**R***eflections* is the theme of the 1997 Ledger. The Ledger staff chose this theme to depict not only the kind of academic year this college has had, but also what we hope to achieve by producing this book. We hope that this book will help everyone *reflect* back onto your college years here at Bryant and remember all the wonderful times we have shared with our fellow classmates. We hope that the special events that we have chose to publish will help you to *reflect* on your memories of Bryant College.

# *Bryant College Celebrates 25 Years in Smithfield*

## *A Silver Anniversary in Smithfield*

**B**ryant College moved to the Smithfield campus in the Fall of 1971. It ushered in a significant period of expansion for Bryant. No longer defined by the physical constraints of its former Providence location, the College was free to achieve a level of distinction its founders could never have imagined. Original Smithfield buildings included the Unistructure, center of all academic life, what is now called the Koffler Technology Center, and residence halls. The Bryant Center was dedicated in 1986, and has become the place where students can meet, eat, study, play, and relax. New

residence halls and townhouses have given campus life a new social arena. Bryant College now occupies 387 acres in Smithfield. One object that was brought from the Providence campus to Smithfield is the Archway. The Archway, symbolizes tradition and the history of Bryant College. On the top of the archway is the Bryant Seal. This seal represents the educational mission of Bryant College and its worldwide Implications. Although Bryant College moved to a new location 25 years ago, it still not only holds all the old traditions but also continues to carry on its new traditions, such as a dunk in the pond on a person's birthday.

# Bryant Center Celebrates 10 years

**I**n the winter of 1996, the Bryant Center celebrated its 10th anniversary on the Bryant Campus. The Bryant Center was built as a meeting center for campus. It's main functions was to provide a place where students could study, meet fellow classmates, and have fun. The Bryant Community celebrated this event by having a cake made into the shape of Bryant Center. It held many different events throughout the week to celebrate. Such events included a local comedian to singers in the Bryant Center Commons. To this day, Bryant Center is the center of most activity on Campus.

THE

# FESTIVAL OF LIGHTS

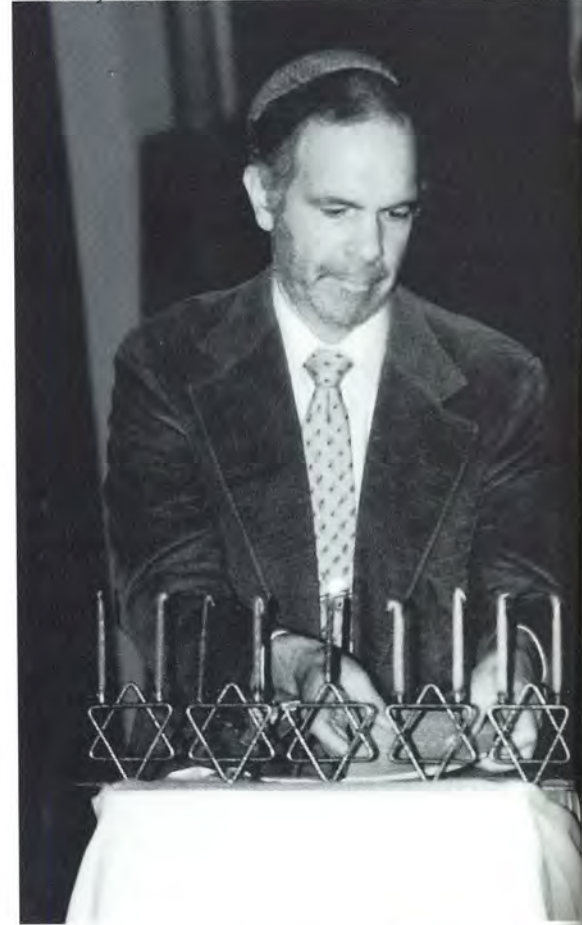

Here, at Bryant, the Festival of Lights is a time when people of various religious backgrounds come together to celebrate the holidays. Students, Faculty, Staff, and Alumni join in singing songs, such as, *Rudolph the Red Nosed Reindeer*, *Silent Night*, and *Eight Bright Candles*. Prayers are offered by the Protestant, Catholic, and Jewish Faiths.

In addition, the Jewish holiday, Hannukkah is celebrated with the symbolic lighting of the Menorah. This holiday commemorates the miracle that occurred in an ancient ransacked Temple. The Everlasting Light, which should burn continuously, only had enough oil to burn for one day. Miraculously, the oil burned, not for one day, but for eight days until new oil could be obtained. In remembrance of this miracle, one candle on the Menorah is lit during each day of Hannukkah.

As the festival continues in the Unistructure, the light of the Menorah is spread from person to person. As the light grows and becomes stronger, a parade is led from the Unistructure to the Bryant Center, where the festival is concluded with the lighting of the Christmas tree, caroling, and hot chocolate.

# First Night

First night '97 celebrated the coming of the new year and semester at Bryant College. The celebration included a champion garden, dancing all night in the Rotunda and at midnight fireworks.

The party began at 10, the students were greeted at the door by people in tuxedos. The Rotunda was decorated in white lights and shimmering silver paper. There were two 9 by 12 screens on the dance floor that played music videos and a fog and light show. Horns and party hats were distributed right before midnight. The disc jockey began the official count down to midnight. At midnight cannons of confetti and streamers showered the students and guests and fireworks could be seen through the glass dome of the Rotunda.

## Drawing the Shades

Drawing the Shades is intended to show that rape is a very serious crime, and unfortunately, that it can happen to anyone. Almost every college student goes through a rape prevention program, however, this knowledge is very seldom applied to one's own life. And the sad fact is that people so rarely see the pain of another until the tears are in front of them. This skit is the tears.

Drawing the Shades was voted "Best Campus Program" for the 1995-1996 year. Peer Educators also performed this program at the national Peer Education/BAACHUS conference in Washington D.C. in the spring of 1996. They continued to perform this program at Roger Williams University and also on the Bryant campus.

**Dorothy Beattie**  
**BACCHUS Member**  
**of the Year**

Senior Dottie Beattie was named National BACCHUS member of the year at this year's national conference for Peer Educators and BACCHUS members. This is awarded to a student for their exemplary performance as a role model for other members. Dottie was chosen from more than 200 New England BACCHUS members. She attended four national BACCHUS conferences and four regional conferences and presented at six of these conferences. This is the first time a Bryant College student has received this prestigious award.

# Bryant Spirit Day

# 17th Annual Northern

**A** team of fourty Bryant students lead by games director, Lauren Gular, have spent the last several months organizing and planning this event. It is one of the largest programs of sport's training and athletic competition for the mentally retarded children and adults for the Northern Rhode Island area. This event drew over four thousand people to the campus to support over six hundred athletes. Not only do these athletes experience success with sports, but they also gain confidence and build positive self-image that carries over into their classrooms, homes, jobs and the community.

# Letter from the President, Ronald K. Machtley to the Class of 1997 !

Congratulations to the Class of 1997!

We have had but one year together, but I will never forget your class as the first graduating class of my Presidency. Within your class I have seen brilliance, enthusiasm, poise and friendship--all the qualities that one needs for success in life.

Your graduation from Bryant College marks the beginning of a new chapter in your life--one for which you are well prepared. You are poised on the threshold of the 21st century--your century--fewer than three years away. You are in the unique, and enviable, position of being among the first graduating classes to shape and be shaped by the new millennium. New challenges and unprecedented opportunities await you.

As you prepare to take your place in the world, be guided by two precepts. First, be confident that your mastery of new skills and competencies has equipped you extraordinarily well, enabling you to identify opportunities and seek solutions in the future's global business environment. Second, reach out and take advantage of the rich opportunities to connect your work and personal values to the needs of the community and our society. Your skills and preparation make you powerful agents for change and improvement in the work place and the community.

You now join the ranks of over 36,000 Bryant women and men who proudly call themselves alumni/ae. Bryant's faculty and staff join me in expressing our pride in your accomplishments, our confidence in your future successes, and our hope that you will remain in close touch with your many Bryant friends and colleagues. We will miss you on campus, but we are eager to learn of the adventures that await you, so please stay in touch and come back to Bryant often.

Best wishes for continuing success!

A handwritten signature in dark ink that reads "Ronald K. Machtley". The signature is written in a cursive, flowing style.

President

Sisters Forever  
By Valerie Arnold

We'd like to look back  
As this year ends.  
We've all had our times  
When we needed some  
friends.  
Maybe it was for a laugh,  
Or for a tear.  
But one thing is sure  
There is always love  
near.

Although we needed only  
a friend, Of course we  
received more,  
'cause there's always a  
SISTER  
in townhouse or floor.  
You can find us any-  
where;  
We shine in Blue and  
Gold.  
We're the sisters of Phi  
Sig  
And our colors we love to  
uphold.  
You say we must be sad;  
There are some that must  
leave.  
But this is the best part,  
You would never believe.  
You see they'll be back;  
Sister hood never ends.  
We'll always be sisters,  
And we'll always be  
friends.

## “Ace-ing their way to the Top”

The girls tennis team, coached by Bob Coker and led by senior captain Lisa Sarandopolis and junior co-captain Tracy Caprio ended on a winning note. The girls ended the season with a 5-4 victory over Salve Regina, improving their overall record to 8-7.

Jennifer Flaherty (FR) was a great new asset to this year's team. Playing the majority of her matches at number six singles, she finished, her first season with an outstanding 12-6 record. The team placed 8th in the NE-10 tournament. Beth Anderson (JR) and Yolonda Sarrell (JR) defeated Saint Michaels for the third doubles consolation championship. Lisa Sarandopolis (SR) and Jennifer Kiellar (SO) defeated Assumption, becoming the number one doubles consolation champions. Sarandopolis, who had an impressive 12-7 record at number one singles, is the only one leaving the team. Next year's team looks very promising!

## “Serving it Up”

The Women's volleyball team ended with a record of 10-8, and 4-2 in the NorthEast 10 Conference. The team was lead by senior co-captains Stacey Defarnos, and Alicia Kadlick. In September the team went to the Holiday Inn Express Invitational at Stony Brook, Ny. The five-team tournament featured some of the top Divion II teams in the country, including Florida, Southern and New Haven. At this Invitational, senior co-captain Stacey Defarnos was named to the all-tournament team.

During the season, the lady Bulldogs opened the week by dismantling St. Anselm 3-0 to win another NE-10 victory. During this match, Junior Janet Rooney recorded a game-high of 16 kills. Jennifer Carvahlo with 8.1 assists-per-game, Rooney with 3.5 kills and senior Sharon Pacheco with 3.0 digs were among the conference statistical leaders. The team will return with a strong team next year. But, the team will miss the graduating seniors that led them to a successful season this year.

NIKKI... "NKS" ... "PIXXIE" ... NICOLE

My beautiful daughter and the light of my life...you have accomplished so much in your 21 years...I am so very proud of you. At every obstacle you jumped higher and higher and overcame each challenge along the way. You have worked so hard to achieve this goal....

Now you will pass through the Archway to yet another challenge...that of the business world for which you are well prepared...thanks to your education at Bryant College. The pride I feel for your unending perseverance and undying energy is indescribable...working two jobs, studying hard, becoming a campus leader...I'll never know how you fit it all into 24 short hours a day. However, the fact is that you did and made every minute count.

You have made many friends, especially your Phi Sig sisters. Your experiences and memories of these four years at Bryant will stay with you for a lifetime.

As you now prepare to enter into the next phase of your life, go with the love of your family and friends. And, remember, no matter where life leads you, home is where "Mom" is...I will always be here to encourage and support your endeavors. In September, 1993, I thought four years were a lifetime...in May, 1997, I can't believe how they have flown by....

Congratulations, my lovely daughter...you will always be my shining star. Let's believe that stars shine in Heaven and that Dad can see you now!

Somehow we made it...you accomplished it...with the support of this institution, the Rotary and the love of your family and friends!

With much love and pride,  
Mom  
XOXOXOX

# Editor's Letter

**T**he 1996-1997 year has been one to remember. It was this year that the college community celebrated various anniversaries and new beginnings. For the Bryant College Community as a whole, it was a time to reflect back on how much Bryant has changed and grown from where we were 25 years ago. It was also a time for new beginnings, as we welcomed Ronald K. Matchley as Bryant's seventh president.

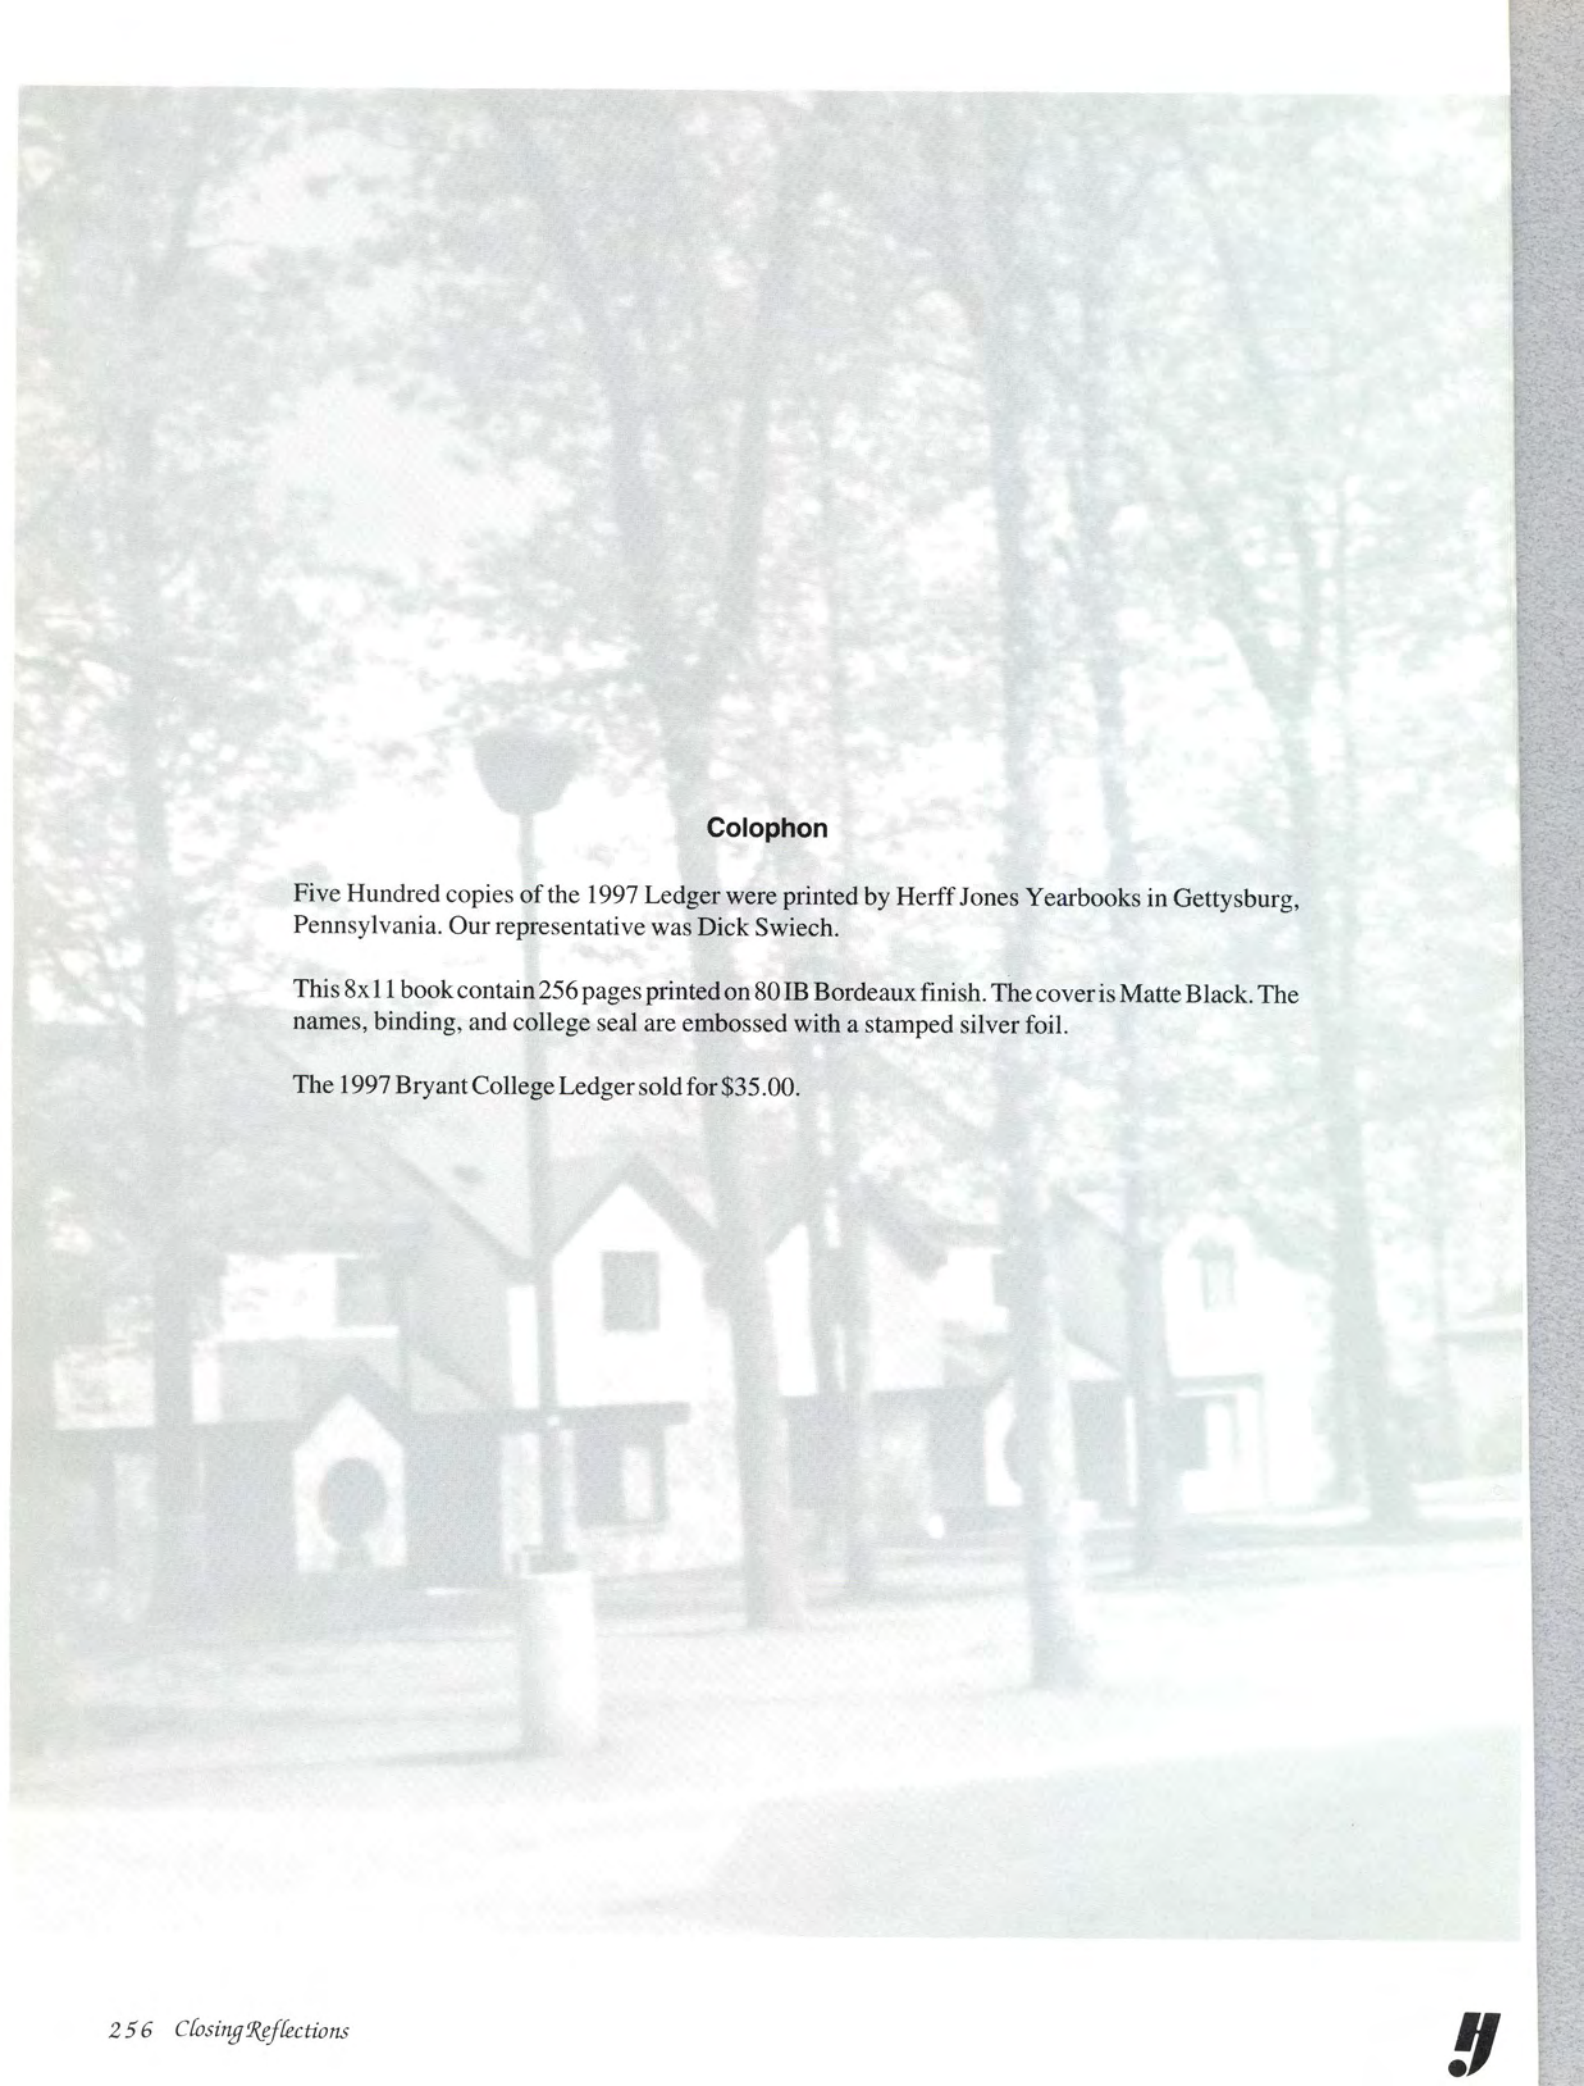

For many of us, it also marked our final year at Bryant College. As we graduate, we look back onto our many memories that we have from our years here. The Ledger staff and myself have tried to capture the moments of our senior year, so everyone could reflect back onto the good times and remember the Class of 1997. As you look through the Ledger, I hope you would agree that we have been able to accomplish just that.

On a personal note, I would like to take this opportunity to thank all the members of the Ledger staff for all your hard work and dedication. Some of you sacrificed many hours of your own time to help me put this book together. Without you, this book would not have been possible.
