individual a deep feeling of true brotherhood by accepting him completely; strives to teach him fair play through sports and collegiate activities; instills in him mature responsibility by giving him leadership opportunity; and develops his physical being through vigorous activity.

Campus Follies is an annual competition sponsored by the fraternity. A blotter is distributed to all incoming freshmen each year free of charge. Each year we sponsor a spaghetti supper for all potential pledges.

The proceeds from the annual raffle go to the Mount Pleasant Children's Home. The fraternity adopted cottage M at the Home in 1959, and each year gives the children a Christmas party. In 1957, Alpha Theta Chi adopted a Korean orphan, Lee Jeh Kon, and corresponded with the boy regularly for many years. We have the distinction of being the only fraternity on campus to have retired the Community Service Trophy by three consecutive years. We have retired two such trophies.

Sigma Iota Beta

The Lord is our Shepard.
He keepeth our sisterhood strong.
He maketh us walk courageously on the path
of righteousness.
He provided our unity and strength.

May the shield of our sorority pin protect
us against all evil.
And our colors blue and white help us strive
for truth and purity.
Though hardships and burdens confront us,
we fear not.
For he keepeth our sisterhood everlasting.

May our spirit keep us strong,
And our love for SIGMA IOTA BETA will dwell
in our hearts forever.

Beta Iota Beta

In 1944, a World War II veteran named George Kane, founded an organization called Beta Iota Beta Fraternity. This brotherhood was intended to be strictly independent of any national organization and to be exclusive to Bryant College. The main objectives Mr. Kane had in mind were to exhibit good sportsmanship; due consideration for the opinion and feelings of others, irrespective of their race, color, or creed, to maintain a perfect command of temper in all their endeavors and to seek truth for all.

These objectives that were clearly laid out twenty-one years ago apply greatly to Beta Iota Beta today.

The first objective Mr. Kane had in mind was to display good sportsmanship. Beta Iota Beta participates in every function possible. Whether the function is a football game or the preparation for our May Queen Dance, there is always complete cooperation from all the brothers. The brothers of Beta Iota Beta know that winning is important, but more important than winning is the working together as brothers. By placing the value of working together as a brotherhood above all, we believe that the best results will be produced. The winning of this year's Campus Follies, Personality Ball, and the tennis championship, is proof of BIB's objectives.

Sigma Lambda Theta

Sigma Lambda Theta Sorority was founded in 1928 and is one of the oldest sororities on Bryant's campus. Theta's sisters abide by the motto: "Esse Quam Videri," which means: "To be, rather than to appear." Theta's Greek letters are significant in two ways. They are worn on white sweaters and serve to indicate the qualities that are looked for in every sister. Sigma stands for sisterhood, Lambda stands for learning, and Theta stands for honor. Red and White, which are Theta's colors, stand for courage and purity. The red rose of Theta adds further to this quality of courage.

Along with our brother fraternity, Beta Sigma Chi, Theta sponsors many activities. One of the most important of these activities is giving parties for the children of St. Aloysius Orphanage. Each February, Beta and Theta go skiing in Vermont for a weekend. Beta and Theta sponsor the Personality Ball, which is held annually. A pledge formal is given each year to honor as well as to welcome the new brothers and sisters of Beta and Theta.

Theta itself engages in many activities that serve to further unite the bonds of sisterhood. The wide variety of intramural sports, ranging from volleyball and softball, enable each sister to participate. At Christmas time the sisters of Theta raise their voice in song and sing Christmas carols around campus and the surrounding neighborhood.

Beta Sigma Chi

Beta Sigma Chi, popularly known on campus as "Beta" or "Beta Sig," is a bit more restless than the above picture conveys. Being not content to "sit and let things ride," Beta exerts a high degree of constructive spirit within the ranks of the organization and in various campus functions. Cooperation and perseverance are the key objectives of Beta—whether these objectives result in success or disappointment, "at least we did it together." However, with a strong determination of purpose and the immeasurable degree of assistance from our advisors, we are not often disappointed.

We, of Beta Sigma Chi, wish to extend congratulations to Bryant College on its 102nd Commencement. Congratulations and good luck from Beta to the members of the Class of 1965.

Phi Upsilon

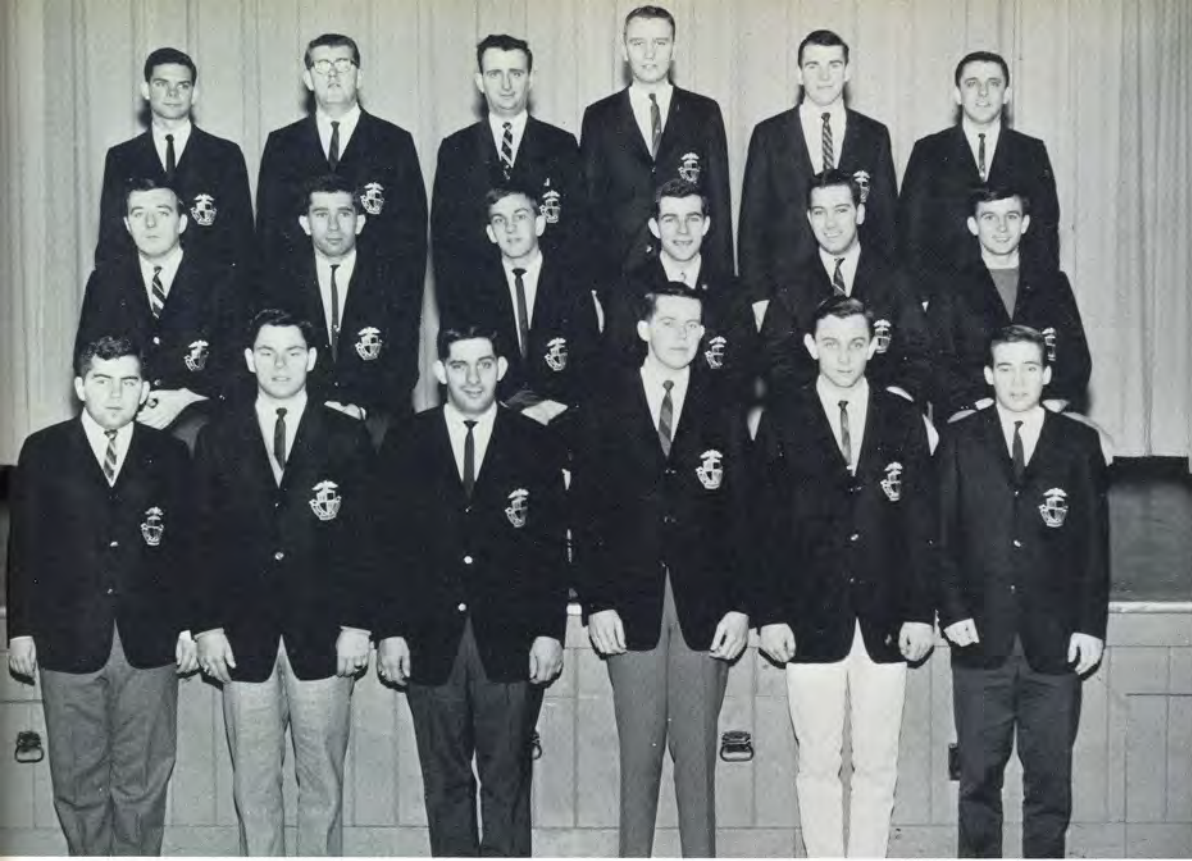

The purposes of Phi Upsilon as stated in the preamble of our Constitution are: to establish a lasting sisterhood among its members; to acquire individuality, honesty, a high standard of mental culture; to be courageous and sincere; to attain personally a high degree of moral standards; to develop, encourage, and pursue the interests of its sisters in school activities; and to maintain a never-ending, unbiased, and self-devoted loyalty to the sorority.

The sisters of Phi Upsilon have always been proud of the sorority spirit which has made it possible for us to show the true meaning of Sisterhood among its members. Outstanding teamwork and sportsmanship have characterized all the activities of the sorority since it was founded in April, 1951.

Although it is difficult to express the true feeling of the sisters towards the sorority in words, we believe that our affection is best expressed in the following song:

Phi Upsilon is our sorority,
Loyal, faithful, to her
We will always be.
And we shall live up to her purposes:
Equality or race, religion,

Color and creed.
Sisters are we, and we shall always be
Proud of having joined
Our own sorority.

Chi Gamma Iota

Perennially, there arises in the dreams of men these three goals: liberty, equality, and fraternity. It would be difficult indeed to do justice in words to the glamour that human imagination has thrown over the nation of brotherhood. From time immemorial, it has stood like a divine promise to the keeper—longings that men have had about themselves and their destiny. Fraternity is a conception to which humanity's greatest religious prophets have turned in ecstasy.

Fraternities encourage men to make more of themselves, and to develop personality, leadership, and initiative. The student has a three-fold duty that he must keep in the back of his mind. There is the obligation that he owe to the college, for it is the college that has helped the fraternity to grow. The student has a fraternal obligation. He must keep up the standards of the fraternity in all respects. His interest in the fraternity and its functions is essential. The student's mind must also remain open to the many problems which will be encountered.

In 1945, a veteran's organization was formed at Bryant. As the club grew, the members decided to organize into a fraternity. Being ex-G.I.'s, these men wanted this distinction; and thus in 1947, the charter was drawn up for Chi Gamma Iota Fraternity.

Alpha Phi Kappa

The purpose of Alpha Phi Kappa is to institute as a sorority, a creative interest in the college we represent; to enact a feeling of sisterhood between our fellow members and associates without discrimination; and to be able to pool our resources and social philosophy in the helping of others.

Our motto is: "The Hand of Friendship."

Each year we hold a joint smoker with our brothers, Kappa Tau. We also hold a formal tea for all freshmen who are interested in our sorority. In the fall, on the weekend prior to Thanksgiving, we join with our brothers to sponsor the annual Turkey Trot Weekend. The following afternoon, members from each sorority and fraternity participate in a pig chase.

Throughout the year we compete with other sororities in sports such as volleyball, bowling, basketball, and softball.

This year we are undergoing reorganization, and for those girls who are willing to work hard, A.P.K. offers many satisfactions and a close feeling of sisterhood.

Kappa Tau

“The hand of friendship”

Kappa Tau Fraternity was founded in 1945 by a group of World War II Veterans. As a social fraternity Kappa Tau has brought forth on the Bryant Campus a feeling of friendship, brotherhood, unity, and academic scholarship. Since its formation Kappa Tau has sponsored the annual “Turkey Trot” dance.

This past fall Kappa Tau instituted the first annual “Greased Pig Chase” as part of our annual Turkey Trot Weekend.

Kappa Tau is very proud of its record in intramural athletics. Last year Kappa Tau won the first annual “George A. Richards intramural Athletic Award.” The “GAR” Trophy is presented to the fraternity which at the end of the second semester in May has accumulated the most number of points determined by its place in the standings at the end of each sport’s season. This year K.T. finished first in softball and second in football. K. Sigma Iota Xi

In 1903, a sorority was founded by the graduates of two colleges in Alexandria, Louisiana. The names of the two schools were St. James and St. Xarvia Academies. These were incorporated and the name changed to St. James-Xarvia. The nearest name in Greek letters were S. I. X. In 1936, Sigma Iota Chi was founded on Bryant campus. In 1963, we found it necessary to sever our ties with national, and as a result, our name has been changed to Sigma Iota Xi.

"I am the eminent expression of comradeship."

Open house on October 5 set the mood for the wonderful world of pledging. Our smoker, followed by our annual Hobo Party, kindled the flame that burns of spirit and inevitably knows that "College girls," unacquainted, step into these precincts, shake hands, exchange greetings, and go forth into the world—friends."

This year's pledge class worked for some well-known charities such as the American Cancer Society. The long-awaited Hell Night held all sorts of unusual surprises. All their hard endeavors were climaxed by our annual pledge banquet with our brothers of Phi Sigma Nu.

Everyone renewed the true spirit of Christmas when we joined our brothers at Lakeside Children's Home for the annual Christmas Party. Our volleyball team was awarded second place. "Education, health, music, laughter—all these are species of interest given for the self-invested capital. Lives once touched by me thereafter become amiable, kind, fraternal. I am the sorority."

Phi Sigma Nu

Phi Sigma Nu was founded at Crane Junior College in Chicago, Illinois, on February 14, 1927, by a group of young men, as the Alpha Chapter of the Bachelor's Club, an informal luncheon club founded in February, 1926.

Early in 1927, the Fraternity was reincorporated by the state of Illinois as the Phi Sigma Nu Fraternity, empowered to charter chapters in colleges throughout the U. S.

The Iota Chapter of Phi Sigma Nu National Fraternity was established at Bryant College in 1932 and since that time the Iota Chapter has maintained a record of high esteem.

It is the object of the Iota Chapter to establish lasting friendships among college students, to acquire individually a high degree of mental culture, to be courageous, to attain a personally high moral standard, to develop the interests of its members in school activities, and to encourage loyalty to the Alma Mater. In general, to work towards the fulfillment of the Phi Sigma Nu pledge of Fraternalism.

Phi Sigma Nu annually gives a Christmas party for the Lakeside Children's Home and also sends its pledges on various helpful errands during its three week pledge period.

Our fraternity is one of the campus sports leaders. In recent years, Phi Sig has won the football championship, the volleyball championship three years in a row, and the softball championship.

Beta Sigma Gamma

Beta Sigma Gamma Sorority, originally known as the Bryant-Stratton Girls, was the first girls' organization on the college campus. This was when Bryant College was known as the Bryant-Stratton Business School. Years later, when the name was changed to Bryant College of Business Administration, the Bryant-Stratton Girls chose to maintain their initials B.S.G. by using the Greek letters, Beta, Sigma and Gamma. Thus our present name came into being.

Our sorority colors of blue and white are incorporated into our sweater, our blouse, our banner, our emblem, and our official flower—the blue carnation.

The sorority emblem is composed of four parts: the torch held in hand, signifies eternity and life; the cap and scroll, signifies scholarship and our affiliation with an institution of higher learning; the Greek letters, BETA, SIGMA, and GAMMA; and our motto of Life, Love and Everlasting Sisterhood.

The purpose of our sorority is to establish a closely knit organization of girls brought together by common interests and genuine friendships. We are willing to participate actively in the building of and maintaining of our sorority standards. We contribute to activities within the community and add to the spirit of Bryant College sorority functions. We actively participate in intramural athletics such as tennis, volleyball, and basketball.

Sigma Lambda Pi

Sigma Lambda Pi was formed in 1935 during the depression years. The goal of the organization was to bring together young college men who wanted to work to bring together fraternal bonds among men students of Bryant College

In 1939, Sigma Lambda Pi's first college Dance was organized. The brothers of the fraternity called it the "Sno Ball" because it was held the first weekend in December. As the years passed, the brothers added to the prim and pomp of the affair. In 1946 a parade was instituted with each fraternity entering a float which presented their candidate. In 1953, marching units made up of brothers and sisters of competing fraternities and sororities were added. Progress does not stop, and in 1962, the parade was abandoned in favor of an on-campus display which could be admired for the entire Sno Queen week and enabled the campus to enter into the Christmas spirit.

In the years to come, Sigma Lambda Pi Fraternity is certain to maintain its position as a leading organization on the Bryant College campus.

Kappa Delta Kappa

Kappa Delta Kappa, founded 1929, is in its thirty-fifth year. It is composed of both dormitory students and commuters. Green and white are the sorority colors and the gardenia is the sorority flower. The KDK coat of arms consists of four symbols: the hand clasp, representing friendship; the beehive, representing industry; the open book, representing knowledge; and the winged foot, representing thrift and speed.

Each year KDK participates in varied activities which include dances, sports, community service projects, pledge banquets, and the Annual Mother-Daughter Dinner. KDK also runs Calypso Carnival annually.

In 1963, KDK won first place in basketball and second place in softball. This year, we worked with Tau Epsilon creating a melodrama for the Campus Follies. For the Personality Ball Celia Gonsalves was our candidate. Sister Milly Fuchs was 1964 Sno' Queen. In sports KDK won the tennis singles and first place in volleyball. In bowling, KDK has always been up with the top bowlers.

Tau Epsilon

Tau Epsilon Fraternity was founded by Edward Wrenn, Milton Israeloff, Alfred Benoit, Louis Castriotta, Cory Richmond, and Henry Mitchell in the year 1929. The founding of the fraternity was supervised by Dr. E. Gardner Jacobs, who was then Director of Student Activities and by Dean Lionel Mercier, who was at the time coach of baseball and basketball. The fraternity was founded for the purpose of promoting enduring friendships, brotherhood, and welfare among its brothers.

With the passing of each graduating class, Tau Epsilon watches its brothers go out into the business world. Though the graduating brothers may travel far and wide, the remaining brothers keep in their hearts the memory of these friends with whom they shared many lasting experiences. Tau Epsilon can honestly say that its functions and activities do promote enduring friendships and brotherhood.

Tau Epsilon, in more recent years, had been widely known for its athletic endeavors and scholastic achievements. Since 1956, Tau Epsilon's athletic teams have been involved in the playoffs of every major sport contested here at Bryant College. In recent years, the overall cumulative quality point averages of its brothers has been the highest of all fraternities on campus.

The Key Society

The Key is the honor society of Bryant College. Membership in this organization not only brings justifiable pride in work well done, but is convincing proof of scholastic standing and ability.

Bryant College Youth Guidance

By ALLAN S. COHEN

As the end of the school year approaches the Bryant College Youth Guidance Program (B.C.Y.G.) planned a picnic to climax the semester's activities. The 45 volunteers and their respective Little Brothers and Sisters along with invited guests spent Saturday, May 8, at Diamond Hill State Park. A program was planned to keep the Youth Guidance members very active. Besides games such as dodge ball, volleyball, and tug-of-war there were some special events of interest to all attending. The State Police Helicopter was there, along with a group of State Policemen in full uniform. The Providence Police K-9 Corps put on a demonstration and a fire engine was on display.

Activities such as these are the vehicles by which the B.C.Y.G. Program has been able to reach its objectives. The objectives can *only* be reached by the continued support and donations such as those listed below. The members of the B.C.Y.G. Program would like to THANK the following contributors for their most generous donations:

The "Indians"

The 1964-1965 edition of the Bryant "Indians" was the finest squad ever floored by Bryant College. The team worked long and hard for their school and their new head coach Tom Duffy. The team compiled an excellent record of 16 wins against only six losses. The season was capped when the "Indians" won the first championship of the newly formed James Naismith Intercollegiate Basketball Conference with a 7 and 1 conference record. Captain Dick Tellier, the only senior on the squad, did an outstanding job as the leader of this very fine team.

Bryant Five Turns Back N.B. Tech

Bryant College's basketball team came from nine points behind to win 83-70 against New Bedford Tech, 88-82, last night at the Hope High School gymnasium. The Indians, in picking up their 14th victory in 20 starts, trailed at the half and wallowed behind the Whalers before catching fire. Ted Alsop put Bryant ahead for good with two free throws late in the second half.

Tom Smile paced Bryant with 25 points and Tony DeQuattro and Alsop contributed 22 and 21 points, respectively. Ken Leonard had 24 for New Bedford.
