Homecoming . . . It Will Soon Be Here . . . Saturday, May 23

Homecoming co-chairmen Peter Barilla '58 and Betty Shola '47 report that their committees are well along with plans for May 23, Homecoming Day.

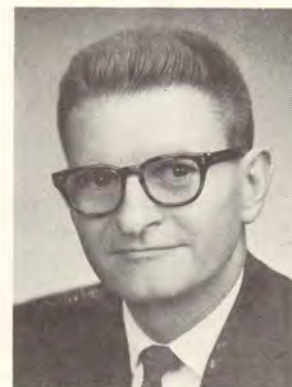

Because this is a special reunion year for the classes of 1914 and 1939, special letters have been sent to these classes with the request that they make plans to come. Tentative plans at this time have a group from the Class of 1939 who will gather Friday evening, May 22, for an informal reunion.

A reservation form is included in this newsletter and replies for luncheon and dinner reservations will be handled on a first come—first served basis. Alumni of 50 or more years ago will be guests of President Jacobs at the Luncheon. As you may remember from last year the annual dinner-dance was a sell out, so try to get your reservations in early.

Members of the Class of 1914 will be honored at a reception in the morning with President Jacobs and members of the Alumni Council.

Homecoming committee chairmen are: Kathleen DeFusco, secretary; James R. Brennan '59, luncheon; Fred C. Kenney '53, dinner; Lee Berard '57, dance; Anna Bozaro '31, alumni award; Hilda Ferris '37, tickets; Gus Dicomitis '56, publicity; Grace Aldsworth '36, registration; Olive Baxter '34, flowers; Vincent Votolato '13, alumni gift; Donald Esmay '57 and Janet Tedesco '61, coffee hour and reception.

INDIAN AWARDS TO CAMPER AND ELSE

At an athletic award night held at the Wayland Manor, Student Activities Director Robert W. Hathaway presented the Bryant College Indian Award to baseball coach Wallace Camper and to F. Robert Else 64, student athletic director and junior varsity basketball coach.

The Bryant College Indian Award, established this year, will be awarded each year for outstanding service to the College by an individual.

The award this year was made this year for the promotion of varsity sports at Bryant. Mr. Camper formerly coached varsity basketball and Bob Else was cited for his contribution to intramural and varsity sports.

A Fitting Climax To Ten Weeks of Study

A recent 10-week course in restaurant management came to a fitting conclusion last month with an exhibit of imagination, ingenuity, and creativity that could come only from Chef Louis Ferretti of the Bryant Dining Service.

An ice punch bowl with roses imbedded around its edges, sautéed frogs legs, caviar, barbecued chicken wings, turkey, ham, lamb, an assorted cheese tray, fruit . . . these are just a few of the 50-item menu delicacies served to the course registrants and their guests.

Bryant Joins Tri-State League

The formation of a Tri-State Basketball League has been announced by Robert W. Hathaway, Director of Student Activities.

Bryant College will be a charter member and the athletic directors of each member college will be representatives. The league was organized this year and will function as a league commencing with the 1965 season. One year has been allowed to adjust schedules and accept requests from other colleges for membership.

Other members are Babson Institute, Barrington College, Gordon College, Nasson College, and St. Francis College of Maine.

Thomas Smith, Athletic Director at Babson Institute, was elected President, Robert Hathaway of Bryant was elected Vice President, James McLaughlin of Nasson, was elected Secretary-Treasurer. These officers will serve a two-year term.

PROPERTY ACQUIRED ON CHARLES FIELD STREET

College-owned properties have been increased by the acquisition of 78-80 Charles Field Street from Mrs. Winifred Sullivan.

For several years our students have resided at this address. It is adjacent to Curtis Hall, presently a dormitory for women.

Ruth A. Quinn To Be 1964 World's Fair Guide

A Bryant Glee Club alumna has been chosen by the Rhode Island Development Council to "sing" the praises of Little Rhody at the New York World's Fair opening this month.

Ruth A. Quinn '62 of Riverside will be an Informational Guide to answer questions about Rhode Island and welcome visitors to the Rhode Island Building of the New England Pavilion.

There will be six such guides at the Rhode Island Building, but be sure to stop in and see Ruth if you have a chance to get to the Fair.

RHODE ISLAND GAINS SIX BRYANT C.P.A.'S

Bryant is very proud that six of the nine most recently certified accountants in Rhode Island are her alumni.

They are: J. Robert Greco '57 of Warwick, Irving B. Silverman '51 of Cranston, Normand G. Champeau '58 of Woonsocket, Robert T. Jones '51 of North Providence, Stephen E. Pascarella '43 of Providence, and Alfred A. Bergeron, Jr. '63 of Lincoln.

Second Annual BRYANT COLLEGE BUSINESS-STUDY TOUR

Conducted by

WALLACE S. CAMPER
of the Bryant College Faculty

Departure July 29, 1964
S. S. Queen Elizabeth

AIMS AND PURPOSES

This tour has been designed for a small group of students, just enough to fill our own private motorcoach. Alumni are also invited and should derive much from this experience. The countries selected, the cities and sights, are of the nature of greatest interest and educational value for those interested in business and industry.

Cultural values are of importance, but of even greater importance is to get to know the people of other lands to gain a better understanding of them, and they of us. European students will be your hosts in several major cities.

The rise of the Common Market and the imminent lowering of our tariffs under the Trade Expansion Act means that we must learn to compete with European industry. And what better way is there to compete than to visit and study European business and industry on the spot and to talk with business leaders there?

Stops at sports and recreation centers have been planned so that you may relax in a good atmosphere. Good clean hotels are used and excellent food provided. In Rome, London, and Paris lunch is omitted for greater flexibility of movement. On your way to Europe you will get acquainted on the world's largest passenger vessel, S. S. Queen Elizabeth. At the end of the tour you will return to the States by air.

Scheduled programs are provided throughout the tour, and supervision will be provided at all times. The tour leader is a professional educator and he will lead, not merely guide.

Pleasure and education go hand in hand. Simple pleasures are usually of a more lasting value. We propose that the tour itinerary will provide them in modest circumstances at the lowest possible charge.

BUSINESS CONFERENCES

In order to achieve the basic aims of a study tour, certain organizations in Europe have cooperated in formal planned business conferences with those on the study tour. In prior years the following firms have participated and have offered to do so again this year.

European Economic Community
British Management Institute
British Federation of Industries
Trade Unions Congress
Lloyd's of London
University of Louvain
Moppes & Sohn, Diamond Industry
Netherlands Economic Ministry
German Ministry of Finance
German Ministry of Economics

Daimler-Benz Corporation
Olivetti Business Machine Co.
Swiss Credit Bank
Langenthal Porzellanfabrik
International Labour Organization
Galleries Lafayette
Banque Pour Commerce & Industrie
Thyssen Steel Works
Italian Foreign Ministry
GATT Headquarters

Similar organizations will be visited in 1964. It is planned that a balance will be achieved in the study of government, labor, management and finance.

Your application for participation in this tour must be received by May 1. Write to Mr. Wallace Camper, c/o Bryant College, for more information.

SPORTS ROUNDUP

Varsity and intramural athletics are continuing to draw the attention of large numbers of alumni and students.

The Bryant Indians ended their season with a 12-11 win-loss record, reported by the "Archway" as the most successful season the Indians have had since 1949. Coach Earl Shannon's team topped the century mark in scoring five times during the season, twice against R.I.S.D. 128-62 and 112-89; against Babson 103-86; against St. Francis 104-92; and against Barrington 105-91.

Dave Barber '64 established a two-season record of 514 points and a high for a single game of 47 points.

Coach Wally Camper has seven baseball lettermen returning to this year's squad and the season will begin April 16. This year's schedule has been extended to 16 games, including an overnight trip to play St. Francis College in Maine on April 25.

Don't forget the Homecoming Day game on May 23 against Nichols College.
