Being published by full-time students who are all volunteers, *The Archway* brought the news of the College to all Bryant students each week during the year. The success of the paper cannot be attributed to one person or to several people. Each staff member had a specific task to perform to insure that the paper went to press on schedule — in some cases, there were those who worked on two or three staffs. Thanks to each and every one of them; their dedication has caused *The Archway* to continue to grow and succeed.

SOCIETY FOR THE ADVANCEMENT OF MANAGEMENT

The Society for the Advancement of Management is a national organization comprised of eighty-five chapters and approximately eight thousand members.

Basic objectives of S.A.M. are to increase understanding of professional management; and to prepare members for the transition to his or her first post-college position by developing management skills and to have an opportunity to reconcile theory of actual business practice by associating with practicing managers of today.

S.A.M.'s activities for this year included a panel on Women in Management, co-sponsoring Management Labs with the Student Assistants, co-sponsoring Sales Night with the Marketing Club, Halloween and Christmas candy sales with messages and delivery on campus, happy hours, and we finally got ourselves some T-shirts!

The Tourney of Young Tycoons was one of the club's major events in which various student groups competed against one another in an integrated simulation business game. Winners of this tourney then tackled the next tourney against a graduate, faculty/administration, and an outside businessmen's team in the final competition.

S.A.M. had their second annual Hawaiian Night which was held in the MAC this year. It was complete with a Lu Au in SAGA, leis given out, and an absolute tropical paradise nobody will forget! The enthusiasm, creativity and hard work by all the members made Hawaiian Night and S.A.M. the huge success it was!

AGAPE

Agape Christian Fellowship completed its first full year of being a recognized organization. Agape was established out of a need for fellowship among students. We have held weekly meetings throughout the year consisting of Bible studies, lectures, prayer and song.

Present members are: Sheffield Tulloch, Susan Perry, Bruce Rexroad, Judy Hansen, Eileen Wirn, Jackie Beasley, Bill Busk, and Lori McCurry.

BRYANT FOLK GROUP

The Trinity Singers provides an up-beat sound to the masses on Sundays, but the organization also sings at other functions. This year we sang at the annual Festival of Lights and at the Special Olympics. To steer away from the religious image the group has changed its name from "The Trinity Singers" to the Bryant Folk Group.

COMMUTERS IN ACTION

The Commuters in Action (C.I.A.) is the campus organization which represents the commuting population at Bryant College. We try to get commuters involved in as many on and off campus activities as possible. Not only do we work for social events, but we are involved in working with the college to help improve commuting life in any way we can. We are always open to suggestions, so feel free to stop in any time.

ULTIMATE MESSANGERS

The Ultimate Messenger frisbee team of Bryant College has, after four years of struggle, succeeded in highly competitive intercollegiate play.

The Spring Season proved to be the most fruitful season ever as Bryant reigned as Rhode Island State Champions. They advanced to the New England Sectional Tournament placing second behind the Number Two team in the nation, the Boston Aerodisc. This winning behavior granted invitation to the Regional ULTIMATE Championships where the Messengers ended their season by challenging some of the finest teams in the East: Cornell, Harvard, Middlebury, Columbia, and Dartmouth to name a few.

A warm goodbye is extended to all founding members whose dedication and quality disc playing made a vision a reality. Do it, chew it.

WJMF

WJMF reached its long-sought goal of transmitting 225 watts in 1981. That goal brought about a number of other changes at the new FM89, all of which point in one direction . . . UP!

WJMF's listening area increased from a radius of 7 miles to over 50 miles covering all of northern Rhode Island and into Massachusetts. This expanded area allows the station to reach thousands of people and to serve Bryant's commuting population as well as its campus residents.

The station is broadcasting from the Multipurpose Activities Center in its specifically designed studios.

Perhaps the biggest change at Bryant's radio station has been in attitude. A new professionalism and a sense of pride pervades at Rhode Island's second most powerful collegiate broadcasting station.

WJMF, Rock 'n Roll . . . and a little bit more.

PHI EPSILON PI

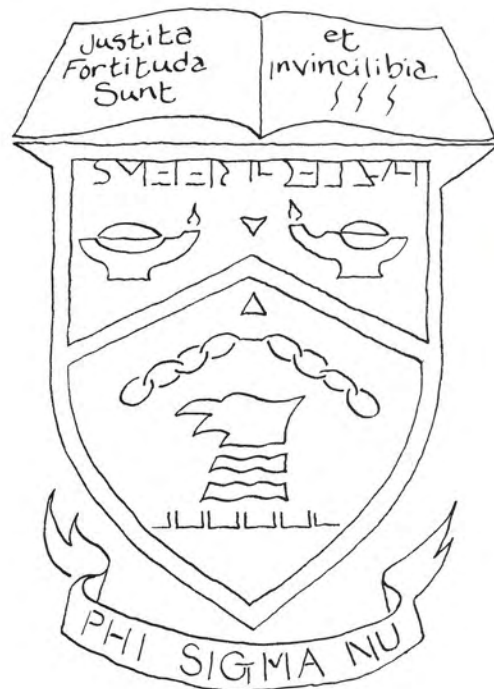

This year proved to be a very rewarding year for Phi Epsilon Pi. The fraternity participated in school athletics, student activities and community functions. The year started off well as Phi Ep placed first in the freshman queen competition. Early in the second semester we welcomed the addition of 13 new brothers. Phi Ep also placed second in the Campus Follies. Our Mr. Bryant Weekend with TE & BSO was a success. Phi Ep would like to wish all the graduation seniors the best of luck in the future.

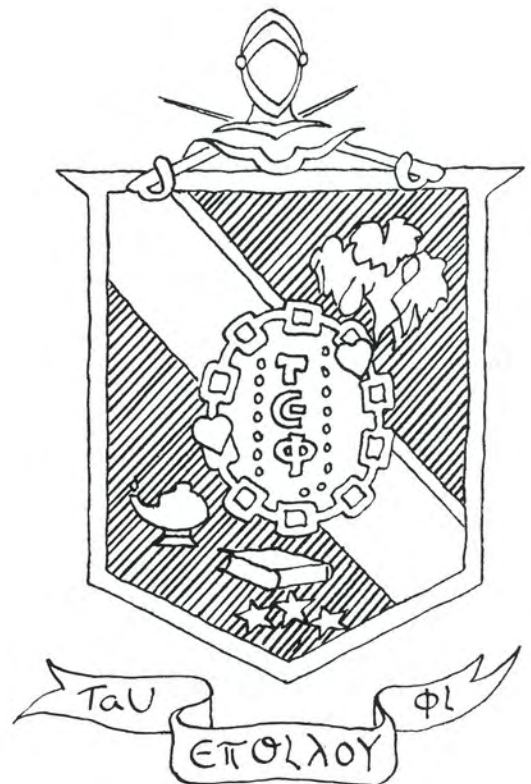

PHI SIGMA NU

Phi Sigma Nu is one of the oldest fraternities at Bryant College. Individuality is easily expressed among its brothers. They serve in many organizations within Bryant and outside of Bryant.

TAU EPSILON PHI

Tau Epsilon Phi is a nationally affiliated fraternity with over 100 chapters across the Country. They are a fraternity based on successful growth, progress and tradition.

The Fraternity has many functions during the school year. Their Sno' Queen Weekend has been a Bryant tradition for over 41 years and includes the Campus follies, the Sno' Queen Pageant and climaxes with the crowning of Miss Sno' Queen at the Coronation Ball.

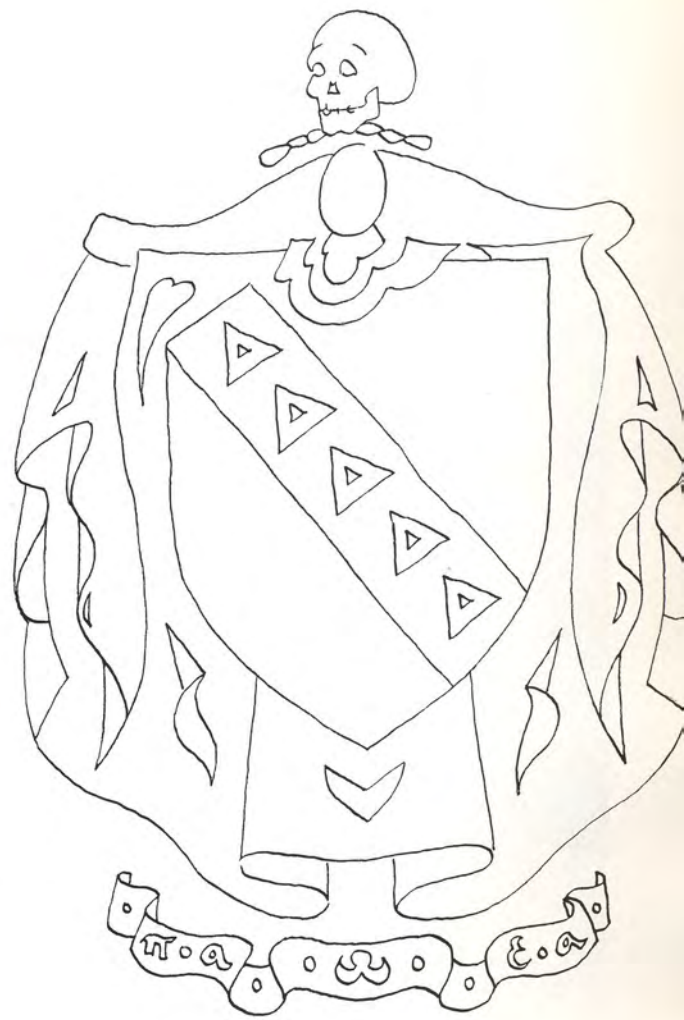

With new brothers and fresh ideas for the improvement of their fraternity and the Greek Community as a whole, Tau Epsilon Phi looks forward to continued prosperity in the 80's.

The brothers of Tau Kappa Epsilon have finished a successful year. Their first effort was with Freshman Queen Weekend which turned out to be very enjoyable for everyone.

TKE was also active in intramural football and did quite well. Most of the brothers are also involved in big brothers of Rhode Island.

TAU KAPPA EPSILON

KAPPA TAU

Nineteen-eighty-one signifies the thirty-sixth year of KAPPA TAU brotherhood. The brothers have the ability to respect and coordinate each others ideas and opinions into a hard working fraternity.

The highlight of their year is Personality Weekend which they present along with their sisters, Alpha Phi Kappa, and the brothers of Beta Sigma Chi. As a Greek organization, they participated in the annual Phonothon, the MD Haunted House, and they were active in intramural sports on campus.

They are eleven young men with fresh and tasteful ideas, and they stress individuality and self respect. Their alumni support strengthens and unifies their fraternity. Through their pride, personality, and parties, Kappa Tau has extended the hand of friendship to the entire Bryant community.

KAPPA DELTA KAPPA

Kappa Delta Kappa Sorority was founded in 1929, making it one of Bryant's oldest sororities.

The Sisters of Kappa Delta Kappa believe in and live their motto "You'll Never Walk Alone."

This year has been a very successful year for Kappa Delta Kappa. During the year, the Sisters sponsored many fun activities including Happy Hours, Pizza Parties, their annual Smoker, and a Picnic. The Sisters also participated in the annual phonathon.

Along with the Sisters of Sigma Iota Beta and the Brothers of Tau Epsilon Phi, they sponsored Sno' Queen Weekend for all.

Kappa Delta Kappa wishes their graduating seniors, Jo-Anna and Marie, the best of luck in their upcoming years.

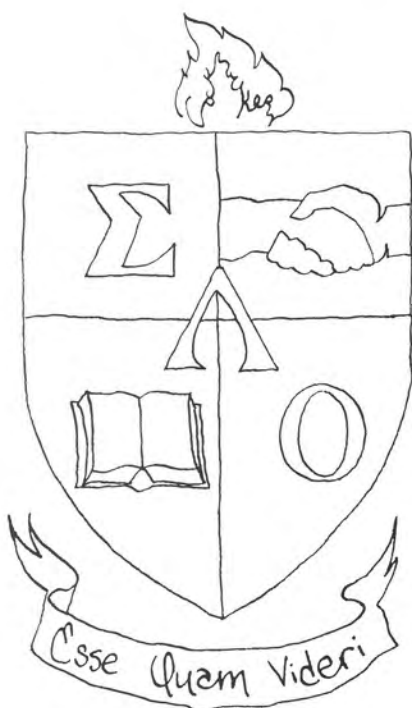

Sigma Lambda Theta Sorority was founded as a social sorority in 1928 on the old Bryant Campus in the city of Providence. It is a small group of girls, but this fact helps foster togetherness in whatever task they undertake.

Theta has always tried to instill in each sister two basic qualities: a sense of responsibility and the ability to cultivate and expand interests throughout life. Sisterhood in Sigma Lambda Theta means a loving, trusting, friendship bond that will last forever.

SIGMA LAMBDA THETA

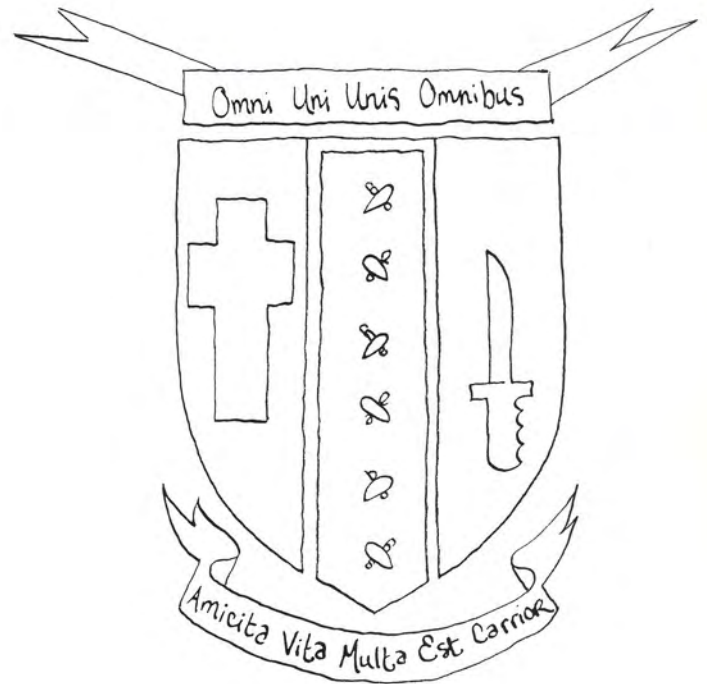

Tau Epsilon Fraternity was founded in 1929 on the principles of promoting friendship, brotherhood and welfare among the brothers. The brothers of TE live, work and laugh together yet they work as one to achieve their goals.

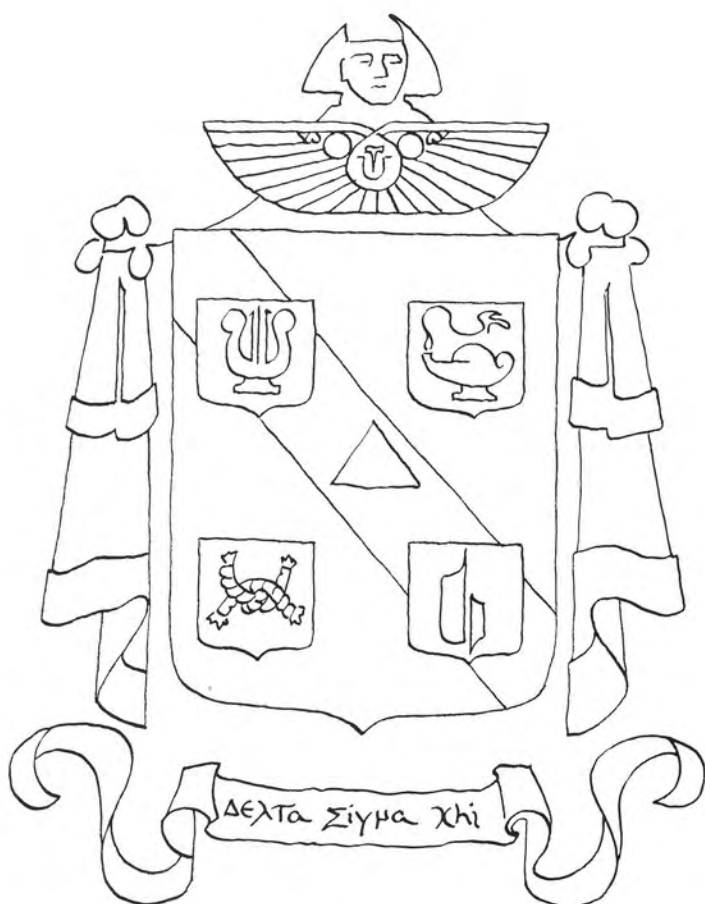

Tau Epsilon looks forward to continued growth throughout the 80's.

TAU EPSILON

DELTA SIGMA CHI

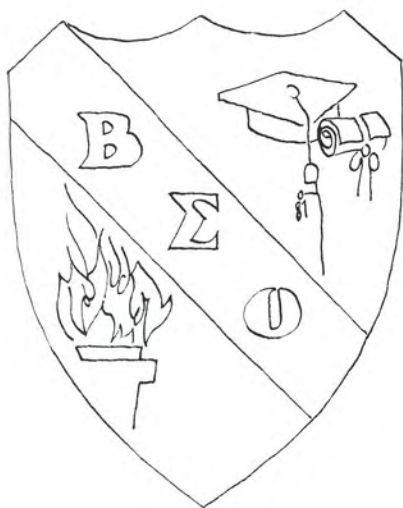

This year has been a very successful one for Delta Sig. They participated in intramural football and basketball, and they were also responsible for coordinating Freshmen Queen Weekend which turned out to be very successful as usual.

BETA SIGMA OMICRON

The sisters of Beta Sigma Omicron had a very successful year. They sponsored many social functions including their ever-famous happy hours.

Spring semester and pledging brought about new sisters in the sorority. Other events that kept them busy during the spring months were our annual Parent's Banquet and their work with Phi Epsilon Pi and Tau Epsilon on Mr. Bryant Weekend.

This year was a very busy one for Alpha Phi Kappa. We visited Heritage Hills Nursing Home at Christmas and Lakeside Treatment Center at Easter time.

This year we also placed second in the Freshman Queen Contest. We sponsored Personality Weekend with our brothers of Kappa Tau. We also participated in intramural sports.

We want to wish the best of luck to our graduating seniors, Kate, Wendy and Gina.

ALPHA PHI KAPPA

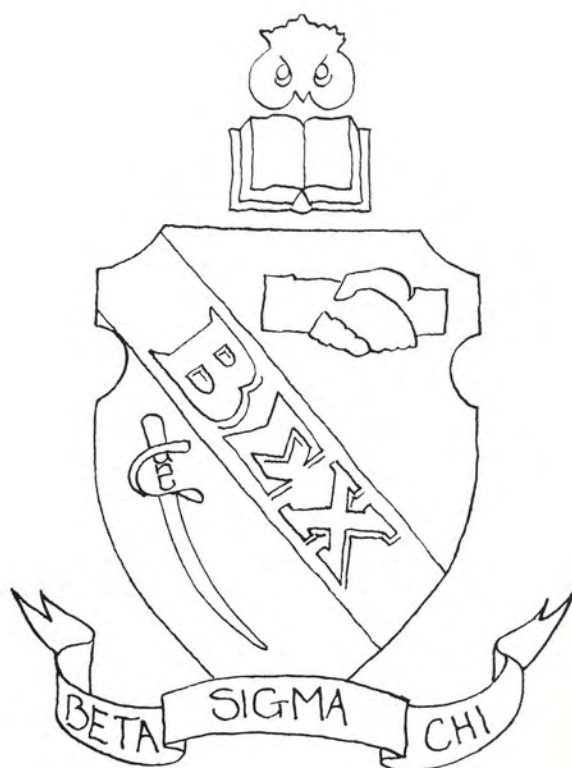

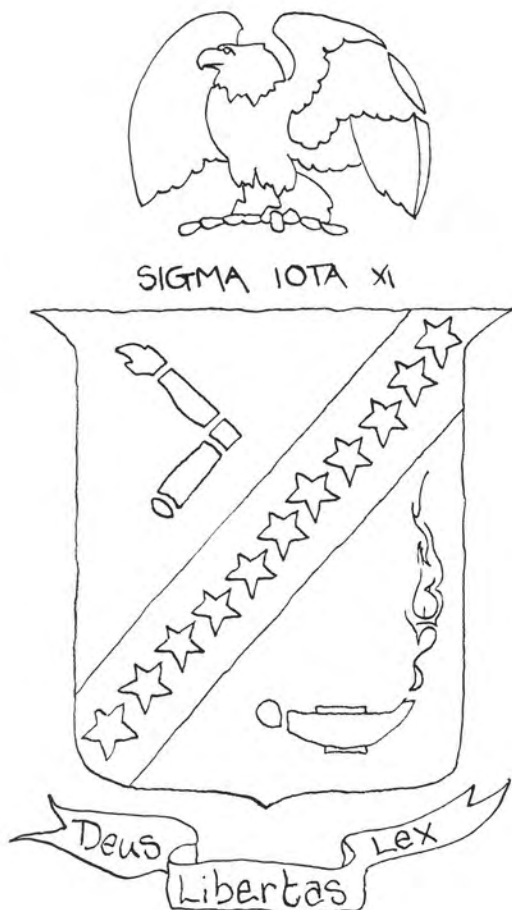

BETA SIGMA CHI

This year was a great one for Beta. Their Personality Weekend was again a big success as were their many happy hours and parties. Through these events and their pattern of steady growth Beta will continue its renowned existence.

The spring semester brought three new brothers into the fraternity. We would like to wish our graduating brother, Scott Morgan, best of luck in the real world.

SIGMA IOTA XI

The Sisters of SIX began the year with the annual SIX, TKE, Delta Sig Freshman Queen Weekend. This was followed by the Hobo Party, Spaghetti Dinner and the ever-popular Christmas Banquet which ended the fall semester with a BANG (to say the least!)

Second semester was filled with pledging activities. After those 3 long weeks SIX had sixteen fantastic new sisters. The rowdy times post-pledging hit their highpoint at pledge formal which was held at Kimball's. Once again we were lucky enough to avoid early check-outs.

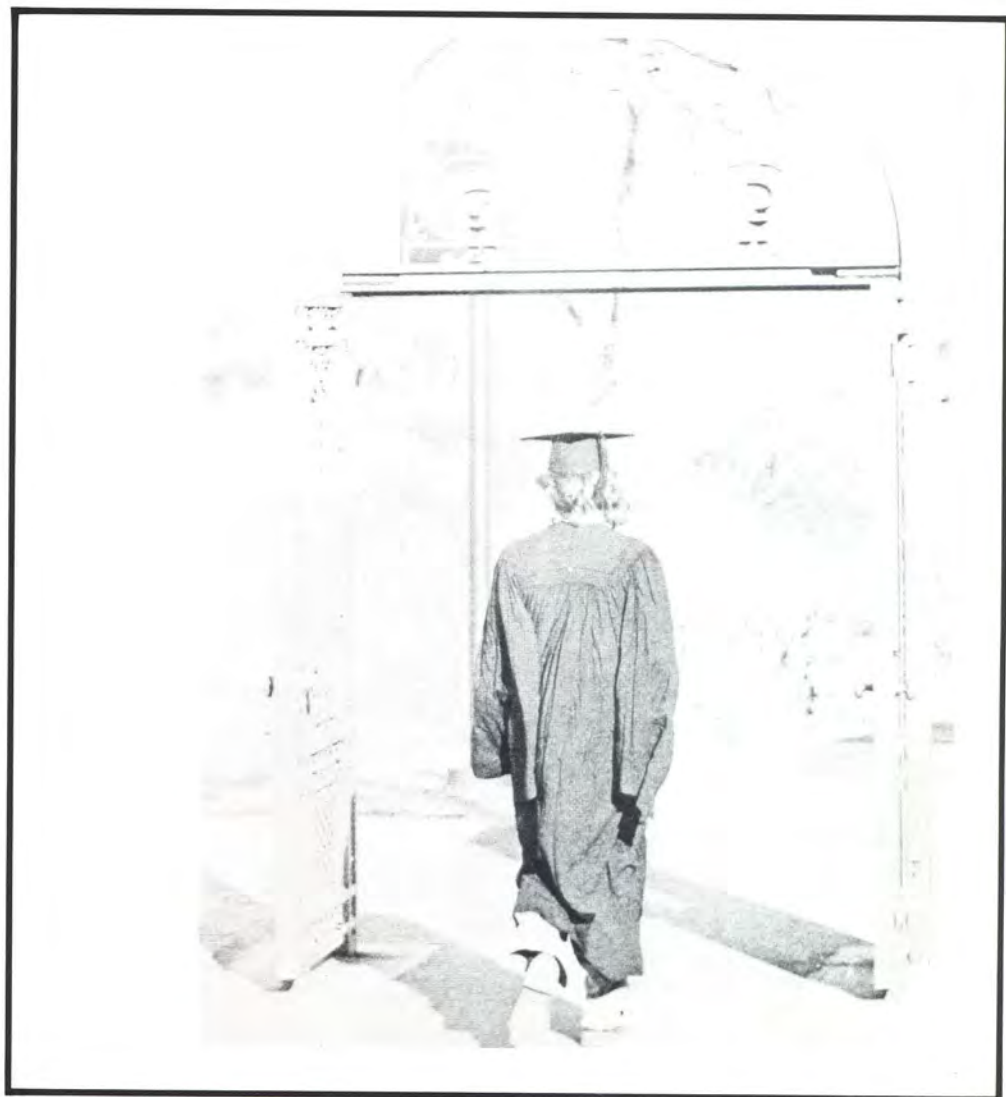

SIGMA IOTA BETA

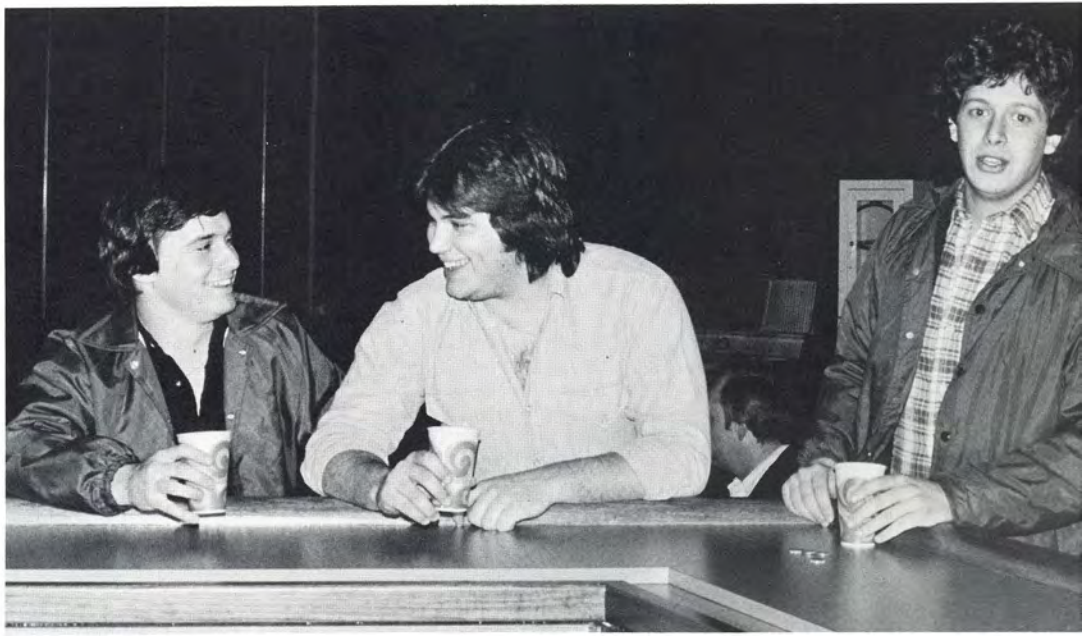

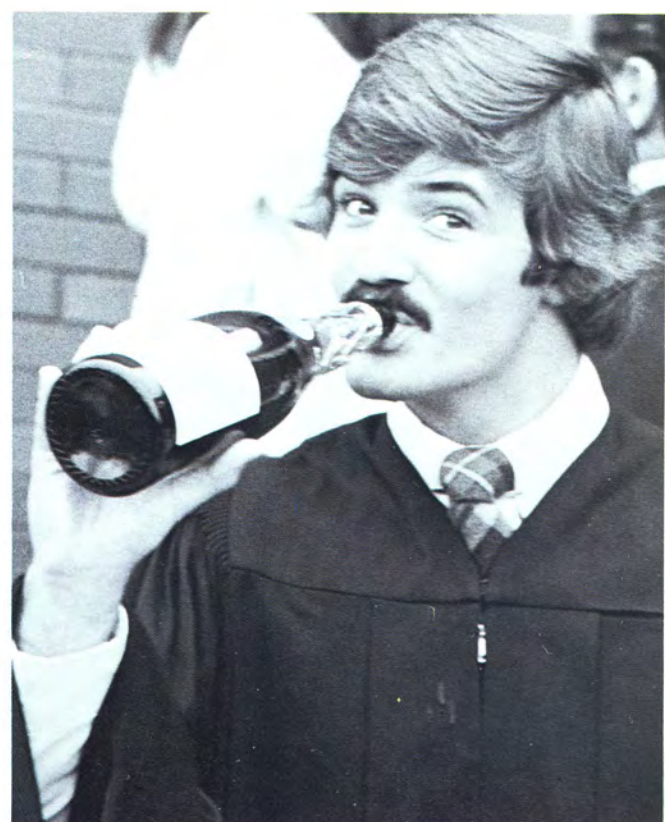

For the Sibbies, this past year was an exciting one. Our weekend, Sno' Queen, with TEP & KDK, was a huge success. We had a carwash which turned out to be profitable. With three new sisters, we will continue to grow in unity.

ADMINISTRATION AND FACULTY

To the Class of 1981:

Congratulations on successfully completing your studies at Bryant. Our years together have been very enjoyable ones. It has been a privilege to be associated with such an outstanding class. We have seen some significant changes at Bryant during your years, and a substantial portion of the credit for this progress can be attributed to your loyalty and commitment to the College.

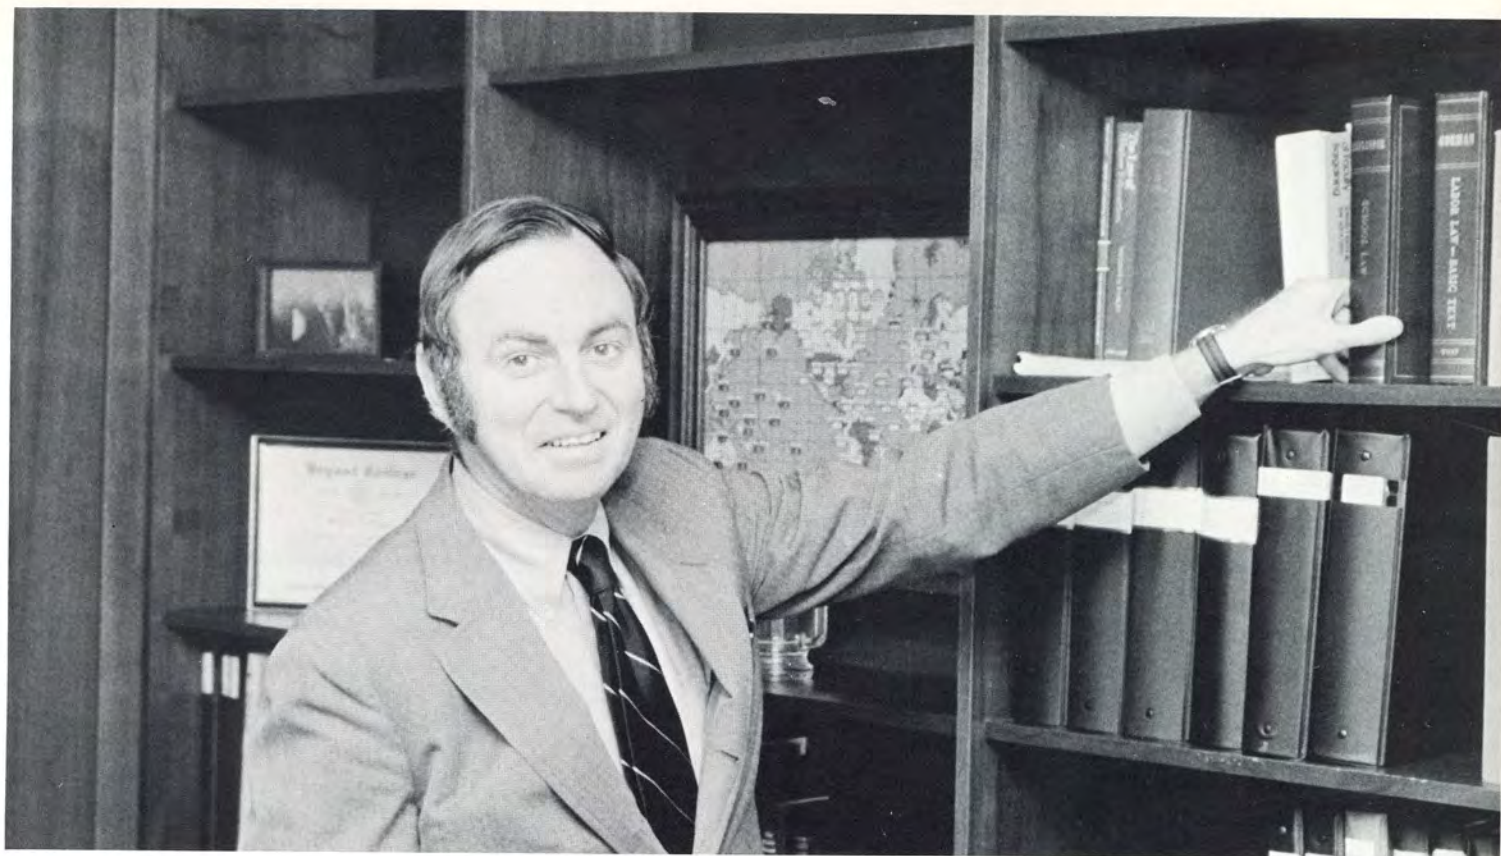

As students you have been valued members of the campus community, and it is my hope that as alumni your interest in the College will continue. Our alumni are one of our greatest resources because only through their interest and involvement in Bryant's future will the College continue to enhance its reputation and advance as an educational leader.

I encourage you to return often to Bryant. You can be assured that when you do, there will always be a warm welcome awaiting you.

Best wishes for a happy and successful future.

To Sue, Lu, Lee-Ann, and KJ:

Sisters are forever, if
loyal and true
If caring and thoughtful,
if loving like you

A sister is a treasure
held onto for life,
So full of contentment
and so little strife

She's there when you need
her for comfort or strength
She's willing to help out
and'll go to great lengths

No matter how far or long
she is gone
Memories of happy times
still linger on

Strive to make friends
as life carries through
But hold on to your sisters
for they are forever a part of you.

THETA LOVE ALWAYS

Sue — A green and gold *moon*??

Lu — "Flashing" light switches, red lamps, Loosey Lu!!

Lee-Ann — PM, PSN, ESAD, & OL80

KJ — At least a year before the kids!!

*To Phil "BOSS" Goss, Bobby "BROOM" Loebr,

... in the morning
When the light drips through the shutters like the dew,
I rise, I face the sunrise,
And do the things my Father's learned to do.
... I am the same, and the same name still I keep.
The earth revolves with me, yet makes no motion,
The stars pale silently in a coral sky.
In a whistling void I stand before my mirror,
Unconcerned, and tie my tie.

—Conrad Aiken

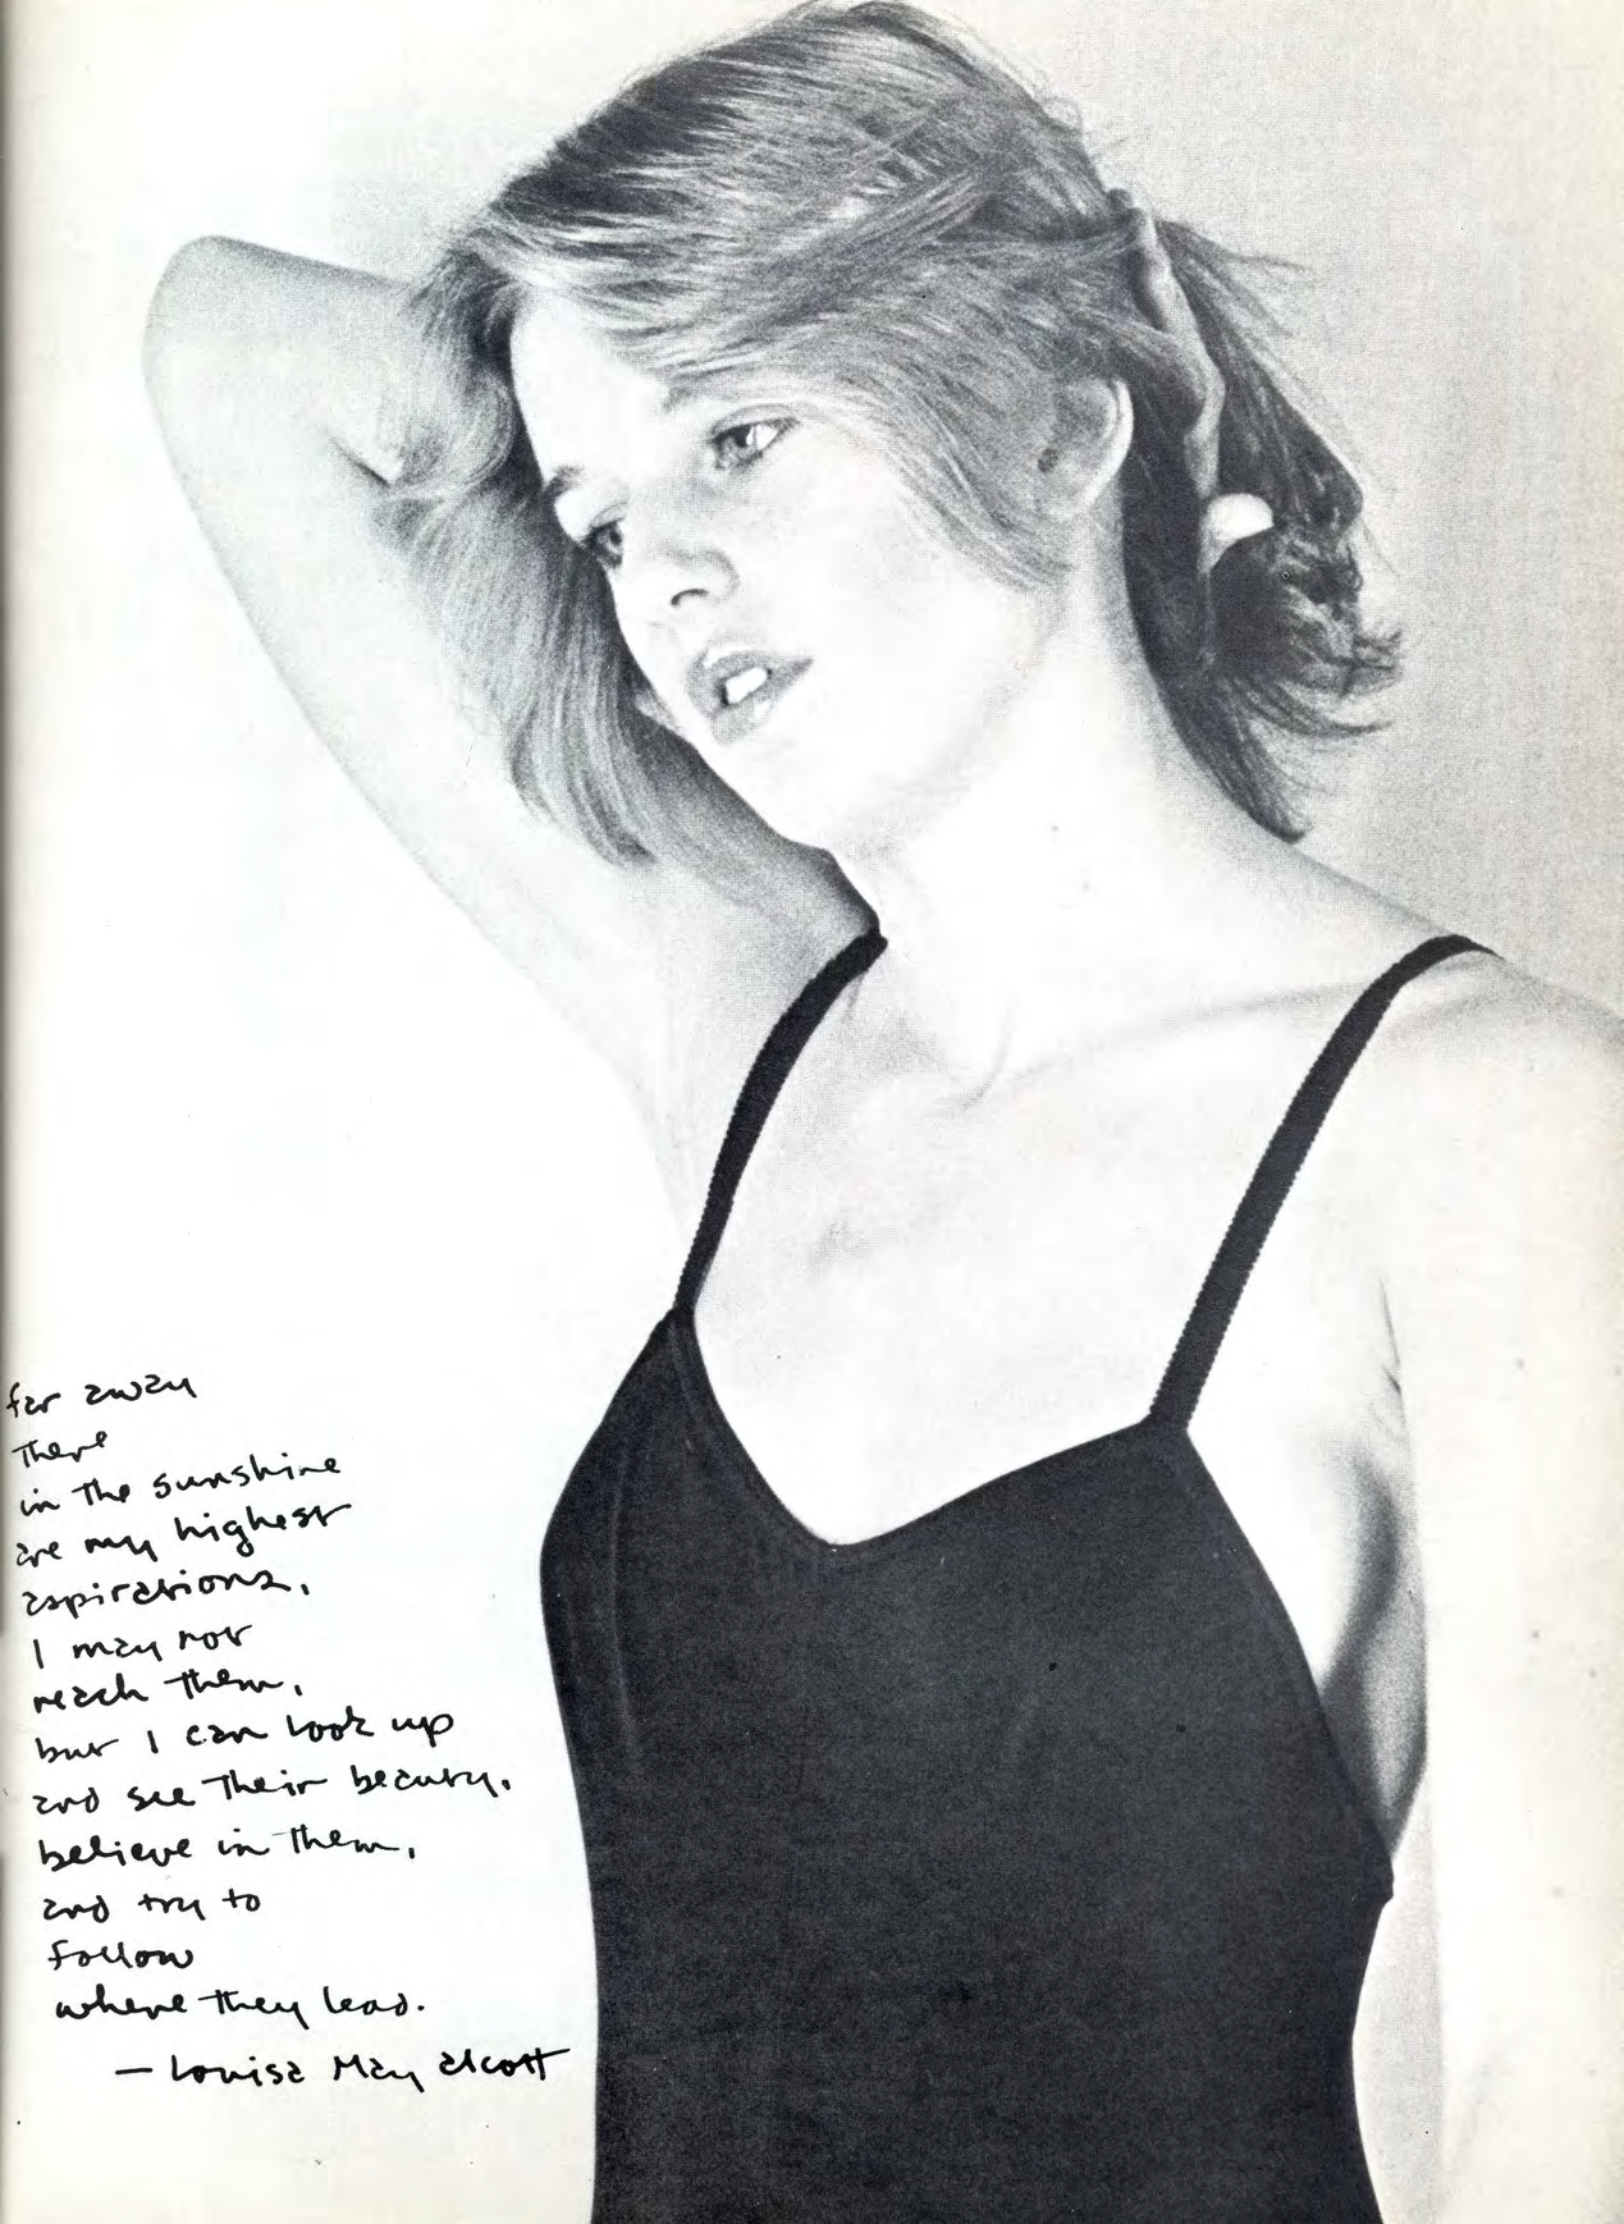

... if you should go skating
on the thin ice of modern life
dragging behind you the silent reproach
of a million tear-stained eyes
don't be surprised when a crack in the ice
appears under your feet
you slip out of your mind depth
and out of your fear flowing out behind you
with your fear flowing out behind you
as you draw the thin ice ...
-Pink Floyd

for 2024
There
in the sunshine
are my highest
aspirations.
I may not
reach them,
but I can look up
and see their beauty,
believe in them,
and try to
follow
where they lead.

So many different kind
of people
trying to be the same
- no way, baby'
he said
- baby There's no way'. . .
- buckingham nicks

How shall I go in peace and without sorrow?
Nay, nor without a wound in the spirit
shall I leave this city.
Long were the days of pain I have spent within its walls,
and long were the nights of loneliness,
and who can depart from his pain
and his loneliness
without regret?

Too many fragments of the spirit have I scattered
in these streets,
and too many are the children of my longing
their walk noted among these hills,
and I cannot withdraw from them
without a burden
and an ache.

It is not a garment that I cast off this day,
but a skin that I tear
with my own hands.
Nor is it a thought I leave behind me,
but a heart
made sweet with hunger
and with thirst.

Yea, I cannot tarry longer...
for to stay, though the hours burn in the night,
is to freeze
and crystallize
and be bound in a mold.

Fain would I take with me all that is here
but how can I?
A voice cannot carry the tongue and the lips
and the lips that gave it wings
Alone it must seek the ether.
And alone
and without his nest
shall the eagle fly across the sun...
— Kahlil Gibran
